Membership shall be limited to regularly enrolled Ohio State students, faculty, and/or staff members.

This organization and its members shall not discriminate against any individual(s) for reasons of age, color, disability, gender identity or expression, national origin, race, religion, sex, sexual orientation, or veteran status.

Only currently enrolled Ohio State University students may be members. Others, such as faculty, staff, and alumni, are encouraged to become non-voting associate members or honorary members.

All members will register as volunteers for the U.S. Fund for UNICEF at volunteers.unicefusa.org

Article IV: Dues and Payments

There are no dues required for membership into this organization.

Article V: Executive Board

This organization shall be made up of a steering committee of at least six members with the positions of: President, Vice President, Director of Graphics & Marketing, Director of Fundraising, Director of Membership, and Director of Recruitment & Outreach. To be eligible for an officer position, the
executive board will be the deciding committee. The incoming President and Vice President will be selected by the outgoing senior executive board with the help of the advisor. The remaining positions of the various directors will be selected by the previous senior executive board with help from the advisor. Should the Executive Board conclude that a general election is more applicable to the size and quality of the organization, an election can be implemented with the consensus of the entire Executive Board.

All officers must attend all meetings and events (this includes any event other than a general membership meeting). Officers are responsible for arranging a separate meeting with the President or Vice President to make up for missed meetings and events. Failure to meet this requirement more than three times will result in a 1:1 meeting with the President, and removal from an officer position is a possibility, pending approval from 2/3 of the Executive Board.

The removal of an officer for any reason besides lack of attendance will require a consensus of the other Executive Board members. Replacement procedures for this position will be the same as regular officer transitions.

**Article VI: Meetings**

The executive chairperson will be responsible for selecting a regular meeting time according to the schedules of the general membership. The general organization shall meet weekly Wednesdays at 7:30 pm and the Executive Board will meet weekly as well. If a special meeting is required, any member may request the Executive Chairperson to set an additional meeting time. If the Executive Chairperson decides this matter can not be handled during the regularly allotted meeting time, s/he may call a special meeting as long as s/he has ascertained that 2/3 of the membership has been made aware of the “special” meeting. There will be at the very least ten meetings each semester.

**Article VII: Quorum**

Quorum will be met whenever there are at least an officer and three or more members present at a regularly scheduled meeting time. If the meeting occurs outside of the regularly scheduled time, there must be at least one half of the membership present to establish quorum.

**Article VIII: Handling of Money**

Immediately after a fundraising event, any donations shall be counted by a member of the Executive Board and verified by another Executive Board member who will count the money again. The amount and the date of collection will be noted by the President, Treasurer, and Vice Presidents. Any cash amount over ten dollars must be deposited within three days of the time it was collected. Any cash amount under ten dollars must be deposited within one week of the time it was collected. If the cash amount is over sixty dollars, it must be divided amongst at least two parties who will deposit it. Any party taking a cash amount over ten dollars to the bank to be deposited must consist of a minimum of two people, one of which must be the President or Treasurer. A party taking less than ten dollars in cash to the bank may consist of one person. Any deposit must be made with the teller during regular bank business hours. ATM
deposits are not permitted. After a deposit has been made, the party that made the deposit must retain a receipt from the bank detailing the deposit and the receipt must be shown to all Executive Board members at the next Executive Board or General Membership meeting. The Treasurer and Vice Presidents will then make note of the receipt, and the Treasurer will retain the receipt as a record. Additionally,

Checks are to be deposited within one week of the date collected. Checks may be deposited by one person, who will retain the receipt and present it as described in the article above.

Parties taking cash to the bank will be discreet while transporting it. Cash is not to be carried in plain view.

It is recommended that parties taking cash to the bank do so by vehicle whenever possible. It is further recommended that parties taking cash to the bank are dropped off directly in front of the bank.

It is recommended that parties walking with cash take main roads whenever possible.

In the event that an Executive Board member does not follow any of the above mandatory guidelines, that member will be considered on probation, with the terms of probation to be determined by the rest of the Executive Board by reaching a consensus. All Executive Board members except for that one which has been found to be in violation of the rules set forth by this article must agree as to the terms of the probation of the member who is in violation. If an Executive Board member is found to be in violation of this article twice, they will immediately be terminated from the Executive Board with no option to serve on this organization’s Executive Board again.

Article IX: Amendments

Amendments to this constitution shall be made by a 2/3 majority vote of the membership present at the time the amendment is brought to the floor. Amendments will be brought to the floor by a member of the Executive Board noted in Article V. General members may propose an amendment by submitting it to the Executive Board fourteen days in advance.

Article X: Ratification

This constitution shall be ratified when it receives a 2/3 majority vote of all general members.

Article XI: Disbursal of Assets

If this organization should cease to exist, the executive board shall disburse all assets to the United States Fund for UNICEF. Should no officers be available, the Director of the Student Activities Office shall be authorized to make the disbursal.
