OBJECT

From the charter granted to Zeta Tau Alpha by the State of Virginia, March 15, 1902:

The object of said association shall be to intensify friendship, to promote happiness among its members, and in every way to create such sentiments, perform such deeds and to mould such opinions as will conducive to the building up of a nobler and purer womanhood in the world.

THE CREED OF ZETA TAU ALPHA

by Shirley Kreasan Strout

To realize that within our grasp, in Zeta Tau Alpha, lies the opportunity to learn those things which will ever enrich and ennoble our lives; to be true to ourselves, to those within and without our circle; to think in terms of all mankind and our service in the world; to be steadfast, strong, and clean of heart and mind, remembering that since the thought is father to the deed, only that which we would have manifested in our experience should be entertained in thought; to find satisfaction in being, rather than seeming, thus strengthening in us the higher qualities of the spirit; to prepare for service and learn the nobility of serving, thereby earning the right to be served; to seek understanding that we might gain true wisdom; to look for the good in everyone; to see beauty, with its enriching influence; to be humble in success, and without bitterness in defeat; to have the welfare and harmony of the Fraternity at heart, striving ever to make our lives a symphony of high ideals, devotion to the Right, the Good, and the True, without a discordant note; remembering always that the foundation precept of Zeta Tau Alpha was Love, “the greatest of all things.”

MISSION STATEMENT

To make a difference in the lives of our members by developing the potential of each individual through innovative programming, which emphasizes leadership development, service to others, academic achievement and continued personal growth for women, with a commitment to friendship and the future based on the sisterhood, values and traditions of the past.

PURPOSE

The purpose of Zeta Tau Alpha is the intensifying of friendship, the fostering of a spirit of love, the creating of such sentiments, the performing of such deeds, and the moulding of such opinions as will be conducive to the building up of a nobler and purer womanhood in the world.

Since its founding in 1898, Zeta Tau Alpha has provided the opportunity of membership to over 238,000* outstanding young women. Approximately 7,500 new members are initiated yearly (*as of Aug. 1, 2015).

The Fraternity’s goal is to unite its members in a close bond of friendship and to instill in them a spirit of mutual love and helpfulness. In so doing, each member and the Fraternity at large must strive to achieve social, moral and intellectual excellence.

With the purpose of establishing lifelong friendship, Zeta Tau Alpha advocates the highest attributes of womanhood and teaches its members from the time of their pledging to value and exemplify loyalty, responsibility, service, leadership and commitment.

A strong foundation and purpose have characterized Zeta Tau Alpha since its founding. The development of strong chapters ensures the continuation of the growth and development of the Fraternity. A heightened sense of commitment to the Fraternity unites alumnae and collegiate chapters to its ideals and policies, its standards of excellence and its responsibility to contribute to the community.

To aid each chapter in reaching its goals, this General Manual informs the membership and officers of the procedures and policies that govern the operation of Zeta Tau Alpha.

To understand the business and organizational structure of our Fraternity, members should carefully study the organizational diagram on page 1. The role of each member of a collegiate or alumnae chapter is of prime importance. Cooperation of members at local and national levels maintains the strength of the Fraternity.
AWARDS

All Zetas eagerly look forward to the presentation of awards during Zeta Day, National Leadership Conference and Convention. ZTA recognizes both chapters and individuals for their achievements. National Council may decide at Convention to give additional awards to deserving recipients.

ALUMNAE INDIVIDUAL AWARDS: ANNUAL

Alumnae Certificate of Merit – This certificate is a national award presented at Zeta Day or other special event. Names and qualifications of those recommended for the Alumnae Certificate of Merit are presented to National Council for consideration at its fall meeting. The vote of National Council is required for approval. In order to be considered, an alumna must have been out of school for seven years and have a minimum of seven years of significant post-collegiate service. Alumnae may qualify in any of the following ways:

1. Serve as a collegiate chapter advisor over an extended period of time in a major advisory position or other significant service on behalf of a collegiate chapter as determined by National Council.
2. Make outstanding contributions to a collegiate chapter housing project (i.e., serving as a House Corporation/Association Officer).
3. Establish and/or sustain an alumnae chartered club/chapter as an Executive Officer (President, Vice President I, Vice President II, Secretary, Treasurer, Historian-Reporter).
4. Identify with ZTA while rendering outstanding service to Panhellenic or the community (i.e., service as an alumnae chapter’s Panhellenic Delegate or on a community board) on behalf of ZTA.
5. Render service to the Fraternity beyond what is expected of loyal alumnae.

Order of the Shield – This award honors those who have completed 50 years of Fraternity membership. In commemoration, these members receive a certificate and a White Violet pin as a gift from the Fraternity. These are traditionally presented at Zeta Day or a local alumnae function. The Order of the Shield Recognition Service should be held at that time. In addition, 75-year members receive a certificate and a White Violet charm from the Fraternity.

ALUMNAE INDIVIDUAL AWARDS: CONVENTION

Louise Kettler Helper Memorial Award – Established by the family of a beloved former National President to perpetuate and honor her memory, this award is given to one alumna and one collegiate member whose services and achievements are notable contributions to the progress of the Fraternity and the interfraternal world. It was first presented at the 1946 Convention. National Council chooses the recipients and awards mounted certificates. (See also Collegiate Individual Awards: Convention.)

Vivian Ulmer Smith Recruitment Award – Given in loving and enduring memory of Vivian Ulmer Smith (Alpha Xi Chapter, Indiana University) and established by the Northern New Jersey Alumnae Chapter, this award is given to the alumna who has made the greatest contribution toward increasing membership in the Fraternity during the biennium. The National Council selects the recipient.

Outstanding Advisor Awards – National Council selects an Outstanding Advisor for each of the three collegiate areas. Collegiate chapters submit nominations and the recipients are chosen for their outstanding service to the chapter and ZTA.

Honor Ring – The Honor Ring is the highest individual honor granted by the Fraternity and is presented to alumnae who have rendered sustained and outstanding service to the Fraternity. Representing devotion to the Fraternity, the Honor Ring bears symbols dear to every Zeta Tau Alpha. A point system has been devised to assist National Council in determining recipients. To be eligible to be considered to receive the Honor Ring, an alumna must accumulate at least 20 points, of which 50 percent must be for service at the national level. Names of alumnae who have accumulated the required number of points for the ring, with offices held and terms served, must be submitted to the Vice Presidents Alumnae by Jan. 1 of the Convention year. Points are not guaranteed, and the final decision on all candidates is made by vote of National Council. National Council may vote approval for the Honor Ring by assigning points for services not listed on the next page.

The Membership Enrichment Award is based on standards of character, personal conduct, social competence and cultural attainment, developed through programs that benefit the chapter and its members. The chapter receiving the award is judged on the following percentage basis: 30 percent standards of character and personal conduct, 20 percent cultural development, 20 percent social competence and 30 percent planned programs. This award reflects an attempt to instill a sense of responsibility on the part of individual members and to promote the desire of officers to maintain outstanding progress. The Merit Award is given to the chapter that has maintained and sustained excellent officer and campus leadership, academic achievement, chapter attitude and cooperation. Runner-up Merit Award silver trays are awarded to chapters ranking second and third.

**National Council Special Recognition Awards** – These rotating awards, represented by silver trays, are given only if there are qualified recipients. These awards were first presented at the 1966 Convention to individuals or chapters that National Council wishes to recognize for outstanding contributions to the Fraternity. Areas of excellence for which the awards are given may be different at each Convention.

**Nelly Galloway Shearer Achievement Award** – This rotating award is the second highest honor presented to a collegiate chapter. It is a rotating award, represented by a beautiful silver bowl. The original silver bowl was given to the Fraternity in 1939 by then National President Dorothy Hillix, to be used as the Grand Chapter Award. In 1941, the name was changed to the Achievement Award. The original award now is on permanent display in the Fraternity archives in celebration of its 50th Anniversary. At the 1988 Convention, the award was renamed in honor of former National President Nelly Galloway Shearer upon her retirement as Secretary-Treasurer. This award is given to the chapter that has, in the judgment of National Council, made the greatest progress or continued to maintain its high degree of excellence during the biennium. The percentage basis of the award is: 40 percent academic achievement, 30 percent activities and 30 percent good Fraternity programming. Runner-up Achievement Awards, which are represented by silver trays, are awarded on the same criteria as the silver bowl to chapters ranking second and third.

**New Member Programming Award** – This rotating award, represented by a silver tray, is given to the chapter whose program not only meets the requirements, but also exhibits the spirit of involvement. The following criteria are used in the selection:

1. New member program submitted to the Province President
2. Program developed as outlined in the *Guide to New Member Education*
3. Adaptability of program to chapter needs
4. Recognition of areas that need strengthening
5. High percentage of new members initiated
6. Program flexible to allow for variations within the new member class
7. New member/initiated member involvement
8. Positive Zeta Week program
9. Completion of Post-Initiate Education Program
10. New member class academic achievement

Sherry Server Tilley Leadership Award – This rotating award, represented by a silver tray, was first presented at the 1998 Convention to honor Sherry Server Tilley, former National President, for her sustained service to the Fraternity. It is awarded to a chapter that has developed or shown sustained excellence in leadership training. The chapter must have offered challenging and ongoing motivational training for its membership and have recognized outstanding leadership performance. As a result, the leadership will have had a positive influence in the well-being and success of the chapter. Any chapter having experienced a marked improvement as a result of leadership development is eligible without being a recipient of the Crown Chapter Award.

Vallera Clough Ross Panhellenic Award – This rotating award, represented by a silver tray, honors former National Panhellenic Conference Delegate Vallera Clough Ross. It is given to the chapter that excels in Panhellenic leadership and involvement on its campus.

Housing Awards: Convention

Housing Corporation Awards – These awards include the Outstanding Local House Corporation Award and the Outstanding FHC Member Association Award as selected by the Zeta Tau Alpha Fraternity Housing Corporation. These awards are based upon overall management, timely filing of all reports and forms, prompt payment of all fees, property care and a good working relationship with the collegiate chapter.

Nora Nell Hardy Jackson Outstanding House Director Award – Since 2002, National Council has selected an Outstanding House Director and honored her at Convention. Chapters with residential housing nominate candidates for this award, which is based on management of staff and budget, care of the chapter facility and relationship with the chapter members. Since most house directors are not Zeta Tau Alphas, this is the only Convention award given to a non-member. The award was named after former National President and ZTA Fraternity Housing Corporation President Nora Nell Hardy Jackson after her retirement from the FHC in 2008.
CONFERENCES

Zeta Tau Alpha has three conferences that unite chapters, National Officers and membership for sisterhood, education, idea sharing and training. Convention and National Leadership Conference convene once every two years on alternating years and have an international scope. Zeta Day is held within each state or region on an annual basis.

CONVENTION

The legislative power of the Fraternity is vested in the Convention, which meets biennially in a location selected by National Council.

Each collegiate chapter is required to have an official delegate present who has one vote, provided the chapter is in good standing. Only one voting delegate may officially represent each alumnae chapter in good standing. In addition, the right to vote will be accorded members of National Council, National Standing Committee Chairmen, Province Presidents, District Presidents, Traveling Leadership Consultants, five officers of the Zeta Tau Alpha Foundation, four officers of the Zeta Tau Alpha Fraternity Housing Corporation, and the Executive Director (provided that the Executive Director is a member of the Fraternity).

The voting members assemble at Convention to consider necessary revisions to the Constitution & Bylaws of Zeta Tau Alpha and to adopt recommendations and policies that will be binding upon the membership. The voting members also elect the members of the National Council and transact other important business. When not in session, the National Council may create, alter or implement policy.

Robert’s Rules of Order Newly Revised and the Constitution & Bylaws of Zeta Tau Alpha govern the procedure of the business meetings of Convention. A professional recorder takes verbatim minutes of all official business meetings.

Any Zeta in good standing may attend Convention and must pay her own registration fee. The biennial event consists of many social and educational opportunities in addition to the official business sessions. The program includes workshops, for collegians and alumnae to present and to share new ideas in chapter programming and activities, and seminars to discuss topics that are relevant for all attendees. Meals are festive affairs with speakers, songs, programs and many opportunities for Fraternity exchange. The most exciting aspect of Convention, however, is the association with Zetas of all ages from all areas of the United States and Canada. Attending a Convention is always an unforgettable experience.

Convention Committees – The National President is the Convention Chairman and, with the assistance of National Council, is responsible for the planning and implementation of the entire program. The Secretary-Treasurer serves as the business manager of Convention. The Convention Committee will be comprised of the Executive Director; National Ritual Chairman; an appointed Meeting Planner, Social Chairman, Transportation Coordinator, Awards Chairman and anyone else deemed necessary by National Council.

Other standing Convention Committees, as outlined in the Constitution & Bylaws of Zeta Tau Alpha, are Credentials, Resolutions, Recommendations and Nominating.

Convention Delegate Requirements: Alumnae Chapters – Each chartered alumnae chapter may send (at the chapter’s or the individual’s expense) an official and an alternate delegate, as well as visitors, to Convention. To be eligible for a Convention vote, the alumnae chapter must:

1. File all reports for the biennium with appropriate National Officers and International Office.
2. File tax information annually.
3. Be current in all financial obligations to the Fraternity and the Zeta Tau Alpha Foundation.
5. Have as a delegate a member who is in good standing with the chapter and with the Fraternity.
6. Have a full-time delegate for Convention.

Convention Delegate Requirements: Collegiate Chapters – Each collegiate chapter is required to send an official delegate to Convention and should send an alternate if possible (and if the budget permits). The official delegate is usually the chapter President. Failure to send an official delegate to Convention automatically places a collegiate chapter on probation. For each official collegiate delegate, the round-trip transportation and the basic hotel bill, as approved by the Secretary-Treasurer, are paid from...
the General Fund of the Fraternity. The registration fee is the personal expense of the delegate. For alternate delegates, chapter budgets often include amounts to help with expenses other than the registration fee.

To be eligible for a Convention vote, the collegiate chapter must:

1. File all reports for the biennium with appropriate National Officers and International Office.
2. Be current in all financial obligations to the Fraternity, the Zeta Tau Alpha Foundation and the Zeta Tau Alpha Fraternity Housing Corporation or Local House Corporation.
3. Have a full-time official delegate who is in good standing with the chapter and with the Fraternity.
4. Submit to International Office prior to Convention a statement, signed by the official delegate and witnessed by chapter officers and an advisor that stipulates: if the delegate fails to return to the chapter for the entire ensuing term, she will refund the amount of the Convention allowance provided her by the Fraternity.

Since it is customary for collegiate chapters to allocate funds for alternate delegates/visitors to assist with Convention expense, it is required that any person receiving such assistance sign an agreement with the chapter similar to the one filed by the official delegate.

It is the responsibility of the collegiate delegate to take notes throughout the Convention and prepare a report for her chapter. This report is sent to International Office during the summer and is copied for the Province President, Mentor, Director of New Chapters or Supervisor. After her approval and comments are received, the delegate should present the report to the chapter at an early fall meeting. A copy of the report should be placed in the chapter files for future reference.

**Financing Convention** – Convention expenses are financed from the General Fund of the Fraternity. Income is derived from annual fees from the collegiate chapters and Convention registration fees. Disbursements include National, District and Province Officers’ expenses; travel or transportation allowance and the basic hotel bill for the official delegate from each collegiate chapter; and general Convention expenses. When approved by National Council, National Committee Chairmen and special appointment expenses are also paid.

Collegiate chapters pay annual fees into the General Fund and, in turn, receive transportation allowances. This equals the Convention expenses for the chapters. By this method, the chapter located several thousand miles from the site of the Convention is not penalized by a large transportation bill while the chapter close by has a small transportation expense. Since the Convention site is in a different location each biennium, amounts that chapters contribute and receive are equalized over the years.

**Visitors** – Any Zeta is eligible to attend Convention, provided she is in good standing as a Fraternity member with no outstanding dues and fees owed to her collegiate or alumnae chapter and has paid her Convention registration fee.

**National Leadership Conference**

A National Leadership Conference for the training of Province Presidents, District Presidents, Traveling Leadership Consultants, Mentors, Directors of New Chapters, Supervisors, advisors and collegians is conducted under the leadership of the National Council. It is held during years alternate to Convention.

**Zeta Day**

Zeta Day is held annually for each District or state. Attended by both collegiate and alumnae members, Zeta Day is a one- or two-day event, educational and social in nature. Programs are held to stimulate and inspire interest in the Fraternity and to promote alumnae support and sisterhood. Zeta Day is the responsibility of District and Province Presidents. The District President appoints a chairman to organize and coordinate the activities. Generally, the geographical location and host responsibilities of Zeta Day are rotated among the alumnae groups in the District or state.
Constitution & Bylaws of Zeta Tau Alpha

As adopted at Convention, the Constitution & Bylaws of Zeta Tau Alpha are binding upon all members and chapters of the Fraternity. They may be amended by a two-thirds vote of the voting members of the Convention. The membership-at-large should submit proposed amendments to National Council by April of the Convention year for discussion and suggestions prior to submitting them to the Constitution Committee. By May 1, the Constitution Committee sends to all National Officers, collegiate and chartered alumnae chapters of the Fraternity all proposed amendments it considers advisable.

The Constitution Council, which consists of National Council, District Presidents, Province Presidents and members of the Constitution Committee present at Convention, meets prior to Convention to consider all proposed amendments and to decide upon the ones to be brought to the Convention floor. The Constitution Committee presents these recommendations to the Convention.

Following Convention, a list of corrections or a revised Constitution & Bylaws of Zeta Tau Alpha, is mailed to National Officers and to each chartered alumnae chapter (club, federation, etc.) and collegiate chapter. Each chapter and club may have ONLY ONE COPY of the Constitution & Bylaws of Zeta Tau Alpha. No member is permitted to give a copy of the Constitution & Bylaws of Zeta Tau Alpha to any non-member, any other organization or any college administrative officer without the written permission of the National President.
EXTENSION: THE ESTABLISHMENT OF NEW CHAPTERS

Extension, the activity that increases the number of collegiate and alumnae chapters, is the lifeline of the Fraternity. It links the past with the future and is necessary for the maintenance of a healthy and balanced National Fraternity. Growth is dependent upon the cooperative efforts of Zetas, both collegiate and alumnae.

ALUMNAE EXTENSION

Alumnae extension is the establishment of new alumnae organizations. The purpose of an alumnae organization is to further the interests of Zeta Tau Alpha locally and internationally through:

1. Promotion of closer bonds among all alumnae in the locality regardless of collegiate chapter affiliation.
2. Cooperation with collegiate chapters.
3. Cooperation and assistance to the Fraternity in all Fraternity projects.
4. Public relations efforts to increase the public’s awareness of Zeta Tau Alpha.
5. Membership and representation in the Alumnae Panhellenic.
6. Education of alumnae members about all aspects of the Fraternity, Panhellenic and the fraternity world.

Alumnae extension is the responsibility of the District President. She provides assistance and guidance to alumnae in her district in building interest among area members and in planning the beginning organization of each new group. She seeks travel approval from the Vice President Alumnae, and whenever possible, attends organizational meetings.

Alumnae Club – An alumnae club is formed with four or more interested ZTA alumnae in a community or geographic area. A chairman is the only officer necessary at first, but a President and Secretary-Treasurer are recommended during the organizational period. Once activity is stabilized, the officer list is expanded and committees are appointed.

Alumnae Chapter – As soon as an alumnae club or group of alumnae reaches a stable membership of 10 or more members in good standing and passes through a brief organizational stage, it may apply for chartered status. An alumnae chapter receives its charter in a special ceremony. Requirements for chartering are listed under the ZTA Fraternity National Procedures section “Alumnae Organizations, Operation of” on page 23.

COLLEGIATE EXTENSION

The Extension Director is continually monitoring desirable campuses on which to re-establish ZTA chapters or establish new ZTA chapters. Factors that contribute to such desirability are: favorable administrative attitude toward Greeks, student-body stability, full accreditation and acceptable academic standards, socially acceptable campus atmosphere, sufficient number of interested students to support a ZTA chapter, and adequate support from the ZTA alumnae in the area. An invitation to establish a new chapter usually comes in one of three ways:

1. A college campus with existing National Panhellenic Conference (NPC) groups notifies the NPC Extension Chairman that its local Collegiate Panhellenic (CPH) has voted to open for extension. The CPH announces its timeline for applications, presentation, selection and colonization for the campus in the NPC Extension Bulletin. ZTA’s Extension Director reviews these opportunities and National Council votes on which extension opportunities to pursue.
2. The administration of an accredited college or university, which has local sororities established, may permit the groups to seek national status or may grant permission for groups to organize with nationalization as their goal.
3. A new campus may receive full accreditation, and NPC groups are given the opportunity to establish chapters. In some cases, the college has changed from a two- to a four-year program.

It is imperative for the membership to understand that ZTA does not extend at the expense of present collegiate chapters. Zeta Tau Alpha also has an extension philosophy that states the reactivation of a chapter will be considered over the establishment of a new chapter.

If a member desires to suggest a college or university for possible extension, she should send a letter to the Extension Director providing as much information as possible about the campus. At such time as the campus opens to extension, and the NPC policies governing extension have been followed, Zeta Tau Alpha may then proceed. Letters or contact with a college or university to
express interest in the possibility of establishing a collegiate chapter, or to reaffirm ZTA’s interest, may only be sent by the National President or the Extension Director, or as the result of specific instructions from one of these officers. Letters do not commit Zeta Tau Alpha to a definite course of action. In many cases, however, interest must be a matter of record when the need to add another group develops or when permission is granted for national groups to establish for the first time.

METHODS OF ESTABLISHMENT

There are two methods by which new chapters may be established: Absorption and Colonization.

Absorption – When the Extension Director learns of the existence of an established club or local sorority on a prospective campus and NPC guidelines have been followed, she sends a letter of interest to the administration. After an invitation is extended, a ZTA representative visits the campus. The representative conducts an extension presentation to the members of the group and to college administrators. The group and the campus are evaluated according to ZTA standards and, if conditions are favorable, the group is encouraged to petition Zeta Tau Alpha. A petition is a simple statement indicating the members’ desire to become a chapter of Zeta Tau Alpha. Each member of the group signs the petition. When a petition is received, National Council must first vote upon it. If that vote is favorable, the collegiate and alumnae chapters in the state are asked to vote. Upon a favorable vote of these groups, the petitioning group is pledged and becomes a ZTA colony.

Colonization – After Zeta Tau Alpha has been invited by the local College Panhellenic and the university to colonize on their campus, the Extension Director is responsible for conducting membership recruitment for women interested in forming a ZTA chapter. At the end of the membership recruitment period, the women who pledge become a Zeta Tau Alpha colony.

A ZTA colony consists of a group of women who have been pledged to Zeta Tau Alpha and desire to become charter members of a new ZTA chapter. Each group remains a colony until it has attained the goals established by National Council.

The Director of New Chapters, who is a special appointment by National Council, will supervise a colony/new chapter for a period of three to five years, until the chapter is well established and may be released into the Province. It is the responsibility of the Extension Director to guide the Director of New Chapters in the planning and implementation of an organizational and educational program for each colony/new chapter as approved by National Council.

During this period, the colony is organized according to ZTA’s structure, becomes educated about ZTA and learns to adhere to ZTA policy. Traveling Leadership Consultants and local alumnae advisors conduct a new member education program and assist the colony in any area in which help is needed. Supplies needed for offices, rituals and the new member program are sent from International Office. National Council establishes goals for each individual colony. When the Extension Director determines that a colony has achieved these goals, she will recommend to National Council the approval of a colony for chartering. Specific goals are found in the Crown Chapter criteria listed previously in this manual. Some of the general categories include, but are not limited to, the following:

1. Officers function efficiently according to ZTA procedures
2. Financial obligations of the group and individual members are current
3. New member program is completed
4. Ability to compete and maintain the group on campus is established
5. Adequate alumnae assistance is present

When National Council believes the colony has made sufficient progress and is ready to accept full responsibility of being a chartered chapter, plans are made for an installation weekend filled with meaningful and inspirational ritual services, as well as social festivities. Initiation Services for charter chapter members and alumnae installation initiates are held prior to the installation of the chapter and officers. The Installation Banquet is the highlight of the weekend, often followed by a reception for the campus community. National representatives and area alumnae gather for the Installation, and a nearby collegiate chapter assists with the Initiation.

It is a tradition of the Fraternity that all Zetas wear turquoise and gray ribbons on the day a new chapter is installed. Also, all collegiate chapters are expected to send greetings to the new chapter. New colonies and chapters are announced in an electronic mailing, on the Fraternity website and in The LINK.

NAMING NEW CHAPTERS

Upon Installation, the new chapter is given a Greek name, denoted in Greek alphabetical order as the next link in ZTA’s Chain of Chapters. For example, “Alpha” is the first link, “Beta” is the second link, and so on.
Fraternity Finances

The careful management of national funds determines the growth and progress of the entire Fraternity. Every member supports the national funds of the Fraternity through collegiate and alumnae fees.

Zeta Tau Alpha Fraternity operates on a budget that is prepared annually by the Secretary-Treasurer and approved by National Council. International Office receives and disburses the national funds in accordance with the budget. At the end of each fiscal year, an audit of the financial records is made by an independent certified public accountant. The accountant performs interim work throughout the year.

Receipts

All receipts for the General Fund of the Fraternity are sent to International Office. Sources of receipts are as follows:

- Audit Fees (from collegiate chapters)
- Initiation Fees
- Insurance Fees (from collegiate chapters)
- New Member Fees
- Operating Fees (from alumnae chapters and clubs, includes insurance)
- Payments for supplies and merchandise purchased from Crown & Co.
- Chapter Per Capita Fees
- Province Dues
- Technology Fee

Disbursements

Disbursements of Fraternity funds are made in several categories:

Convention/National Leadership Conference – ZTA pays the travel, hotel and meal expenses for all collegiate chapter official delegates and approved Fraternity officers. ZTA also pays for other Convention and NLC expenses, including meeting rooms, awards, programs and flowers.

Installations – The Fraternity pays the expenses of chartering a new chapter (Initiation, banquet, reception).

Insurance – Collegiate and alumnae chapters are covered under the Fraternity group liability policy. Property insurance is handled in one of three ways: the Fraternity Housing Corporation purchases the coverage for the properties it owns or manages; a local house corporation handles the property insurance for its property; the Fraternity oversees the coverage of chapters with no organized housing assistance.

International Office – A professional staff is required to maintain the records of the increasing membership of collegiate chapters and alumnae groups. In addition to staff expenses, disbursements for office rent, maintenance and operating supplies are required.

New Chapters – Expenses incurred to establish a new chapter are paid by the Fraternity.

Office Expense of National Officers – Although no National Officers are salaried, an approved budgeted amount for their supplies is paid by ZTA funds.

Chapter Reporting Materials – Fraternity information and necessary reporting forms for all officers are updated twice each year and made available online at www.zetataualpha.org.

Publications – A lifetime subscription to Themis is included in the initiation fee as a part of Zeta Tau Alpha membership. A portion of the Initiation Fee defrays the cost of publishing. All manuals, programs and brochures used by ZTA chapters are prepared or selected under the direction of National Council or the National Panhellenic Conference. Some brochures and booklets are provided at no charge, while others are sold to chapters at the cost of publishing and shipping. The Link is distributed electronically.
Recruitment – The Fraternity pays membership recruitment expenses incurred while helping other chapters who are in need of special assistance with recruitment as approved by National Council.

Travel – ZTA National Officers visit chapters each year to work on various areas of chapter programming and leadership development. Travel is financed from the Fraternity’s General Fund. Chapters do not have to pay any of the expenses incurred by a Traveling Leadership Consultant, Province President, District President, Mentor, Director of New Chapters, Supervisor or National Officer visit, except when scheduled because of a risk management violation.

Archives – Expenses incurred to preserve the history of Zeta Tau Alpha

Technology – Expenses incurred to maintain and upgrade technology

Special Projects – Expenses to support special projects as determined by National Council

**Insignia & Symbols**

See pages 21-22 for additional explanation.
Insignia & Symbols

The insignia of the Fraternity are symbols of great meaning. They are a heritage from the past, significant because of what Zetas believe. Insignia that have secret meanings have their meanings revealed during the Initiation Service. Others are explained below (Listed alphabetically):

**Authorized Jewelers** – In order that the insignia of the Fraternity may be protected from imitation and only those who have the right to wear them may have access to them, the Fraternity selects authorized jewelers to handle orders for all official Fraternity jewelry.

**Badge** – The badge of the Fraternity is a small, black enameled shield super-imposed upon a gold shield, bearing a five-pointed crown with the letters ZTA arranged around it, and below it the word “Themis” in Greek. The proper placement is over the heart. No other pins or jewelry may be placed above the badge (including the chapter guard). Members may wear the badge on all occasions except when very casual or informal clothes are worn. Zetas must always be conscious of their behavior and the image they project as members of the Fraternity.

The badge is to be worn only as a badge and is not to be altered as other types of jewelry or manipulated. The badge may be plain or jeweled, depending on the member’s preference. The border of the badge may be composed of one kind of stone or a combination of two kinds of stones. The combination of more than two varieties of stones is not permitted.

Prices of badges are listed in the authorized jewelers’ annual price list. The only official die of the badge is filed with authorized jewelers and may not be made by any other companies.

Each member is required by the Constitution & Bylaws of Zeta Tau Alpha to purchase a badge. This is true even for a legacy who desires to wear the badge of a sister, mother, grandmother or aunt. (Zetas are expected to retain their badge for life.) It is understood by a signed agreement that each member’s badge is the property of the Fraternity. The price paid for it by the member represents the consideration for a life-leasehold of the badge. In the case of an expelled member, or one who withdraws her membership, the Fraternity has the right to recall the badge. When a member of the Fraternity dies, the member’s badge should be returned to IO.

No fraternity pin or any other insignia, other than the Greek letters indicating the chapter of the initiate (chapter guard), may be attached to the badge except the White Violet Pin, the Executive Director guard and the National Council guard. If a member wishes to wear the symbols indicating her past or current offices or achievements in the chapter, they may be hung on the chain that attaches the chapter guard to the badge.

**Badge, National President’s** – The National President’s badge is diamond-jeweled and reflects the size of the Founders’ badge that is larger than the standard badge in use today. The design of the National President’s badge, although larger, is the same as that adopted by the 1912 Convention and worn by all Zetas. The Fraternity presents this badge to each National President as she takes office, and it is her lifetime possession.

**Banner** – The banner of the Fraternity is rectangular and made of turquoise and gray satin. It bears the letter “A,” the word “Themis” in Greek and a burning torch. The meaning of the banner is secret, but it may be hung in a place that is visible to anyone entering a chapter house, suite, etc.

**Chain of Chapters** – A gold link inscribed “Alpha” begins Zeta Tau Alpha’s Chain of Chapters. Each time a new chapter is installed, a silver link, etched with the chapter’s Greek name and installation date, is added to the chain. This is a prized possession of the Fraternity and is housed at International Office.

**Colors** – The colors of Zeta Tau Alpha are turquoise blue (PMS 320) and steel gray (PMS 430). The significance of these colors is explained in the Initiation Service.

**Corporate Logo** – Zeta Tau Alpha’s corporate logo features the official colors of the Fraternity, as well as its most notable symbol, the five-point crown.

**Coat of Arms (Crest)** – Only initiated members may use this in any manner that is dignified and in good taste. The ritualistic meaning of the Coat of Arms is secret and is revealed to each member at the time of her Initiation.

**Crown** – The five-pointed Crown is an official symbol of the Fraternity. The significance of the five points is revealed to each member upon her Initiation. Many examples of crown artwork can be found within ZTA, and all are acceptable as long as the crown contains exactly five points.
Flag, Chapter – In honor of ZTA’s Centennial (1998), a flag was designed to honor each chapter. The flags are gray and turquoise with the chapter name in Greek letters. A flag will be made for each successive chapter upon its Installation. The flags are housed at International Office. They are used during the processional of the opening Convention business meeting.

Flag, Fraternity – The official flag of the Fraternity was adopted at the 1950 Convention. It is in the Fraternity colors with a Coat of Arms surrounded by the words “Zeta Tau Alpha.”

Flower – The flower of the Fraternity is the white violet. Its symbolic meaning is explained in the Initiation Service.

Guard, Chapter – Initiated members may wear the letter(s) indicating their chapter of Initiation, attached to the badge and hung lower and to the side of the badge. The chapter guard may be plain or jeweled.

Guard, Executive Director – Any initiated member who has served as Executive Director of the Fraternity is distinguishable by the pillar guard attached to her badge.

Guard, National Council – Members of National Council are distinguishable by the torch guard attached to their badges. The present National Council Guard, redesigned in 1978, emulates the burning torch depicted in the banner of the Fraternity. The torch guards are the lifetime possession of those qualified to wear them as current or former members of the National Council.

Honor Ring – Adopted at the 1915 Convention, the Honor Ring is silver with the Coat of Arms superimposed upon a turquoise stone, flanked on either side by an open Bible and the crown. The Fraternity, upon approval of National Council, shall award the Honor Ring. Presentation of the Honor Ring is based upon the provisions previously outlined.

Mother’s Pin – A turquoise and silver crown with a White Violet embossed upon it, this pin may be presented to mothers of initiated members and to ZTA house directors.

Official Seal – The official seal of the Fraternity is circular with fluted edges bearing the name of the Fraternity and the date of ZTA’s founding. It is used on official documents of the Fraternity. Replicas of the official seal may be used for decorative purposes.

Patron Goddess – In keeping with traditions of other Greek organizations, the Founders chose Themis to represent the Fraternity. In Greek mythology, Themis is one of the Titans, daughter of Gaea (Earth) and Uranus (Heaven), and the mother of the three Fates and the Seasons. The goddess of divine justice and law, Themis was the constant companion of the god Zeus and sat beside him on Olympus. In ancient art, she is represented holding aloft a pair of scales on which she weighs the claims of opposing parties.

New Member Pin – This pin is a silver carpenter’s square enameled in turquoise, to be worn by all duly pledged new members of the Fraternity. When a new member is initiated, leaves college, or ceases to be a new member, she must return her pledge pin to the Fraternity. The pin is the property of the Fraternity and is presented to the new member only for the term of her new member period. Should the new member lose her pin, it is her responsibility to pay for the purchase of another. New member pins must be purchased from IO.

The Purple of the Fraternity – The Purple of the Fraternity is the purple regalia, adorned with the torch and Coat of Arms, worn by the National President as a symbol of her office. It is worn at all official Zeta Tau Alpha functions, such as Convention business meetings and chapter Installations.

Recognition Pins – A recognition pin consisting of the Greek letters “ZTA” in gold may be worn by new and initiated members. The official crown recognition pin should be worn by initiated members only.

Strawberry – In the late 1890s, an admirer of one of ZTA’s Founders sent a gift basket of strawberries. The present prompted the group of nine friends to host its first purely social gathering and to become officially recognized as a campus organization at the Virginia State Female Normal School (now Longwood University).

25-Year Pin – To commemorate a quarter-century of membership, Zetas who have been initiated for 25 years may purchase this special piece of jewelry from the Fraternity’s authorized jeweler.

White Violet Pin (50-year pin) – Only those who have been members of the Fraternity for 50 or more years, and thus are recipients of the Order of the Shield, may wear this pin, which is in the shape of the White Violet. It may be worn as a recognition pin or as a guard to the badge.

White Violet Charm (75-year charm) – Those members who have been a member for 75 years receive this charm, which is in the shape of the White Violet with 75 superimposed upon it. It may be worn as a recognition charm.
The President and Secretary-Treasurer supervise International Office with daily direction coming from the Executive Director. The duties of the office staff are many and varied. Included in the functions of the International Office are:

1. Auditing collegiate chapters’ financial records
2. Processing new member information, Initiation and membership records; maintaining ZetaBase
3. Producing The LINK, Themis, Fraternity manuals and officer notebook materials; managing website
4. Processing orders and sending supplies to collegiate chapters, alumnae groups, officers and individual members
5. Corresponding with chapters, officers and individuals on a day-to-day basis
6. Keeping the financial records of individual members and the Fraternity
7. Handling the daily business and storing the records of the Zeta Tau Alpha Fraternity Housing Corporation and local House Corporations
8. Handling the daily business and storing the records of the Zeta Tau Alpha Foundation
9. Coordinating the Traveling Leadership Consultant program
10. Maintaining ZTA’s information technology, including the website and online reporting processes

Every Zeta is welcome to visit International Office. The national archives, historical files, the first issue of Themis and even the Founders’ Initiation Forms are kept there.

The efficient functioning of International Office depends largely on the proper reporting by all Zetas. It is important for collegiate and alumnae groups to process reports as outlined in the collegiate and alumnae master calendars, and it is especially important for all Zetas to keep International Office informed of any change in name and/or address.
NATIONAL COUNCIL

The Convention elects from the alumnae membership a nine-member National Council composed of the following: National President, three Vice Presidents Collegiate, two Vice Presidents Alumnae, Secretary-Treasurer, Extension Director and National Panhellenic Conference Delegate. National Council formulates the policies by which the Fraternity functions and coordinates the activities of the entire Fraternity. Names and addresses of current National Council members may be found on the Sisters Only portion of www.zetataualpha.org.

NATIONAL COUNCIL: MEETINGS

As set forth in the Constitution & Bylaws of Zeta Tau Alpha, National Council meets annually. Notice of such meetings must be sent to all chartered collegiate and alumnae chapters at least four weeks prior to the meeting. If necessary, special meetings may be called by the National President or by the majority vote of National Council, provided two-weeks notice of date and place is given in writing to the members of National Council.

When Convention so directs, three collegiate observers will be chosen by a collegiate vote to attend the annual meeting of National Council as non-voting observers. National Council will determine the method of voting.

At meetings, National Council reviews in detail the activities and progress of the Fraternity including:

1. Collegiate chapters
2. Alumnae chapters
3. Financial operations of the Fraternity
4. Extension developments
5. National Panhellenic Conference matters
6. Program planning
7. Issues pertaining to ZTA Fraternity Housing Corporation and the ZTA Foundation
8. Any other matters brought to its attention by officers or individual members
9. Special projects

FRATERNITY COMPENSATED APPOINTMENTS

The Fraternity offers compensated appointments, as listed below. National Council can also appoint other paid positions as needed.

Graduate Counselors – A Graduate Counselor (GC) is a Zeta who has been appointed by National Council to live with a chapter throughout a school year while pursuing her graduate studies. Her duties and responsibilities are similar to those of a Traveling Leadership Consultant, except she works with only one chapter.

If there is a chapter house, the Graduate Counselor is expected to live in the house. The local house corporation or the ZTA Fraternity Housing Corporation may provide for this expense. The Zeta Tau Alpha Foundation partially funds the Graduate Counselor program.

Qualifications for a Graduate Counselor include chapter officer experience, leadership ability, management skills, membership recruitment capability, enthusiasm, creativity, the ability to work with different types of people, and loyalty to ZTA. Information and applications pertaining to Graduate Counselor assignments may be obtained from International Office.

Traveling Leadership Consultants – A Traveling Leadership Consultant (TLC) is a recent graduate who devotes full time to ZTA responsibilities. She travels throughout the school year, visiting with collegiate chapters. Her duties include officer education, leadership development and organizational management. She may also supervise membership recruitment and assist with new chapters. Sometimes, a Traveling Leadership Consultant is asked to investigate the possibility of establishing a new ZTA chapter and to make an extension presentation.

Qualifications for a Traveling Leadership Consultant include collegiate chapter officer experience, membership recruitment ability,
enthusiasm, creativity, the ability to work with different types of people and loyalty to the Fraternity. These ZTA ambassadors are seasonal employees who travel throughout the school year with periodic vacation breaks. Travel usually begins in early August and is preceded by a period of job orientation and education. The Fraternity pays for expenses incurred in traveling and in performance of the job; in addition, a Traveling Leadership Consultant receives a salary for her services to the Fraternity. The Zeta Tau Alpha Foundation funds the portion of TLC expenses allowed by the Internal Revenue Service. This special funding includes leadership training and personal development.

Information and applications pertaining to TLC positions may be obtained from International Office. Applications and reference letters are sent to International Office in accordance with the deadline noted on materials sent in the fall.

**District and Province System**

To maintain the Fraternity as a closely knit, functioning unit and to provide each chapter with the supervision and assistance necessary to achieve the highest standards of chapter life, Zeta Tau Alpha is divided geographically into Districts and Provinces. It is the duty of National Council to determine the names and the boundaries of the Districts and Provinces and to make changes when necessary to keep an appropriate balance in the number of chapters within the Provinces and Districts. The collegiate chapters are grouped into three geographic areas and the alumnae chapters into two geographic areas. A Vice President supervises each area. The Vice President Collegiate or Alumnae is a chapter's direct link to National Council.

**Vice Presidents Collegiate** supervise the **Province Presidents** and the college chapters within their designated areas. (Map at right, top.) **Vice Presidents Alumnae** supervise the **District Presidents** and the alumnae organizations within their designated areas. (Map at right, bottom.)

Terms of office for members of the Advisory Board coincide with those of the chapter officers.

**Selection of Advisors** – Where there is an organized alumnae group, the alumnae Executive Committee should present to the collegiate chapter the names of the qualified persons available and willing to serve in advisory capacities. From this list, the collegiate chapter selects the advisors it desires and presents their names to the Province President, Mentor, Director of New Chapters or Supervisor for approval. **Election and Training** – The chapter bylaws outline specific procedures for selecting the Nominating Committee to be chosen three weeks prior to the date set for the election.

The Nominating Committee is appointed by the chapter President with approval from the Executive Committee and the Advisory Board. It consists of one representative from each class and/or a member at large. The General Advisor serves on the committee as an ex-officio member. The committee elects a chairperson.

The Nominating Committee meets with the General Advisor and prepares a recommended slate of elected officers. If it is necessary to consider for office a member who does not meet the eligibility requirements, the approval of the Vice President Collegiate and the Province President, Mentor, Director of New Chapters or Supervisor must be obtained before submitting her name to the chapter.

One week prior to the election date, the Nominating Committee presents its slate. The slate is read again at the time of election and nominations may be made from the floor. A quorum must vote, and the motion passes if two-thirds of the eligible voting members in attendance are in favor of the motion.

Collegiate chapter elections must be held one month prior to the officer installation date. During the month following election of officers, the outgoing officers remain in office and are responsible for conducting a thorough course of officer education for the new officers. It is the outgoing President’s responsibility to guide officer training and to utilize the Learn, Know, Lead: ZTA’s Guide for the President.

Installed offices are the President, VP II/New Member Coordinator, Recording Secretary, Treasurer, Historian-Reporter and Ritual Chairman.

**Vacancy in Office: Other Officer** – If a vacancy in any other office or chairmanship occurs, the President appoints a new officer with the approval of the Executive Committee, Advisory Board, and Province President, Mentor, Director of New Chapters or Supervisor.

**Removal from Office** – Any chapter officer, chairman or advisor who is not performing her duties, hinders the progress of the chapter and causes failure to reach its potential, can be removed from office by the Province President, Mentor, Director of New Chapters or Supervisor; the Executive Committee; or the Advisory Board.

Whenever National Council is aware of delinquency of performance on the part of a chapter officer or advisor, that body has the power to remove the officer and appoint another member to complete the term.

**Required Meetings** – Collegiate chapters are required to have weekly meetings during the school year. Three meetings a month should be devoted to conducting chapter business; one meeting a month should be devoted to required programming such as Standards/Risk Management, Links Member Enrichment, Fraternity Education, ritual service, etc. The Formal Entry Service shall be conducted at one meeting each month; new members should join the meeting after Formal Entry.

In addition, any requests for ZTA publications and manuals for someone other than a Zeta must be referred directly to the National President for approval prior to being supplied.

The Treasurer and Financial Advisor should make all committee chairpersons and officers whose activities involve expenditures aware of their budgeted allowances. No one is permitted to purchase articles and charge them to the chapter without securing the specific permission of the Treasurer beforehand.

Financial: Collegiate Chapters with Housing

National Council has adopted the following policies and procedures that apply to all chapters that provide room and meals for their members or have a chapter room:

1. If the chapter operates a house, it is the requirement that the members maintain capacity. It is the responsibility of the chapter to implement this policy. An individual’s failure to accept her responsibility will result in her loss of membership.
2. Members not living in the house will pay a Parlor Fee as their contribution to the operation of the house or chapter room. This fee will be billed on a term basis. These funds remain in the chapter treasury to help pay the rent, utility costs, etc., incurred by the non-residents’ use of the house.
3. Fixed charges must be set for guest meals and overnight guests. This includes members not living in the house, parents, alumnae, friends or members of other chapters.
4. Expenses connected with operating the food service, utilities and salaries are to be paid by the chapter Treasurer.
5. Each chapter or Local Housing Corporation with a loan from the Zeta Tau Alpha Fraternity Housing Corporation must make regular monthly payments on that loan. The Zeta Tau Alpha Fraternity Housing Corporation and Secretary-Treasurer determine the amount. Each Local Housing Corporation with a loan is placed under National Supervision of the Zeta Tau Alpha Fraternity Housing Corporation for the duration of the loan.
6. All chapters must carry Worker’s Compensation insurance on employees.
7. Room and board charges for members will appear on the regular bills issued by the chapter Treasurer.
8. The Secretary-Treasurer may approve a reduction in meal plan billing/out-of-house board for an individual member. Members must request this reduction in writing to International Office. Each member is allowed only one such reduction during her collegiate membership.
9. The chapter Treasurer will pay to the Local Housing Corporation or Zeta Tau Alpha Fraternity Housing Corporation the total amount budgeted for rent according to the Housing Agreement between the collegiate chapter and Fraternity Housing Corporation or Local Housing Corporation.
10. The total amount of the House Reserve Fund is to be paid by the chapter Treasurer to the Local House Corporation or Fraternity Housing Corporation by the due date established for each semester or quarter.
11. A sound, well-managed commissary operation should make a profit for the chapter. In any case, the food operation must be self-supporting. The following guidelines have been established:
   a. Raw food costs will be budgeted at approximately 50 percent of board charges.
   b. All kitchen supplies, paper products and other supplies necessary for meal service must be covered by the board income.
   c. Salaries for the House Director and all commissary employees must come from the board income.
   d. At least one-half of the utility charges should come from board income. A large well-managed food service should pay for most of the facility’s utility expenses.
   e. Permission to hire professional catering service for residential meals must be granted by the Secretary-Treasurer.

12. Annually, the Secretary-Treasurer and Zeta Tau Alpha Fraternity Housing Corporation do an analysis of rent, board, parlor fees and House Reserve Fund to determine if an increase is necessary to meet expenses.
13. Every chapter with a commercial kitchen, cook and/or a commissary food budget is required to have a meal plan. All members are required to pay out-of-house board as established for the chapter.

Housing

1. Zeta Tau Alpha Fraternity expects all collegiate members, new members, alumnae and guests to abide by all standards of conduct related to chapter housing.
2. Each individual chapter must develop local housing policies to ensure the safety, security, comfort and compatibility of its members.
3. Individual members or new members wishing to visit other chapter houses must contact the chapter in advance to
4. Every chapter must complete a Fire, Safety and Security Checklist each fall and send it to International Office on the date required.

5. Every chapter that has residential housing or is required by its university or college to fill a required number of spaces in campus housing must include in their bylaws a statement saying that it is the chapter’s responsibility to keep the facility filled. A member’s failure to fulfill her housing obligation will result in the termination of her membership and can result in legal action if her contract is broken.

6. Every chapter with a commercial kitchen, cook and/or a commissary food budget is required to have a meal plan. All members are required to pay out-of-house board as established for the chapter.

7. A chapter with residential housing or required spaces to fill in university or college housing must include in their bylaws a requirement for the Executive Committee of the chapter to reside in the chapter facility. Only the Province President or the Vice President Collegiate can give permission for an exception to this rule.

8. A chapter with residential housing or required university or college housing must establish in its bylaws a point system to establish who will live in the facility. The Province President must approve this point system.

9. Every chapter with residential housing or university/college housing must use the Fraternity approved housing or hall contract. This contract is not to be modified without the approval of the Secretary-Treasurer.

10. The Fraternity housing or hall contract is for rooms only. It cannot include other dues or fees.

11. It is strongly suggested that a chapter member who breaks her room contract be taken to small claims court by the chapter to recover lost income. If a contract is broken, no deposits may be refunded.

12. Zeta Tau Alpha no longer allows the establishment of Local House Corporations. Those Local House Corporations in operation on Jan. 1, 1999, may remain local corporations as long as they are in good standing within the state where they are incorporated.

13. House Associations are housing entities that are members of the Zeta Tau Alpha Fraternity Housing Corporation.

14. Each chapter whose housing is managed by the Zeta Tau Alpha Fraternity Housing Corporation or a Local House Corporation annually signs an agreement that outlines the housing responsibilities of the chapter and the corporation charged with its management.

15. National Council will decide which collegiate chapters with residential housing must have a live-in House Director.

16. Each chapter that has a House Director is charged with the responsibility of hiring and retaining its House Director. With the advice of its Financial Advisor, the chapter sets the salary. Only the Secretary-Treasurer can give permission for any additional compensation other than salary for the House Director. The House Director is in charge of the staff including its management, hiring and firing. The staff payroll is determined in the chapter budget.

17. Each spring (check Master Calendar), a chapter with a required House Director must send her signed contract to International Office.

18. Each spring (check Master Calendar), chapters with residential housing or required university or college housing must send to International Office a list of those who have signed housing or hall contracts for the coming school year.

19. Each chapter with residential housing or required university/college housing must send a copy of the signed housing or hall contract to the parents of each member entering into contract for room space.

20. Each chapter should have a Crisis Management Committee in place at all times. In those houses with required House Directors, the House Director should be a member of this committee.

21. Zeta Tau Alpha has comprehensive property insurance on each of its facilities and chapter possessions (i.e., ritual equipment, silver, furnishings, etc.). Should a loss occur, a claim should be filed with the insurance carrier within 24 hours.

22. Zeta Tau Alpha does not carry insurance on the personal possessions of individual members or House Director. Any personal loss should be covered by a homeowners or rental policy.

23. No political endorsements may be affixed to ZTA property.

24. No alcohol, marijuana, illegal drugs or drug paraphernalia are allowed in Zeta Tau Alpha facilities.

25. In ZTA-owned, leased or rented facilities, men are not permitted in the rooms of the residents unless approved by the Province President and Vice President Collegiate. The procedure for approval of open visitation is described in the National Policies of Zeta Tau Alpha on page 46.

26. The issue of smoking in ZTA facilities should be addressed in the chapter house rules. House rules must be approved by the Province President and may be incorporated into the chapter bylaws. If a House Director is not allowed to smoke in her quarters, this must be made clear when she is hired and must be stated in her contract.
27. No candles, incense or other open flames will be used at any time in any non-public area of the living quarters of Zeta Tau Alpha properties. Use of candles will be restricted in the common areas of the properties to recruitment and Fraternity rituals. During these times, use should be limited and closely supervised. Basic safety precautions should be taken, such as having a fire extinguisher available and people trained in its use. The use of dripless or battery-operated candles is preferred. Caution should be given when holding lit candles to ensure that members or guests do not back into a lighted flame. Safety must always be the first consideration when planning these special ceremonies.

28. There are to be no pets in a chapter facility. The Province President must approve any exceptions to this rule.

29. In those houses owned or managed by the Zeta Tau Alpha Fraternity Housing Corporation, mandatory room changes each term are not permitted.

**Housing: Hiring House Directors**

All Zeta Tau Alpha House Directors are engaged and dismissed by the collegiate chapter with the approval of the General Advisor. In considering applicants for the position of ZTA House Director, special consideration is given to those who have had courses in house director management, as well as successful experience in house director work.

**Initiations: Alumnae**

Occasionally, outstanding non-Greek women are recommended by Zeta Tau Alpha alumnae as Special, Convention or Installation Initiates. Alumnae of local sororities that have been absorbed by Zeta Tau Alpha are eligible to become Alumnae Initiates.

National Council must unanimously approve the recommendation of an Alumnae Initiate. Since approval is not automatic, no ZTA alumna should extend an invitation to a non-Greek woman until National Council makes its decision.

**Special Initiates** – ZTA alumnae may recommend outstanding women (including former ZTA new members and alumnae of local sororities absorbed by Zeta Tau Alpha, but excluding House Directors currently serving a chapter) from their communities for membership in Zeta Tau Alpha. A four-year period must have elapsed between the time any candidate for special Initiation left college and the time she is presented for Initiation.

**Installation Initiates** – Local alumnae may recommend women as Installation Initiates at the time a new collegiate chapter is to be installed. If a local sorority is initiated into Zeta Tau Alpha, its alumnae may be initiated at the same time. The member must complete the Recommendation for Alumnae Initiate Form (available from the District President) for each Installation Initiate, and send it directly to the Vice President Alumnae. The unanimous approval of National Council is required.

**Convention Initiate** – An outstanding woman may be initiated into Zeta Tau Alpha at Convention. The National President must receive recommendations by April 1 of the Convention year. Unanimous approval by National Council is required for Initiation.

**Alumnae Initiate Qualifications** – Each woman selected as an Alumna Initiate must be a woman who would bring pride to the membership and should have attained those attributes hoped for in each new member. It is highly desirable that she has attended an institute of higher learning, although it is not a requirement that she be a graduate.

The choice of an Alumnae Initiate candidate depends on local need. If a chapter needs a larger advisory board, the candidate should have shown interest and ability in working with collegians. It should be determined, without direct questioning, whether she would be in agreement with the policies of Zeta Tau Alpha, particularly if she is to work with collegiate women. A request by an alumna to initiate a woman should never be made only because someone is a dear friend or relative.

**Initiation Requirements to be Fulfilled for Alumnae Initiates:**

1. The proper form should be secured from International Office, the Vice President Alumnae or District President.
2. The form should be completed and signed by the Secretary of the alumnae group. This signature denotes approval by the local alumnae group. The form is not accepted without the signature. Electronic signatures are permitted.
3. If there is no alumnae group in the area where the candidate lives, an alumna in good standing may sign the form by hand or electronically.
4. In the case of Installation Initiates, the form is sent directly to the Vice President Alumnae, disregarding step five below.
5. In all other cases, the completed form should be sent to the District President for her signature. The District President forwards the form to the Vice President Alumnae.
6. The Vice President Alumnae will notify the District President of approval or denial.
7. The District President will notify the alumnae group or the alumna who signed the form of the decision.
8. If approval is granted by National Council, the prospective initiate should be approached by the petitioning alumna or alumnae group about becoming a member. If she accepts, she must be initiated within one calendar year of the date of approval.

9. The alumnae group Secretary or petitioning alumna is to notify the International Office of the prospective initiate’s decision about Initiation, by completing the Report Regarding Alumna Initiate (available from the District President).

10. When notified that a candidate has accepted, International Office will send the chapter a letter along with a Request for Permission to Initiate Form, Badge Agreement Form, a Badge Order Form, and the Membership Expectations and Obligations Contract. The alumnae group or alumna is responsible for sending the completed forms, the National Initiation Fee (which includes a plain badge), and additional payment for jeweled badge order to International Office two weeks prior to Initiation. Permission to initiate will not be granted until all forms and fees are in.

11. International Office will inform the collegiate chapter and the alumnae group or petitioning alumna when permission to initiate has been granted.

12. The alumnae group or petitioning alumna is responsible for arranging with the collegiate chapter to hold the Pledge Service and Initiation Service.

13. Initiation fees for Alumnae Initiates are the same as those currently paid by collegians. This fee includes the cost of a plain gold badge.

14. An Alumna Initiate who wishes to purchase a jeweled badge may deduct the current cost of a plain gold badge from the price of the chosen badge when the order is sent to International Office.

15. The alumnae should make certain the permanent Initiation Forms supplied by the chapter are completed at the time of Initiation. The collegiate chapter that performs the service is responsible for sending in the completed Initiation Form following the Initiation.

16. There are no new member fees for Alumnae Initiates.

17. The Alumna Initiate receives the new member workbook and binder, *Zeta is Forever*; the *Guide for Alumnae Initiates*; and other materials.

**Post-Initiate Education for Alumnae Initiates** – Just as a collegiate chapter conducts Post-Initiate Education (PIE) for its new members, an alumnae group provides special instruction for its Alumnae Initiates. It is the responsibility of the District President to provide them guidance in planning this educational program. The *Guide for Alumnae* and the *Guide for District Presidents* contain information and guidelines to be followed.

**Initiations: Collegiate**

Written permission to initiate must be received from International Office before any new member may be initiated into Zeta Tau Alpha Fraternity. Any chapter that initiates without approval is subject to disciplinary action by National Council.

**Requirements to be Fulfilled by Chapter**

Initiation must be held within two weeks of the conclusion of the new member program. Procedure for extension is found in the “Expiration of New Member Period” section of this General Manual. Any exceptions must have approval from the Vice President Collegiate.

Twenty days prior to Initiation, the chapter Secretary, in cooperation with the chapter Treasurer, must send to International Office the Request for Permission to Initiate. The request should include only those who are eligible and plan to be initiated.

A chapter that is delinquent in any of its financial responsibilities will be denied permission to hold Initiation. This includes any financial obligations to the ZTA Fraternity (New Member Fees, Initiation Fees, Chapter Supplies and all other fees due by the date of Initiation according to the Chapter Annual Calendar), ZTA Fraternity Housing Corporation or Local Housing Corporation, if applicable, (Rent, House Reserve Fund, Surplus and housing contracts) and ZTA Foundation.

Along with the Request for Permission, the following items must be complete:

1. The chapter sends a chapter check to cover the national Initiation Fee for each prospective initiate.
2. Each new member for whom initiation is requested must order a badge online and complete the online Badge Ordering Agreement.
3. Each new member for whom initiation is requested must have completed Part 1 of GreekLifeEdu™ or the alcohol education program.
4. The chapter must be current in its membership reporting.
The following reporting is done in ZetaBase:
   a. Monthly Membership Approval
   b. Formal Recruitment Statistics
   c. Formal Recruitment Assessment
   d. Fall Calendar
   e. Spring Calendar
   f. Officer’s List
   g. AACH Report

The following paper forms must also be submitted:
   a. VP I Programming Report
   b. Chapter Annual Report
   c. Certificate of Compliance
   d. Risk Management Affidavit
   e. Plan of Action
   f. Fire, Safety, Security Checklist
   g. New Member Programming Report
   h. Preliminary Recruitment Report

5. International Office must have received Membership Information Sheets and New Member Fees for the prospective initiates; otherwise, permission to initiate will be denied.

Requirements to be Fulfilled by New Member

1. The prospective initiate must be regularly enrolled in the college with which her chapter is associated at the time of Initiation.
2. A new member must sign the Member Expectations and Obligation Agreement and Risk Management forms.
3. A new member must complete the New Member Program with 90 percent attendance at all New Member meetings.
4. A new member must complete the New Member evaluation.
5. A new member must score 90 percent or better on the New Member final exam.
6. A new member must have memorized The Creed of Zeta Tau Alpha.
7. A new member must have cleared all financial obligations to the chapter and the Fraternity, including payment of Initiation fees, 20 days prior to the date set for Initiation.
8. Each prospective initiate is required to purchase a badge online and submit the online Badge Ordering Agreement.
9. A new member must complete an approved alcohol education program.

Requirements to be Fulfilled by Initiated Member

1. A member must be regularly enrolled in the college with which her chapter is associated.
2. A member must sign the Member Expectations and Obligations Agreement and Risk Management forms annually.
3. A member must be current in all financial obligations to the chapter and the Fraternity.
4. A member who is a part of a chapter with residential housing or university/college housing must fulfill all obligations of living in the housing. Failure to fulfill her housing obligation may result in termination of membership and can result in legal action if her contract is broken.
5. A member must meet the requirements set forth in the local chapter bylaws.

Membership Selection

Zeta Tau Alpha is an international social fraternity, organized and operating in the Christian tradition, that has chosen to adopt membership selection policies that do not discriminate based on race, creed, ethnicity, religion or national origin. ZTA is a private voluntary friendship organization, whose object is “to intensify friendship, to promote happiness among its members, and in every way to create such sentiments, perform such deeds and to mould such opinions as will conduce to the building up of a nobler and purer womanhood in the world.”

1. Zeta Tau Alpha is a self-perpetuating organization whose members are selected for their compatibility with the values of the fraternity and its members. Membership in Zeta Tau Alpha is intended to be a lifelong experience.
2. Zeta Tau Alpha seeks members from among those “of proven moral principles” and “with reputation of a refined and stable character.”

3. Membership in Zeta Tau Alpha is based upon mutual choice and acceptance between the potential member and the collegiate chapter. Membership is a privilege, not a right. With this privilege, responsible members must make certain that no potential member is hurt or embarrassed during the membership process.

4. A collegiate chapter shall have a signed, affirmative Membership Information Sheet before inviting a potential member to attend a ZTA preference event during Formal Recruitment and prior to extending a bid to membership in Continuous Open Recruitment (COR) or CROWN (Continue Recruiting Outstanding Women Now). Complete procedures for processing the Membership Information Sheet are in Ready, Set, Recruit: ZTA’s Guide to Planning, Polishing, Promoting and Pledging, and in the Sisters Only Resources section of the ZTA website.

5. No woman who has been initiated into another National Panhellenic Conference member group is eligible for membership in Zeta Tau Alpha. Dual membership shall result in forfeiture of membership in Zeta Tau Alpha.

---

**ZTA Legacy Policy**

- Every known legacy must be invited back to one invitational event (during Formal Recruitment) before being released.
- Every direct legacy (the daughter, granddaughter or sister of a Zeta) with a negative recommendation must be invited to one invitational event.
- Every indirect legacy (the relative with close family ties, such as the niece of a Zeta) must be invited to one invitational event as long as there is no negative recommendation filed for her.
- Direct legacies will be placed on the first Bid List or on the top of the second Bid List if they were not numerically placed on the first. If on the second Bid List, they shall be placed at the lower end of the Quota range. For example, if the Quota range is 20 to 25 and a legacy naturally falls to 28, she should be placed at 21.

---

**Membership Status**

**Transfer of Collegiate (Initiated) Membership** – Occasionally, a collegian will transfer from the campus where she was initiated into the Fraternity. It may be possible for her to affiliate with the ZTA chapter on her new campus.

Since Zeta Tau Alpha is a lifetime association, a member who transfers to a campus where there is a ZTA chapter is encouraged to seek affiliation with that chapter. However, the Fraternity realizes that personal circumstances prevent this in some cases, and, therefore, affiliation is not a requirement. In the same manner, the chapter has the privilege of voting whether or not to accept the transferring member. If a Zeta transfers to a school where ZTA does not have a chapter, alumnae membership is automatic and she is not eligible to join any other NPC women’s organization.

Procedures for processing the transfer of membership are as follows:

1. The collegian desiring to transfer must submit the Application for Transfer of Membership Form.
2. The collegian sends the completed application directly to IO, where it is processed and returned to the transferring member’s former chapter.
3. After the chapter President and Treasurer have checked the records to see that the member left the chapter in good financial standing (paid in full) and has met all obligations of membership in good standing, they sign the Transfer of Membership Form and return it to International Office.
4. If the chapter notes that the member did not leave in good financial standing, supporting data should accompany the form and be sent to IO.
5. When the signed transfer form is received at IO and the applicant’s good standing with the Fraternity is verified, the form is sent to the transferring member’s new chapter.
6. The new chapter will vote to accept or reject this Application for Transfer of Membership.
   - If the new chapter votes to affiliate the transferring member, the Treasurer updates her status in ZetaBase and the chapter conducts the Oath of Allegiance for Transfer Member Service (see the College Service Book). This concludes the transfer of membership procedure.
7. No chapter fees will be billed to a transferring member until the transfer process is completed. Until the transfer of membership is finalized and the member is accepted for affiliation, she may not attend chapter meetings and has no voting privileges. However, if invited, she may attend social functions by paying the regular fees for these events. Please refer all questions regarding this transfer procedure to IO.
The National Panhellenic Conference has passed the following resolution on the subject of affiliating transfer members: “Resolved, if a chapter is at Total and wishes to affiliate a transfer member, it may do so even though the addition of that member will put it over Total.” A member, who chooses not to affiliate with the local ZTA chapter or no ZTA chapter exists on the campus, cannot be a member of another NPC group.

**Return to Original Campus:** If a member leaves her original campus and is gone for more than two semesters/three quarters, the original chapter must vote to allow the member to return. The member must complete the affiliation paperwork outlined above.

**Withdrawal of Collegiate Membership** – In planning the chapter program for the year, the chapter Executive Committee should take care to meet the needs and expectations of all chapter members. This will help avoid situations in which a member feels a need to relinquish her membership in the Fraternity. Following are some of the reasons often given for withdrawal:

1. Financial difficulties that prohibit payment of Fraternity expenses
2. Lack of interest in or time for chapter activities
3. Conflict with Fraternity procedures
4. Personal conflicts
5. Influence of non-Greek friends

Often, a member will state financial reasons for withdrawal when the actual reason is one of the other concerns mentioned. In these cases, as well as when the actual reasons are given immediately, the chapters should make every effort to correct the problem. Contact the General Advisor and the Province President for guidance in counseling the member. In many instances, a member really does not want to withdraw, but mounting frustration causes her to consider this action. Knowing that her sisters care and want her because of her special qualities may be enough to change her mind.

In the event of financial difficulties, chapter officers should take action the first month the member finds herself unable to meet her Fraternity bills. Do not wait until a large bill to the chapter has accumulated. If the member refuses to accept any offered assistance, or is disinterested in continuing her Fraternity affiliation, she must withdraw her membership from her chapter and the Fraternity or face financial or judicial expulsion.

If, after all possibilities are exhausted, the member still desires to withdraw her membership, the following procedures must be followed:

1. The Membership Chairman reports the withdrawal through ZetaBase, stating the date of and the reason for withdrawal and sends the member’s badge and lifetime membership card to International Office.
2. The College Panhellenic’s regulation for reporting withdrawal of membership is followed.

Once membership is withdrawn, a former member may no longer attend chapter activities, meetings, social functions, membership recruitment functions or discussions; and she also has no chapter vote. If she resides in a chapter house, she must move out immediately. The reason for withdrawal or expulsion of a member is never given to non-Zetas; members should only make a statement to the effect that “she is no longer a member.”

**Warnings and Penalties** – A majority of Judicial Committee meetings will deal with first and minor offenses. In these cases, the committee may wish to use a “warning system” rather than imposing penalties. A warning gives the committee an opportunity to observe the member’s actions for a certain period. In cases of non-participation, for example, the committee may be able to encourage a member to become more active. At the end of the warning period, the committee should meet with the member again to finalize her case and, if her actions have not improved, decide on the appropriate penalty. Whenever possible, penalties should take a positive form. There are many positive ways to reprimand or discipline a member or new member. Consult the Province President or Vice President Collegiate for suggestions.

**Expulsion of Membership** – A member, collegian or alumna, may be expelled provided the procedures as stated in the Constitution & Bylaws of Zeta Tau Alpha and Judicial Procedures Handbook are followed. If the member is a collegian, the Membership Chairman should report the expulsion through ZetaBase. Also, the College Panhellenic’s regulations for reporting membership losses must be followed. If there is a chapter house, the expelled member must move out of the house immediately.

**Procedures for Financial Expulsion** – Financial expulsion may occur provided the exact procedures in the Constitution & Bylaws of Zeta Tau Alpha and Guide to Chapter Finances are followed.

**Reinstatement of Membership** – If a former member desires reinstatement of membership, a written request should be sent to the National President for consideration by National Council. The letter should clearly state the basis of her request for reinstatement. Before reinstatement is considered, all fees from the time of expulsion or withdrawal (and any due prior to that time) to date of reinstatement must be paid. Upon receipt of outstanding fees and the unanimous vote of National Council, the member and her chapter will be notified of the reinstatement. International Office will provide
information as to the amount due. A badge will be returned to her upon reinstatement. Reinstatement is the exception and not the general rule.

**Exceptions in Membership Status** – Zeta Tau Alpha does not recognize inactivity. Any member enrolled in college as an undergraduate pays appropriate fees or surrenders her badge and forfeits her membership in Zeta Tau Alpha.

**Full-Time Students** – Anyone enrolled in school and taking six hours or more, including student teachers, interns and co-op students, is considered a full-time student and is subject to all dues and fees of the chapter.

**Alumna Status** – A member graduating, withdrawing or transferring from school does not need to request alumna status. Alumna status is automatic providing she is current with her financial obligations.

Special alumna status must be requested to the Secretary-Treasurer in care of International Office. The Secretary-Treasurer and Vice President Collegiate will determine if this status is granted. Special alumna status is not automatic. Requirements for eligibility are:

1. **Fifth-Year Member** – Any member who has completed eight semesters or twelve quarters as a Zeta Tau Alpha new member and/or initiate, but who has not graduated, qualifies as a fifth-year member. If the member has not completed eight semesters or twelve quarters, but pledged at the earliest opportunity due to deferred membership recruitment, she may apply. Summer sessions do not count. Should a member wish to remain a member of the collegiate chapter, she may do so by paying full chapter fees.

2. **Marriage** – Any member who is married while attending school may apply for alumna status, effective the date of her marriage. She is expected to participate in chapter activities and pay full chapter fees until that time. If the member so desires after her marriage, she may continue her membership in the collegiate chapter as a participating and dues-paying member.

Special alumna status must be applied for at the earliest opportunity, as it is not retroactive. Collegians must follow these steps when requesting alumna status:

1. Complete the Request for Alumna Status Form available on the ZTA website in Sisters Only> Resources> Collegiate Chapter Treasurer and obtain signatures from the General Advisor and chapter Treasurer.
2. Send the request to International Office.
3. The chapter must receive approval from the Secretary-Treasurer before removing a member from its membership and financial records. Until approval is received, the member is liable for all chapter and national fees.

**Reduced Fees** – To be eligible for reduced fees, a member must live approximately one hour’s distance or more from the campus community, while participating in a college-sponsored program. Examples include: student teachers, interns, co-op students, foreign exchange students. The individual must complete the required reduced fee application and send to the Secretary-Treasurer, in care of International Office, along with the verification of the college-sponsored program. Approval will be granted by the Secretary-Treasurer with consultation of the Vice President Collegiate.

Reduced fees should be requested at the earliest opportunity, as they are not retroactive. Permission must be received in writing before any fees can be reduced. It is hoped the student teacher/intern will find the time to continue as a participating and dues paying member of her chapter.

**New Member Status**

**Expiration of New Member Period** – It is expected that each new member will be initiated within two weeks following the completion of the Fraternity’s New Member Education program and upon fulfilling the requirements of Initiation. If a woman fails to complete the program and meet the necessary requirements for Initiation, her new member status automatically expires. Permission to extend the new member status beyond the two weeks after completion of the New Member Education program must be requested by submitting a Request for Delayed Initiation form to the Vice President Collegiate. This form must be received and approved by the Vice President Collegiate prior to the date of Initiation. The form may be obtained from the Province President.

**Delayed Initiation** – It is expected that all new members will be initiated during the same semester in which they are formally pledged. If, due to University requirements or unforeseen circumstances, a chapter needs to delay Initiation to the next semester, permission is required from the Vice President Collegiate.

**Re-pledging** – Written permission of the Vice President Collegiate must be secured by the chapter prior to re-pledging within one calendar year of pledging. If permission to re-pledge is granted, the National New Member Fee must be paid again, and written approval from the Vice President Collegiate must be on file at International Office. A new member period extension is valid for one additional term only and is not renewable.
The National Panhellenic Conference has passed the following resolution on the subject of re-pledging: “A new member who has fulfilled the requirements for Initiation before the expiration of the one-year pledge term, but who has not yet been initiated, is not included in the year’s new Quota but is counted in the chapter’s Total.”

**De-pledging: Voluntary** – A new member may voluntarily terminate her new member status for various reasons, such as financial, health, lack of time or interest. In such situations, the following procedure should be observed:

1. The new member meets with the chapter President, VP II/New Member Coordinator and the New Member Advisor/General Advisor to discuss the reasons for wanting to de-pledge and to seek all assistance the chapter, alumnae or Fraternity might give.
2. If no satisfactory solution can be found, the new member returns her new member pin to the chapter.
3. The VP III/Membership Chairman will notify the Treasurer of the de-pledging, who will immediately report it in ZetaBase.
4. The College Panhellenic’s regulation for reporting de-pledgings is followed.

**Terminating Membership: Involuntary** – The status of a new member’s pledge period may be terminated by the chapter provided the procedures as stated in the Constitution & Bylaws of Zeta Tau Alpha and Judicial Procedures Handbook are followed. The VP III/Membership reports the termination in ZetaBase. The College Panhellenic’s regulations for reporting terminations must be followed also.

The National Panhellenic Conference states the following concerning broken pledges: “A student who has had her pledge broken by a fraternity or who has broken her pledge to a fraternity may not be asked to join another fraternity on the same campus for one calendar year from the date she was originally pledged. However, the same fraternity chapter may re-pledge her at any time within that calendar year.”

**New Members Transferring Schools** – New member status, unlike initiated member status, cannot be transferred from one campus to another. The National Panhellenic Conference states the following concerning transfer of new members: “When a new member who has been pledged but not yet initiated transfers to another campus, her pledge is broken, and she is eligible to pledge an NPC fraternity on that campus at the earliest opportunity.”

**ACADEMIC ACHIEVEMENT**

Zeta Tau Alpha expects its chapters to strive for academic excellence, not to be content with mediocrity. Every undergraduate Zeta is expected to maintain a record of academic accomplishment that is commensurate with her ability and to do academic work that represents her best efforts.

Each chapter should, in consultation with advisors and the Province President, establish a grade point average requirement for an individual member to remain in good standing and hold a chapter officer position. The chapter bylaws should outline the procedures for denying voting and social privileges for poor grades. Failure to meet the minimum grade point average as determined by the chapter should result in the member being brought before the Chapter Judicial Committee.

**Highly Commendable Achievement** – Chapters with a grade average for both initiates and new members of 3.0 or better are recognized for Highly Commendable Achievement.

**Commendable Achievement** – A chapter average of 2.9 is the criteria necessary for recognition as Commendable Achievement.

**Good Standing** – A chapter in good academic standing must have a grade point average of 2.5.

**Rating Systems** – Chapters with grading systems other than 4.0 will be rated at the discretion of the National Academic Achievement Chairman with approval of the National Council.

**Academic Probation** – Chapters with averages below 2.5 for two consecutive semesters or three consecutive quarters, will be automatically placed on Academic Probation. This probation will be lifted when the chapter is in good standing for at least two consecutive semesters or three consecutive quarters.

Chapters on Academic Probation will be expected to take immediate action to improve the average by:

1. Evaluating their entire chapter program to be sure that other activities are not detracting from academic achievement.
2. Submitting a detailed academic achievement program to the Province President and the National Academic Achievement Chairman for review and approval.
3. Sending at least one progress report to the Province President during each grading period.
Zeta Tau Alpha has several policies regarding standards of conduct, which are listed below. Zeta Tau Alpha is a member of FIPG, Inc. All members must follow Zeta Tau Alpha policy, which is inclusive of FIPG, Inc. policies. In instances where ZTA policy is more stringent than FIPG, Inc. guidelines, Zeta Tau Alpha regulations always take precedence.

**ALCOHOL AND DRUGS**

The possession, sale, use or consumption of alcoholic beverages while on chapter premises or during a Fraternity event, in any situation sponsored or endorsed by the chapter, or at any event an observer would associate with the Fraternity, must be in compliance with any and all applicable laws of the state, province, county, city and institution of higher education and must comply with either the BYOB or Third-Party Vendor guidelines.

There are four ways in which a Zeta Tau Alpha chapter could host an event with alcohol present.

1. **Third-Party Vendor at a venue**
   Form requirement: *Risk Reduction & Event Planning Checklist A* submitted FOUR weeks in advance of the date of the event

2. **Bring Your Own Beverage at a venue**
   Form requirement: *Risk Reduction & Event Planning Checklist A* submitted FOUR weeks in advance of the date of the event

3. **Third-Party Vendor at a men’s fraternity facility**
   Form requirement: *Social Events with Alcohol in Men’s Fraternity Facilities: Policy Waiver Application* completed once and renewed annually to International Office no later than TWO weeks after the first day of the semester, or TWO weeks prior to the semester’s first social event with alcohol (whichever is earlier)
   Form requirement if the waiver is approved: *Risk Reduction & Event Planning Checklist B* submitted TWO weeks in advance of the event

4. **Bring Your Own Beverage at men’s fraternity facility**
   Form requirement: *Social Events with Alcohol in Men’s Fraternity Facilities: Policy Waiver Application* completed once and renewed annually to International Office no later than TWO weeks after the first day of the semester, or TWO weeks prior to the semester’s first social event with alcohol (whichever is earlier)
   Form requirement if the waiver is approved: *The Risk Reduction & Event Planning Checklist B* submitted TWO weeks in advance of the event

Zeta Tau Alpha collegiate chapters and colonies will not attend co-sponsored events in a men’s fraternity facility unless the events are alcohol-free or the chapter or colony has received a waiver to attend an event pursuant to this policy.

A chapter may apply annually for a waiver to co-sponsor an event(s) with alcohol in a men’s fraternity facility IF:

1. The university’s policy (university, college, Panhellenic Council, and/or college Interfraternity Council, etc.) allows alcohol in the men’s fraternity facility(ies) AND the chapter has supplied written confirmation of the University policy allowing this;
   OR
2. The university (university, college, Panhellenic Council, and/or college Interfraternity Council, etc.) has no policy regarding alcohol in men’s fraternity facilities AND the chapter has supplied written confirmation from the appropriate University official that the university has no prohibitive policy.

Prior to co-sponsoring any events in a men’s fraternity facility or elsewhere, the chapter must receive a response from the National Officer supervising the chapter (Province President, Mentor, Director of New Chapters or Supervisor).

Contract Policy
Prior to signing a contract for a ZTA chapter event, the Risk Reduction & Event Planning Checklist A, B or E must be reviewed by one of the following: Province President/Mentor/Director of New Chapters/Supervisor. Additionally, all contracts may only be signed by the chapter President and must be reviewed and co-signed by one of the following: the General Advisor, another advisor of her choosing (in her absence), or the PP/Mentor/DNCH/Supervisor.

Defining Period for ZTA Collegiate Chapter Events
All official collegiate chapter ZTA events must occur while classes are in session as designated by the host institution’s academic calendar for the respective fall/spring semester or fall/winter/spring quarter. Events should not be coordinated or planned
during reading/finals week or winter/spring/summer breaks. Exceptions must be approved by the Vice President Collegiate/Extension Director. If the excepted event is held in a ZTA facility where a House Director is employed, she must be on premises. Example exceptions may include recruitment workshops, chapter retreats or sisterhood events. However, social events will not be considered or approved. Recruitment workshops immediately preceding Formal Recruitment are exempt from this requirement.

**Chapter Funds and Common Source Alcohol:** No alcoholic beverages may be purchased through or with chapter funds, nor may the purchase of alcoholic beverages for members or guests be undertaken or coordinated by any member in the name of, or on behalf of, the chapter. The purchase or use of a bulk quantity or common source(s) of alcoholic beverage (i.e., kegs or cases) is prohibited.

**Open Parties:** Open parties, meaning those with unrestricted access by non-members of the fraternity, without specific invitation, where alcohol is present, are forbidden. A guest list is required for all ZTA social events. ZTA allows for a maximum of two guests per member at events. The number of guests should not exceed the facility capacity.

**Former ZTA Members:** Former members of Zeta Tau Alpha may not be invited to or attend any Zeta Tau Alpha events.

**Purchasing for Minors:** No members, collectively or individually, shall purchase for, serve to or sell alcoholic beverages to any person under legal drinking age.

**Illegal Drugs and Controlled Substances:** The possession, sale or use of any illegal drugs or controlled substances while on chapter premises, during a Fraternity event or at any event that an observer would associate with the Fraternity, is strictly prohibited. No alcohol, marijuana, illegal drugs or drug paraphernalia are allowed in Zeta Tau Alpha facilities.

**Co-Sponsorship with Alcohol Distributor:** No chapter may co-sponsor an event with an alcohol distributor or tavern (“tavern” is defined as an establishment generating more than half of annual gross sales from alcohol) at which alcohol is given away, sold or otherwise provided to those present. However, a chapter may rent or use a room or area in a tavern, as defined above, for a closed event held within the provisions of this policy, including the use of a third-party vendor and guest list.

**Philanthropic Events:** Zeta Tau Alpha chapters are prohibited from holding philanthropic events and/or fundraisers in bars or in conjunction with any alcoholic beverage company, manufacturer, distributor or retailer. No philanthropy event or fundraiser may include alcohol, even if served legally, per Zeta Tau Alpha guidelines.

**Co-Sponsorship with Organizations:**
- **Purchase of Alcohol:** No chapter may co-sponsor, co-finance, attend or participate in a function at which alcohol is purchased by any of the host chapters, groups or organizations.
- **Organizational Insurance:** If a Zeta Tau Alpha chapter co-sponsors an event, the co-sponsoring organization must be adequately insured.
- **Co-sponsorship with Non-Recognized Organizations:** Zeta Tau Alpha chapters and colonies are prohibited from holding events with organizations that are not recognized by the college or university that hosts the charter.

**Dry Recruitment:** All recruitment activities associated with any chapter will be non-alcoholic. No recruitment activities associated with any chapter may be held at or in conjunction with a tavern or alcohol distributor as defined in this policy.

**Drinking Games:** No member or new member shall permit, tolerate, encourage or participate in “drinking games.” The definition of drinking games includes but is not limited to the consumption of shots of alcohol, liquor or alcoholic beverages; the practice of consuming shots equating to one’s age; “beer pong;” “century club;” “pub/bar crawls;” “dares;” or any other activity involving the consumption of alcohol which involves duress or encouragement related to the consumption of alcohol.

**Chapter and/or Senior Bar Crawls:** No member or new member may participate in any activity that involves traveling to multiple drinking locations.

**New Members and Alcohol:** No alcohol shall be present at any new member program, activity or ritual of the chapter. This includes but is not limited to activities associated with “Bid Day/Night;” “Big Sister/Little Sister” events or activities; “family” events or activities; and Initiation.

**Out-of-Town Social Events:** Zeta Tau Alpha does not allow weekend social events, nor does it condone out-of-town social events. In the event a chapter must hold a social function away from the college or university area, all members and guests attending shall travel to and from the event by bus or commercial transportation within the same day or evening. Exceptions are permitted only with written approval from the Vice President Collegiate or Extension Director.
When commercial transportation is used, no alcohol will be transported in the passenger compartment of the vehicle. No special privileges or boarding times for transportation should be given. This includes but is not limited to assigning a “senior bus” or “seniors to board first.”

**Sober Monitors:** Chapters must have a sober monitor program for ZTA-sanctioned events. This program should involve all members and new members. Sober monitors will not consume alcohol or illegal substances before, during or after the event. Sober monitor duties should include overseeing the function to make sure attendees are adhering to safe social practices and following policies. It is recommended to have one sober monitor per 10 to 15 attendees.

**Designated Drivers:** Designated driver programs are allowed when they are associated with a ZTA-Sanctioned Event. There should be enough drivers to accommodate the safe transportation of all members and guests. This program should involve participation of all members and new members on a rotation basis. Designated drivers must have a current driver’s license and personal auto insurance policy. The designated driver will obey all state, city and county safety and motor vehicle laws. The designated driver will not consume any alcohol or illegal substances before, during or after the event. No alcohol will be transported in the passenger compartment of the vehicle. Designated drivers are required from the start time to the end time of the event.

**Role of Chaperones:** Alumnae and/or advisors can serve as chaperones at ZTA social events. Their role is to monitor the event as a sober monitor. They should not serve in the capacity of bartender, sober driver, ID checker, etc.

**HAZING**

No chapter, colony, student or alumna shall conduct, participate in or condone hazing activities. Permission or approval by a person being hazed is not a defense. Hazing activities are defined as: “Any action taken or situation created intentionally, whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, harassment or ridicule. Such activities may include but are not limited to the following: use of alcohol; paddling in any form; creation of excessive fatigue; physical and psychological shocks; quests, treasure hunts, scavenger hunts, road trips or any other such activities carried on outside or inside of the confines of the chapter house; wearing of public apparel which is conspicuous or not normally in good taste; engaging in public stunts and buffoonery; morally degrading or humiliating games and activities; and any other activities which are not consistent with academic achievement, fraternal law, ritual or policy or the regulations and policies of the educational institution or applicable state law.”

Zeta Tau Alpha does not condone any form of hazing by any member, new member or alumnae member. Such activities conflict with the Fraternity’s ideals and traditions and project a negative image of the organization. ZTA collegiate chapters must develop new member programs that reflect the true meaning and high standards of sisterhood. These programs must not demean, embarrass or endanger members or new members.

**Scavenger Hunts:** No chapter may coordinate or participate in a scavenger hunt or similar activity (i.e., treasure hunt, photo quest, etc.). If a chapter’s host institution or a university organization sponsors a scavenger hunt as part of a recognized program, the chapter must contact International Office to discuss a possible policy waiver.

**EDUCATION**

Each fraternity shall annually instruct its students and alumnae in the Risk Management Policy of FIPG, Inc. (and Zeta Tau Alpha). Additionally, all students and key volunteers shall annually receive a copy of the Risk Management Policy, and a copy of the policy shall be available on the Fraternity website.

**FIRE, HEALTH AND SAFETY**

All chapter houses and facilities should meet all local fire and health codes and standards.

1. All chapters should post by common phones and in other locations emergency numbers for fire, police and ambulance and should have posted evacuation routes on the back of the door of each sleeping room.
2. All chapters should comply with engineering recommendations as reported by the insurance company or municipal authorities.
3. The possession and/or use of firearms or explosive or incendiary devices of any kind within the confines and premises of the chapter house is expressly forbidden.
4. No alcohol, illegal or controlled substances are allowed in ZTA facilities.
**SEXUAL ABUSE AND HARASSMENT**

The Fraternity will not tolerate or condone any form of sexist or sexually abusive behavior on the part of its members, whether physical, mental or emotional. This is to include any actions, T-shirts, social themes, activities or events, whether on chapter premises or an offsite location, which are demeaning to women or men, ranging from but not limited to verbal harassment to sexual assault by individuals or members acting together. The employment or use of strippers, exotic dancers or similar, whether professional or amateur, at a fraternity event as defined in this policy is prohibited.

**GENERAL POLICIES**

**Canister Solicitations (Canning):** Canning involves a member standing in a community location holding a container and asking passersby for money to go toward a cause. Chapter members are prohibited from canning more than 30 days prior to the chapter’s primary fundraising event each year. For chapters that choose to raise funds through this method, members may only participate in canning in the chapter’s university community and must follow city and state laws. If a chapter’s host institution or a university organization sponsors canning periods outside of the 30 day window as part of a recognized program, the chapter must contact International Office to discuss a possible policy waiver.

**Circularizing:** It is forbidden to circularize the Fraternity membership (i.e., sell, mail or email to canvas opinions or support for any subject, including soliciting for philanthropic causes, business ventures or political campaigns, or to use the mailing list for personal gain or financial gain) without the permission of the National President. Use of the ZTA mailing list for purposes other than approved Fraternity business is strictly forbidden.

**Endorsements:** No member (initiated or new) of Zeta Tau Alpha Fraternity will authorize or permit the use of her writings, photograph, picture or other likeness for commercial purposes or for publicity purposes in any way identifying herself with ZTA Fraternity unless such use is first approved by National Council.

**Housing:** Each chapter must keep its living space filled to capacity. It is the responsibility of the chapter to implement this policy. Members may not make alternate living arrangements when vacancies exist in ZTA-provided housing. An individual’s failure to accept her responsibility will result in her loss of membership. Every chapter with a commercial kitchen, cook and/or commissary food budget is required to have a meal plan. All members are required to pay in-house/out-of-house board as established for the chapter.

**Men’s Auxiliary:** Because men’s auxiliary organizations are contrary to the mission and purpose of Zeta Tau Alpha and pose a threat to the future of our existence as a single-sex organization, chapters or individual chapter members will not maintain, establish or belong to men’s auxiliary organizations.

Additionally, members of Zeta Tau Alpha should not participate in men’s fraternity events when or where the primary purpose is recruitment.

**Open Visitation:** In ZTA-owned houses, men are permitted in the residents’ rooms only upon annual approval of the Province President and Vice President Collegiate/Extension Director. The chapter must submit its application with a specific plan for visitation, including days and hours requested, each chapter member’s signature and information regarding the visitation policies of other NPC chapters on the campus. A 90 percent vote of those living in the chapter house in addition to a 90 percent vote of the chapter-at-large is required for this application. Permission for visitation hours must be requested and approved annually and is not in effect until written permission has been received. All ZTA policies remain in effect during visitation times.

**Trademark and Licensing:** The name “Zeta Tau Alpha,” the letters “ZTA,” the word “Themis,” and the design of our Coat of Arms are registered trademarks of Zeta Tau Alpha Fraternity. The word “Zeta” or “ZETA” is a general brand name for Zeta Tau Alpha. The terms “Think Pink,” “Think Pink. Think Zeta.” and “Take Charge. Think Pink.” are registered trademarks of the Zeta Tau Alpha Foundation. ZTA has an approval right over all designs and products that depict any of these trademarks.

Members have the honor of displaying Zeta Tau Alpha trademarks; only initiated members may wear the Coat of Arms or the Crown Recognition Pin. Members do not receive ownership of Zeta Tau Alpha trademarks. Furthermore, members of ZTA do not have the right to authorize vendors to produce trademarked merchandise.

In order to safeguard the appropriate use of our federally registered trademarks and to guarantee quality products, Zeta Tau Alpha is one of many Greek organizations that have entered into a trademark licensing agreement with Affinity Marketing Consultants. All commercial use of Zeta Tau Alpha’s trademarks must be administered through a license agreement with Zeta Tau Alpha.
Members of Zeta Tau Alpha shall obtain items of official Zeta Tau Alpha insignia and any items or products bearing a designation or representation of the name(s) "Zeta Tau Alpha Fraternity" and "Zeta Tau Alpha," Greek letters, Coat of Arms, corporate logo, seal, member badge and other marks determined by the Fraternity from time to time, only from those persons or companies specifically authorized by the National President.

Chapters wishing to use the terms “Think Pink®,” “Think Pink. Think Zeta.®”or “Take Charge. Think Pink. ®” must receive advance permission from the ZTA Foundation. Permission forms are available from the Foundation and on the ZTA website.

We encourage members of Zeta Tau Alpha to support our organization and buy exclusively from Crown & Co. and officially licensed Zeta Tau Alpha vendors.

The use of any Zeta Tau Alpha trademark on any product or design that attempts to glorify alcohol, hazing, sexism, racism or any other image that conflicts with the ideals and principles of the Fraternity is prohibited.

Zeta Tau Alpha will not license any form of glassware (i.e., wine glass, shot glass, beer mug), even if they are marketed as flutes, collector’s glasses, mugs, etc.

No pictures that show alcoholic beverages may display the words Zeta Tau Alpha or ZTA on the printed photograph.

Zeta Tau Alpha will also not license any form of paddle.

**Website:** Responsible use of the Internet is incumbent upon every member of the Fraternity. Inappropriate use of language or the sharing of sensitive Fraternity information (i.e., rituals or information revealed to members through rituals) on a chapter website, the national Fraternity website or other Internet avenue is strictly forbidden.

**Internet, Electronic Mail Service and Social Media Policy:** Any individual or entity who creates or maintains a Zeta Tau Alpha website on behalf of a colony, chapter or an individual member, and any individual or entity using the Zeta Tau Alpha name or letters in Internet communications (i.e., email accounts, mailing lists, bulletins, social networking sites, co-sharing sites, chat rooms, discussion groups, etc.) shall comply with the following terms and conditions. Zeta Tau Alpha Fraternity reserves the right to (although it shall be under no obligation to) remove links or access to sites that do not comply with these policies.

1. All websites and Internet communication (services) shall comply with any and all appropriate federal, state and local laws; college and university rules and regulations; National Panhellenic Conference rules and regulations; and the Constitution & Bylaws of Zeta Tau Alpha and policies.
2. Services shall not be used in a way that defames, abuses, harasses or threatens other individuals.
3. Services shall not contain material that is obscene, pornographic or otherwise offensive to a person of ordinary sensibilities.
4. All services shall promote a positive image of college students, alumnae, the college/university and ZTA.
5. No services shall include links to personal/commercial sites that are inconsistent with the values and standards of ZTA.
6. Services shall not include product endorsements or other personal/commercial advertising unless approved in writing by the National President.
7. Services shall not include any copyrighted material from other sources or trademarks owned by third parties without the express written consent of the copyright or trademark owner.
8. Services shall include no references to alcohol, illegal drugs or hazing with the exception of educational material about these issues.
9. Responsible use of the Internet is incumbent upon every member of the Fraternity. Inappropriate use of language or the sharing of sensitive Fraternity information (i.e., rituals or information revealed to members through rituals) on a chapter website, the national Fraternity website or other Internet avenue is strictly forbidden.
10. All services shall be in good taste and conform to all Zeta Tau Alpha policies.
11. All information provided on chapter and colony websites shall be kept as up-to-date as possible. If possible, each website shall provide the ZTA email address (zetataualpha@zetataualpha.org).
12. For safety and public concerns, members should avoid publishing personal information such as addresses, telephone numbers and personal calendars on websites.

**Open Flames:** No candles, incense or other open flames will be used at any time in any non-public area of the living quarters of Zeta Tau Alpha properties. Use of candles will be restricted in the common areas of the properties to recruitment and Fraternity rituals. During these times, use should be limited and closely supervised. Basic safety precautions should be taken, such as having a fire extinguisher available and people trained in its use. The use of dripless or battery-operated candles is preferred. Caution should be given when holding lit candles to ensure that members or guests do not back into a lighted flame. Safety must always be the first consideration when planning these special ceremonies.
The Fraternity takes great care in the editing of Themis and the writing and updating of all manuals and publications of the Fraternity. Materials for Themis and other matters related to publications should be sent to the Communication Department at International Office. Official ZTA publications are as follows (listed alphabetically):

**The History of Zeta Tau Alpha, 2009** (Three Volumes) – The History relates the Fraternity’s founding and early days and continues the story of ZTA’s development in all phases of its organization. Updated periodically, it covers the establishment and growth of the Fraternity’s long Chain of Chapters, Conventions and Constitution & Bylaws changes.

It is distributed electronically from International Office and contains reports, announcements and ideas from National Officers and committee chairmen.

**Themis** – The official magazine of the Fraternity is published four times a year and contains news of collegiate and alumnae groups. It is the right of each Zeta Tau Alpha to receive Themis for her lifetime; however, members must select that they would like to continue reading the magazine on the Sister’s Only site seven years after Initiation. Any member in good standing may request reinstatement to the Themis mailing list at any time.

Rituals of the Fraternity

From its founding in 1898, the innermost meanings of Zeta Tau Alpha Fraternity have remained unchanged through the preservation of and respect for our rituals—the one common bond of all Zetas everywhere. Ritual services should be included regularly in both collegiate and alumnae programming to reinforce the purpose and ideals of our Fraternity. These services must be held in locations that afford privacy, unless they are considered Open Rituals. All ritual services must be conducted without deviation as directed in the College Service Book or Alumnae Service Book.

All ritual robes and equipment, the Guide to Post-Initiate Education, and the College Service Book and/or Alumnae Service Book must be kept in a locked chest or closet.

The use of the Coat of Arms is reserved for those who have been initiated into the Fraternity. New members may use the Greek letters ZTA.

The following ritual services used by collegiate chapters and contained in the College Service Book are all closed services except where indicated: Formal Entry; Ribbon-Pledge Service; Pledge Service; Big Sister Service; Initiation Service; Oath of Allegiance for Transfer Member; Rededication Service; Installation of Officers; Founders’ Day Service (open); House, Room, or Suite Dedication Service (open); Installation of Chapter; Reactivation of Chapter; and Remembrance Service (open). Alumnae Initiation Service is conducted by alumnae.

The following ritual services used by alumnae chapters, clubs and associations and contained in the Alumnae Service Book are all closed services except where indicated: Alumnae Charter Presentation Service; Alumnae Initiation Service; Installation of Alumnae Officers as a Group; Installation of Alumnae Officers Individually; Installation Service for a Federation; Service for Opening Alumnae Meetings; House, Room, or Suite Dedication Service (open); Founders’ Day Service (open); Order of the Shield Recognition Service (open); and Remembrance Service (open).

The Memorial Service and Installation of National Council are held at Convention.

The ritual services generally used by National Officers on special occasions are: Installation of a Collegiate Chapter; Installation of Collegiate Chapter Officers; Reactivation of a Collegiate Chapter; and House, Room or Suite Dedication Service.

Initiated members of Zeta Tau Alpha may attend all of the ritual services of the Fraternity. New members and non-member guests of Zeta Tau Alpha may attend the following: Chapter House, Room or Suite Dedication Service; Convention Memorial Service; Founders’ Day Service; Order of the Shield Recognition Service; and Remembrance Service.

Proper Ritual Attire – Conformity of ritual dress is an important part of keeping ZTA heritage and ideals for future ZTA members. The attire for ritual services is designated for the aesthetic contribution, and also for practicality. Whenever white dress is required, it means pure, chalk white. None of the following are acceptable: beige, cream, white with colored trim, white with a colored or metal belt, buttons or buckles. Whenever white is required for a service, no jewelry is allowed except for wedding and engagement rings. The badge and Honor Ring are considered part of the service and may be worn. The following indicate proper attire for specific rituals:

1. **Pledge Service** – Chapter members may wear either long or short white dresses. White shoes are to be worn. There must be no other color to detract from the setting. No robes may be worn at this service.
2. **Big Sister Service** – All members and new members are attired as for the Pledge Service in white dresses and white shoes.
3. **Formal Entry** – Must be held at least six times per year. Members may wear badge attire.
4. **Initiation Service** – This is the most formal of all the services. Either all-white dresses or uniform white robes must be worn. White socks or white ritual sandals are worn to maintain quietness and safety.
5. **Rededication Service** – This service recalls the beautiful ideals of our Fraternity, and the same attire is required as for the Initiation Service.
6. **Installation or Reactivation of a Chapter** – This service requires white dresses and white shoes.
7. **Installation of Officers** – White dresses and white shoes are worn.
8. **Founders’ Day Service** – Appropriate dress is expected out of respect for our Founders. Since it is an open service and visitors may attend, white dress and shoes are not required, but preferred.
9. **Memorial Service** – White dresses and white shoes are required for this service, which is open to visitors. This service is conducted at Convention to honor those members deceased since the last biennial meeting.

White is not required for the following services: Formal Entry; Ribbon-Pledge Service; Oath of Allegiance for Transfer Members; Remembrance Service; House, Room or Suite Dedication Service; and all services in the Alumnae Service Book.
Traditions of Zeta Tau Alpha

Associations – Zeta Tau Alpha has no “brother” fraternity.

Blessing – The “Zeta Prayer” is sung before dinner in chapter houses and at other appropriate times when Zetas are together.

Correspondence – The secret signature is used only between initiated members in private correspondence.

Courtesy – When an alumna enters a room with a collegian present, the collegian should stand to show respect. The collegian may sit when acknowledged by the alumna.

Deceased Members or New Members – Upon the death of a member or new member, members and new members of her chapter will wear a black ribbon below their badges or new member pins for three days. The chapter may conduct the Remembrance Service. The entire Fraternity follows this custom when the deceased is a member of National Council. The Memorial Service is performed at Convention to honor all members deceased during the biennium.

Founders’ Day – Alumnae and collegiate chapters celebrate the founding of Zeta Tau Alpha with an appropriate function on Founders’ Day (Oct. 15). On this day, the Founders’ Day Service is given and guests may be invited to attend. The National President issues an annual Founders’ Day Proclamation to be read, and turquoise and gray ribbons are to be worn below the badge by all Zetas.

Image – There is no stereotype of Zeta Tau Alpha. The goal is for chapters to be made up of women with individual talents and interests. The Founders specified that a member be intelligent, have a sincere interest in spiritual things, be of good moral character and be dedicated.

Installation Greeting – Each chapter sends a message of greeting to a new chapter at the time of its installation. All members and new members wear turquoise and gray ribbons below their badges and new member pins on the day of an Installation Service, in recognition of Zeta Tau Alpha’s newest chapter. Installation dates are announced through a special mailing and on the Fraternity website.

Procession of Flags – A representative from each collegiate chapter carries her chapter’s flag at the opening processional of Convention. This tradition of Zeta Tau Alpha began at the 1998 Centennial Convention.

Recognition Banquet – Since 1939, a Recognition Banquet has been part of Convention. At this time, recognition is given to chapters and individuals that have attained a record of achievement and service.

Silver Baby Cup – Each new collegiate chapter is presented with the silver baby cup as part of the Installation Banquet. The uniqueness of this baby cup tradition is that it is rotated to each subsequent new chapter. Once a new chapter is chartered, its name is added to the cup. This chapter maintains possession of the cup until the next new chapter is installed. Also, each new chapter receives a silver punch bowl and tray as a gift from the Fraternity. At Convention, a keepsake baby cup is presented to all new alumnae and collegiate chapters added during the biennium in honor of their installation to our Chain of Chapters.
Correct ZTA Terminology

In addition to the customs that have grown into the traditions of the Fraternity, good taste dictates modes of conduct and forms of speech as correct for all up-to-date Zeta Tau Alphas:

**Chapters** – Chapters are referred to as “collegiate chapters” and “alumnae chapters.” Collegiate chapters are designated by letters from the Greek alphabet, and alumnae chapters are designated by a geographical name.

**Disclosure** – Zetas do not discuss chapter business outside of the chapter or in the presence of non-Zetas; Zetas do not criticize their Fraternity or its members in the presence of non-Zetas; Zetas do not speak disparagingly of other fraternities or their members.

**Fraternity** – Zeta Tau Alpha is known as a fraternity, not a sorority. A “fraternity” is an organization whose members have banded together for reasons of common interest and mutual benefit. There is usually some element of secrecy in its design. Some women’s organizations prefer “sorority,” while others designate the use of “fraternity.” It was the intent of the Founders, and confirmed by action at two early conventions, that Zeta Tau Alpha be designated as a “fraternity.” This was done to distinguish our organization from the sisterhoods organized in connection with men’s fraternities, called “sororities.”

**Introductions** – The titles of National Officers and committee chairmen are used in formal introductions.

**Members, All** – Members and new members are spoken of as “Zeta Tau Alphas,” as “ZTAs” and as “Zetas.” Never is a member or new member called a “Zeta Tau.” A recently pledged woman is referred to as a “new member” (not a “pledge”) until the time of her initiation. An initiated member is referred to as a “member.”

**Members, Alumnae** – A female member who is out of college is an “alumna,” not an “alum.” The plural of “alumna” is “alumnae.” This is used when referring to members of women’s organizations. The correct pronunciation of “alumnae” is (a-lum-nee), rhyming with “we.” “Alumnus” is the singular for men; “alumni” is the plural. “Alumni” is used also as the collective term for all college graduates, male and female.

**Members, Collegiate** – Members are called “collegians” or “members” while they are in college. “Collegian” is a noun and “collegiate” is an adjective. Thus, Suzy is a collegian, and her collegiate chapter is Alpha. Use of the term “active” is not proper since it implies “inactivity,” which is not recognized by Zeta Tau Alpha.

**Pronunciation** – The proper pronunciation of “Tau” in our Fraternity’s name is “Tau” as in “Paw,” not “Tow” as in “Cow.”

**Recruitment** – The process formerly known as “rush” is now called “recruitment.” Formal Recruitment may be held in the fall or deferred until the following semester, depending on the campus. It is a time to interest “potential new members” (formerly “rushees”) in Fraternity membership.

**Recruitment Styles**

- Fully Structured Recruitment – a recruitment style that is most like the traditional Formal Recruitment designed with an established format of events and rounds that highlight the positive aspects of sorority life. Held in the fall or deferred until the following semester.
- Partially or Minimally Structured Recruitment – recruitment events established within a more loosely defined time frame. Potential new members are required to attend each sorority once so they will become aware of options and afford each sorority the opportunity of making a favorable impression.
- Continuous Open Recruitment – recruitment which has no structure, but allows chapters to offer bids to potential new members through the school year.

**Fundraising Campaign**

The Zeta Tau Alpha Foundation, Inc. conducts an annual fundraising campaign that includes direct mail appeals, special mailings, matching corporate gifts, Zeta Day competition, deferred gifts and honorary and memorial gifts allowing every Zeta, collegian and alumna, the opportunity to share in the mission.

**Chapter Donations** – Taking place twice a year, the first chapter donation is the Second Century Fund in October, when collegians and alumnae donate $2 in celebration of Zeta Tau Alpha’s 100th anniversary and its emergence into the second century. In the spring, collegiate members make a donation of $5 for the General Scholarship Fund to finance the various scholarships and grants given annually to deserving applicants.

**Direct Mail Appeals** – The entire alumnae membership receives a direct mail appeal each fall, with a second appeal to previous donors mailed again in the spring. The ZTA Foundation newsletter, a letter from the Foundation President and other information about the activities of the Foundation are included in these mailers.

**Target Mailings and Special Appeals** – Special mailings are made throughout the year in conjunction with specific events such as chapter anniversaries or house dedications. Each February, the Valentine Card program gives parents and other Zetas an opportunity to contribute to the ZTA Foundation. A card is sent to anyone who is honored with a special valentine donation.

**Endowed Fund** – With a minimum donation of $40,000, an individual or a chapter can establish an Endowed Fund. The interest generated by the fund is used by the Foundation as outlined by the donor. Endowed funds provide money for scholarships, breast cancer education, leadership and other qualified programs. The Foundation works with the donor to establish the fund along with the desired designations and requirements for the use of the fund.

**Heritage Society** – All members who have designated the Foundation as beneficiary in their will, retirement plan, stock or other type of deferred gift are invited to become members of the Heritage Society. This club specifically recognizes individuals whose gifts to the Foundation will benefit the Fraternity in the years to come.

**Matching Donations** – Many corporations or their foundations match donations made by their employees. Donors are encouraged to contact the development office to determine the policy and criteria for their particular company. Completed matching grant forms should be returned to International Office where the Foundation will verify the donations and submit the required information to the corporation.

**Crown Town** – At the 1994 Convention, the ZTA Foundation established a recognition fundraising program called the Strawberry Patch. This program allows Zetas to honor another special Zeta through a donation to the Foundation. At the 2010 Convention, the name of the recognition program was changed from Strawberry Patch to Crown Town.

**Zeta Day Fundraising Competition** – Spirited fundraising efforts have become a favorite among those attending these statewide functions each spring. The Foundation provides educational and entertaining material, recognizes previous and current donors as well as extends a challenge for the most donations, the greatest per-capita amount and the largest increase in dollars. Fun awards and special nametag ribbons are given to the competition winners at Convention/National Leadership Conference. Donations raised from Zeta Day go to the Zeta Tau Alpha Foundation’s General Fund.

**Foundation Recognition**

Each collegiate and alumnae chapter is encouraged to make an annual donation, become a Major Donor, and when possible, become a member of the Founders Club. These groups have always shown strong support for the Foundation through creative fundraising projects that are exciting and challenging. They continue to practice “the nobility of serving” on campus and within the community. Assistance is available through International Office for any chapter needing aid in the development of a strong fundraising event. The Foundation is appreciative of all donors and recognizes them throughout the year in various ways:

**Annual Donations** – Each fall, donors who have contributed to the Foundation during the past fiscal year above a certain designated amount are listed in Themis. A cumulative lifetime-giving list of the top donors is also included.

**Founders Club** – Chapters and individuals donating $10,000 or more during a biennium become members of the prestigious Founders Club. In 2006, the Foundation created new Founders Club giving levels of $25,000, $50,000, $75,000 and $100,000. In 2010, the Foundation added recognition for the $125,000, $175,000 and $300,000 levels. Membership includes recognition in Themis, special ribbons at Convention, an official T-shirt and others.

**Major Donor** – Chapters and individuals reaching Major Donor status with a donation of $300 or more (amount subject to change) during the year are recognized at local Zeta Day events and again at NLC/Convention. Major Donor buttons are given
as recognition, and different colored ribbons are added to these buttons for chapters or individuals donating at the $500, $1,000, $2,500 and $5,000 levels (recognition levels subject to change).

**SERVICE AND PHILANTHROPY**

Since 1898, ZTA has supported various causes including medical assistance in [Curran Valley](#), [Easter Seals](#), [The Association for Retarded Citizens](#) and the [Sunshine Kids](#). At the 1992 Convention, the Fraternity adopted [Susan G. Komen for the Cure](#) (formerly the [Susan G. Komen Breast Cancer Foundation](#)) as its philanthropy. At the 1996 Convention, the Fraternity voted to broaden the scope of our philanthropic efforts to promote programs dedicated to breast cancer education and awareness.

In 1992, ZTA became the first national sponsor of Komen’s [National Breast Cancer Survivor Recognition Program](#) of the [Race for the Cure](#) series. Until March 2015, ZTA served as a national sponsor or co-sponsor of the Survivor Recognition Program. ZTA provided the signature pink T-shirts and caps for participants to wear during the race. As part of the Survivor Program, ZTA also provided pink “In Memory Of” and “In Celebration Of” back signs for participants to wear during the Race for the Cure events so they could race in honor of a friend or loved one.

In February 2004, the ZTA Foundation announced Think Pink® as a registered trademark of ZTA with the United States Patent and Trademark Office. This is now the umbrella for all of our breast cancer education and awareness projects.

While Breast Cancer Awareness Month is in October, many chapters promote Think Pink® throughout the year.

Since 1999, ZTA has also partnered with all 32 [National Football League](#) teams, earning the title of official fan outreach partner for the NFL’s “A Crucial Catch” campaign. Zeta Tau Alpha distributes more than 1 million breast cancer awareness ribbons to fans at these games each year.

In 2015, the Foundation entered into Think Pink partnerships with two more organizations. With the [American Cancer Society](#)*, Zetas volunteer as the National Survivor Ambassador of nearly 300 [Making Strides Against Breast Cancer](#)* Walks across the country to celebrate and embrace breast cancer survivors. And through a relationship with [Bright Pink](#)*, a national nonprofit focused on prevention and early detection of breast and ovarian cancer, each collegiate chapter is encouraged to invite local alumnae to participate in the [Brighten Up](#)* Educational Workshop that educates, equips and empowers women to be advocates for their own breast and ovarian health. As the partnership grows, collegiate and alumnae chapters will be encouraged to present the program to others on their campuses and in their communities.

Zeta Tau Alpha has also partnered with [Yoplait](#) Yogurt, [SELF](#) magazine, [Lifetime Television](#), [Betsey Johnson Boutiques](#) and the [Young Survival Coalition](#) to spread the word about breast cancer.

**SCHOLARSHIPS AND GRANTS**

The ZTA Foundation provides more than $700,000 in scholarships annually to undergraduate and graduate ZTA members and non-members. The Scholarship Committee administers the scholarships and grants. The criteria used for selecting recipients include minimum 3.0 GPA, involvement in campus and community activities, financial need, recommendations and current class status. Applications are due in the early spring for the following school year.

The scholarships given by the ZTA Foundation are defined as follows:

**Endowed Scholarships** – Established by chapters and individuals as permanent endowed funds. The interest generated by each fund is used to provide a scholarship as specified by the donor. These scholarships vary in amount depending on the size of the gift.

**Founders Grants** – Nine grants given annually to those pursuing a post-baccalaureate degree. These grants are funded through a combination of endowed monies and funds from the General Scholarship Fund.

**Recognition Scholarships** – Established with an annual donation from chapters or individuals, plus a contribution from the ZTA Foundation, these scholarships can be designated by the donor for specific chapters, but must be given each year whether a qualified applicant applies or not.

**Achievement Scholarships** – Given to both undergraduates and graduate students from annual contributions to the General Scholarship Fund.

**Service Scholarships** – Available for those studying in service related fields such as special education, social work or other health care. The money for these scholarships comes from the Service Fund.
LEADERSHIP DEVELOPMENT

The Zeta Tau Alpha Foundation, Inc., as allowed by the Internal Revenue Service, promotes the development of leaders with emphasis on young women. Zeta Tau Alpha also sponsors joint leadership programs with other Greek groups. In partnership with Kappa Delta Sorority, ZTA has pioneered Stand Up! Stand Out!, a program that taps into Greek sisters’ strength to help each other challenge negative peer pressure. This program has been endorsed by 24 members of the National Panhellenic Conference.

Convention/National Leadership Conference – The ZTA Foundation provides funding for speakers with expertise in areas that fulfill its mission at National Leadership Conference, Convention, Panhellenic Conferences and other regional seminars, as allowed by IRS funding. Topics presented by these speakers include positive motivation, leadership, empowerment, risk and harm reduction, conflict resolution, personal wellness, organization and change management, collaboration, and living up to our mission and values.

House Directors Seminar – Every two years, the Foundation funds a House Directors Seminar. The weekend workshop addresses issues ranging from nutrition to house and food service management to safety tips. The Zeta Tau Alpha Fraternity Housing Corporation facilitates and manages this seminar.

Outstanding Alumnae Awards – At the 1982 Convention, the ZTA Foundation introduced the Outstanding Alumnae Awards to recognize outstanding Zeta Tau Alpha alumnae who have made notable contributions in their professions and to society. As featured Convention speakers, these women uniquely serve as role models. Past recipients represent a wide variety of interests including a Pulitzer Prize winner, an award-winning television news reporter/anchor, the first woman Marine Corps General, the founders of the Sunshine Kids Foundation and the SHADE Foundation, a past president of Mothers Against Drunk Driving, the chairman of the board of Reading Is Fundamental, and the Chairman of the Federal Trade Commission. Nominations for the Outstanding Alumna can be submitted to the ZTA Foundation through International Office.

Traveling Leadership Consultants – Portions of the Traveling Leadership Consultant program dealing with communication skills development, leadership training, risk and harm management, and other educational aspects are supported by the Foundation.

EDUCATIONAL PROGRAMS

The Zeta Tau Alpha Foundation, Inc., funds educational programs. These programs are made available for use by our collegiate and alumnae chapters as well as other Greek organizations, college communities and the general public.

The Foundation has funded the development and publication of the first two parts of ZTA’s award-winning risk management program, My Sister, My Responsibility: Preventing and Confronting Hazing and Teaching Social Responsibility. My Sister, My Responsibility: Sisterhood, Safety and Support is a workshop facilitated by a trained National Officer focused on sexual assault prevention.

Since the 2006–2007 school year, the ZTA Foundation has provided a grant to the Fraternity to provide GreekLifeEdu™, a web-based educational program on the prevention of alcohol abuse, hazing and sexual assault, for all collegiate members. The program includes a pretest, four hour-long lessons, an exam and three confidential surveys that help ZTA evaluate its effectiveness. A preview version of the program is also available for parents of ZTA collegiate members.

Zeta Tau Alpha seeks to address mental health with the Behind Happy Faces program with two complementary programs. The collegiate program provides four lessons for chapters to help members better understand mental health, learn coping skills and be able to approach a friend who might need help. The Advisor Resource Series is five online workshops to help advisors support the members they advise.

The Crowning Achievements academic success program provides online and in-person workshops focused on the individual member and her needs. Crowning Achievements assists collegians in the areas of organizational management, study skills, test preparation, stress management and career planning.

Online workshops are housed on Z-Learning, ZTA’s online learning platform, which is full of fun workshops and tools.

In an effort to reduce risk associated with alcohol, ZTA launched the Alcohol Skills Training Program that sends expert facilitators to campuses to provide interactive workshops to help students better understand safe consumption and warning signs.

ZTA partnered with Alpha Chi Omega women’s fraternity, Pi Kappa Phi men’s fraternity and Sigma Nu men’s fraternity to create a visually engaging poster series about risk, prevention, leadership and sexual assault that we proudly shared with colleges and universities across the country.

The Foundation also sponsors educational articles in Themis on a variety of important topics, including online safety, health and fitness, breast cancer, eating disorders, AIDS, depression, binge drinking, date rape, bereavement and career development.

56 | GENERAL MANUAL
It is the goal of Zeta Tau Alpha Fraternity Housing Corporation is that its chapters have competitive housing. The type of housing that a chapter has must fit into the local pattern. Therefore, ZTA-owned facilities consists of large traditional houses as well as dorm suites, chapter rooms, Panhellenic buildings, small rental houses, lodges and apartments.

Organization – In the organizational structure of Zeta Tau Alpha, the Zeta Tau Alpha Fraternity Housing Corporation is the third important entity. This Indiana nonprofit corporation was chartered in 1977 as a title-holding and property management company. The vast majority of ZTA-owned or -operated facilities are members of this corporation and are supervised on the local level by a House Association. In addition to the properties it owns and/or manages through its associations, the Zeta Tau Alpha Fraternity Housing Corporation (generally referred to by Zetas as the Fraternity Housing Corporation or FHC) serves in an advisory capacity to those facilities that are owned or managed by Local House Corporations.

Members and Officers – Each House Association is a voting member of the Zeta Tau Alpha Fraternity Housing Corporation. At the biennial meeting of the corporation held in conjunction with Convention, the member associations elect a board of directors, slated by a nominating committee appointed by the Fraternity Housing Corporation. The directors’ term of office is two years.
In addition to these elected board members, the National President, Secretary-Treasurer and a representative of the Zeta Tau Alpha Foundation serve as members of the board by virtue of their office. The board of directors elects the officers of the corporation, which consist of a President, Vice President, Secretary and Treasurer. Each spring, the FHC holds a board meeting. At this time, the corporation acts upon all requests for housing funds from member associations and for loans from local corporations. At the annual meeting, the board adopts the budget, establishes investment and loan rates, and addresses other housing matters. Those wishing to have this board consider housing issues should send agenda items to the president of the Zeta Tau Alpha Fraternity Housing Corporation by March 1.

**Funding** – The Zeta Tau Alpha Fraternity Housing Corporation derives its funds from these major sources:
1. Rent paid by collegiate chapters whose facilities are owned or managed by the FHC
2. The House Reserve Fund paid by each collegiate member whose chapter is owned or managed by the FHC

The Zeta Tau Alpha Fraternity Housing Corporation uses its funds to maintain chapter facilities (the FHC pays all maintenance bills above a set amount); to upgrade the facilities; to pay mortgage payments, rent, taxes and insurance; to pay salaries for the International Office staff who handle housing matters; and to cover other costs of operating the FHC. In addition to handling all the fiscal matters, including securing financing for major renovations and new construction, the Fraternity Housing Corporation sees that all required federal, state and local forms are filed promptly.

Each year, in cooperation with the Secretary-Treasurer, the FHC establishes chapter rent and House Reserve Fund (HRF) fees. The International Office staff notifies the collegiate chapter of these fees and sends the chapter a Housing Agreement, which the officers must sign. The FHC also establishes dates for the payment of rent and the HRF and invoices the chapter. It is the responsibility of a chapter that has a residential facility to see that the facility is filled to capacity and to collect rent from each resident when it is due. The chapter must pay its rent and the HRF promptly to the FHC. If a chapter operates with a budget surplus, by direction of National Council, it turns over a percentage of the surplus to the FHC for housing use.

**Housing Priority** – National Council determines which chapters have housing priority. Basic to this decision is:
1. The strength of the chapter
2. The ability of the chapter to financially support housing
3. Alumnae support available
4. The campus climate for housing

When National Council gives a chapter housing priority, the ZTA Fraternity Housing Corporation is responsible for completing the project. If the chapter has no House Association, the FHC, National Council and Province and District Presidents work together to form one. Prior to moving forward with a new housing project, National Council and the FHC present all the necessary financial information to the chapter. If 90 percent of the chapter agrees to support the fees and housing policies necessary for the successful operation of the facility, the FHC moves forward. If building is necessary, the FHC secures land and funding, hires an architect and construction contractor, and oversees the construction and furnishing of the facility. The FHC appoints a supervision director for each project to work in cooperation with the House Association.

**House Directors Seminar** – Every two years, the Zeta Tau Alpha Fraternity Housing Corporation sponsors a House Directors seminar. This seminar is fully funded by the Zeta Tau Alpha Foundation and is opened to all ZTA House Directors who have not previously attended. The three-day seminar touches on all aspects of chapter operations. In the spring of odd numbered years, the General Advisor of each chapter with residential housing will receive registration information about this seminar from the FHC.

**House Associations**

A House Association is not an independent corporation, but rather a member of the Zeta Tau Alpha Fraternity Housing Corporation. As a member of the FHC, the officers of the association are protected from personal liability concerning housing matters. A House Association must have at least one officer—a President. Other officers are optional. The local alumnae chapter, with input from the FHC and the District or Province President, selects the House Association President. If no organized alumnae group exists in the area, the FHC will select an interested alumna from the area to serve.

A House Association does not have a Treasurer because it handles no money locally and has no bank account. The FHC handles all financial matters for the House Association. A House Association is not required to have an annual meeting, but it is suggested that the House Association President keep in touch with the chapter House Manager, Executive Committee, General Advisor and House Director (where applicable) so that the chapter facilities reflect the needs of the collegiate chapter.
The House Association is responsible for filing only one form annually—the FHC Member Request for Allocation of Budget Funds. This form is sent from IO in December and is due before the FHC annual meeting. It is also available on the ZTA website. The House Association President works closely with the FHC supervising director to complete this request by the designated deadline.

The major responsibilities of the House Association are to:
1. Maintain the chapter facility
2. Supervise chapter facility renovations (with the help of the supervisor assigned by FHC)
3. Review the house rules and make suggestions for changes
4. Serve on the House Director’s selection committee if asked by the chapter
5. File the annual request for allocation of funds

**HOW TO FORM A HOUSE ASSOCIATION**

When it becomes evident that a chapter needs organized assistance to establish or maintain competitive housing, the local alumnae form a House Association. If possible, an alumna in the area or the chapter General Advisor should sign the resolution requesting to join the Zeta Tau Alpha Fraternity Housing Corporation. This form may be obtained from International Office. Should there be no readily available alumnae assistance at the time, the collegiate chapter President and Secretary may sign the resolution. The signed resolution is sent to the ZTA Fraternity Housing Corporation President. The receipt of this resolution signifies membership. Upon joining, the chapter’s housing assets will automatically transfer to the FHC. The FHC will then assign a supervisor, and if no alumnae organization is available to appoint a President of the House Association, the FHC will make this appointment.

**LOCAL HOUSE CORPORATION**

Since the formation of the Zeta Tau Alpha Fraternity Housing Corporation, no further Local House Corporations have been, nor will any be, separately incorporated. Those in operation today will remain Local Corporations as long as they remain in good standing within their state, or until they wish to become members of the Zeta Tau Alpha Fraternity Housing Corporation.

**Operations and Bylaws** – The remaining Local House Corporations are separate legal entities chartered as nonprofit organizations under the laws of the particular state, which protect the members from possible personal liability for sorority housing obligations. The corporation owns or holds title to the real estate, leasehold or other property, and manages these for the use and benefit of the collegiate chapter. The Local House Corporation is operated by the directors and officers of the corporation who are normally elected by the members of the corporation. The local bylaws define the members of the corporation, which usually includes all alumnae of the chapter as well as ZTA alumnae who live in the area. Some bylaws require members to pay dues, and only those in good standing are accorded a vote.

Each Local House Corporation must have bylaws that conform to state requirements. It is recommended that these bylaws include a provision for continuity on the board of directors to guard against a complete turnover of officers at one time, and a provision that no term of office be longer than two years. (Directors may succeed themselves.) It is further recommended that the bylaws provide that the collegiate chapter President, House Manager and Financial Advisor attend a portion of each board meeting, present reports and recommendations, and take back a report to the chapter. It is suggested that the entire collegiate chapter be invited to attend the annual meeting of the corporation as non-voting members.

Every legally chartered Local House Corporation must have tax-exempt status (a federal tax identification number) from the IRS; copies of these documents must be on file in International Office along with its articles of incorporation and bylaws. The corporation must file Federal Tax Form 990 annually if it has annual gross receipts of $25,000 or more. A copy of this tax return must be filed with International Office annually.

**Funding** – If the Local House Corporation anticipates building an addition or undertaking major renovations that involve securing financing, the corporation must contact the ZTA Fraternity Housing Corporation President. If the project is deemed financially sound, funding can come in the form of a loan from the FHC, or the FHC can serve as a guarantor of a loan with a financial institution. If a local corporation has a loan from the FHC, the FHC assigns a board member to serve as a liaison to the Local House Corporation until the loan is repaid.

**Expenditures Needing Approval** – A Local Housing Corporation must obtain the advice and approval of National Council and the Zeta Tau Alpha Fraternity Housing Corporation President in advance of renting or purchasing a house or lot, building a house or adding an addition to an existing house.
Housing Agreement – Each spring, the Housing Agreement (form provided by International Office) must be signed between the Local House Corporation and the collegiate chapter. The agreement contains the rental amount for the facility and explains the responsibility of the Local House Corporation and the collegiate chapter.

Local House Corporation: Responsibilities – Following are the major responsibilities of a Local House Corporation:

1. Set and collect rent and House Reserve Fund fees
2. Maintain a local bank account
3. Provide for chapter facility insurance at its expense
4. Pay all necessary taxes
5. If income is over $25,000 (including interest income), file a Form 990 with the IRS annually at the close of the corporation’s fiscal year. File all local and state tax forms
6. Pay all mortgage and loan payments
7. Borrow money
8. Maintain the chapter facility
9. Pay all major repair bills
10. Supervise all chapter facility renovations
11. Make all decorating decisions
12. Review house rules and make suggestions for changes or updates
13. If asked by the chapter, a member may serve on the House Director selection committee.
14. Hold an annual meeting and send minutes of this meeting and all board meetings to International Office
15. Submit all required reports to IO
16. Submit all necessary data to remain in good standing to the Secretary of State in the state where incorporated

Application for Membership: ZTA Fraternity Housing Corporation – Circumstances may become such that a Local House Corporation chooses to become a member of the Zeta Tau Alpha Fraternity Housing Corporation. The local corporation must follow this procedure when applying for membership:

1. The Local House Corporation should pass a resolution instructing its board of directors to seek membership in the FHC and allowing the President specific authority to transfer any real property to the FHC.
2. If the corporation owns or has a long-term lease on a facility, it should engage an attorney to prepare the warranty deed and to assist in the transfer of any mortgages or liens on the property to the FHC.
3. The corporation must prepare a statement of the corporation’s assets, liabilities and net worth, including any savings, checking accounts, furnishings, any local loans or obligations including mortgages. If the corporation uses a CPA, he or she should prepare this statement. Otherwise, it is the responsibility of the corporation Treasurer.
4. When these items are complete, the local corporation should forward them, along with a copy of the most recent Form 990 filed with the Internal Revenue Service and the name and address of the alumna who will serve as the House Association President, to the President of the FHC. Upon receipt of these items, the former Local House Corporation becomes a House Association and a member of the Zeta Tau Alpha FHC.

Sale of Property – If a collegiate chapter with residential housing owned by a Local Corporation is closed, and it is the decision of the National Council that the chapter property be sold, it is the responsibility of the Local House Corporation to work in conjunction with the Zeta Tau Alpha Fraternity Housing Corporation to accomplish this task. As outlined in the Constitution & Bylaws of Zeta Tau Alpha, the assets from this sale are turned over to the Fraternity. Following the sale and the transfer of assets, the Local House Corporation must be dissolved. The Local House Corporation may not sell a collegiate chapter residential facility without consent of National Council.

National Investment Program (NIP)

The National Investment Program (NIP), operated by the Zeta Tau Alpha Fraternity Housing Corporation, allows Local House Corporations, alumnae chapters and collegiate chapters (that have been directed to do so by National Council) to invest money in this program. The FHC pays interest on the money invested and establishes the interest rate at its spring board meeting. To check the current rate, contact International Office or the FHC Treasurer. The FHC prepares semi-annual statements that are sent to each investor. The amount held for each investor is noted in Zeta Tau Alpha’s consolidated, annual audited financial statement.
**NIP Fund Request/Withdrawals** – Local House Corporations and alumnae chapters that invest in the NIP must contact the FHC Treasurer at least 30 days in advance of withdrawing funds. If the investment is in the form of a Certificate of Deposit, a penalty may apply for early withdrawal.

The ZTA Secretary-Treasurer handles withdrawal of funds by collegiate chapters that have been directed to invest in the NIP.

**Revolving Loan Fund** – The funds of the National Investment Program also serve as a revolving loan fund. Local House Corporations may borrow from this fund to upgrade chapter facilities. The FHC sets the terms and interest rates for these loans. Applications for a loan may be obtained from International Office; all loan requests must be received at IO by March 1 of each year. The FHC reviews loan requests at its spring board meeting. A chapter may request an emergency loan by contacting the FHC President.

**Loans to Chapters** – Occasionally, collegiate chapters find themselves unable to meet all of their financial obligations. When this occurs, with the permission of the ZTA Fraternity Secretary-Treasurer, the FHC or the Fraternity may make a loan to a chapter. The chapter and the FHC or Fraternity sign the note and the chapter is charged interest. A repayment plan becomes a part of the chapter budget.
