Leadership Week is a university-wide collaboration to strengthen the culture of student leadership at Ohio State. While all students are welcome to attend all sessions, we want to feature a few sessions designed with graduate and professional students in mind who want to strengthen their leadership abilities. All sessions fit into one or more of the five themes of Leadership Week: Career Development, Community Engagement, Inclusion, Personal Exploration, and Wellness. All sessions will be offered virtually. Please visit the leadership week website at go.osu.edu/LeadershipWeek for session descriptions, how to register, and more information.
