LEADERSHIP WEEK 2021

FEATURED SESSIONS FOR GRADUATE AND PROFESSIONAL STUDENTS

Are you ready to learn and grow as a leader? Leadership Week is a university-wide celebration of leadership development. All sessions are open to all students – undergraduate, graduate and professional students, from all of our campuses, but these sessions specifically invite our graduate and professional students to learn, grow and develop. All sessions fit into one or more of the five themes of Leadership Week: Career Development, Community Engagement, Inclusion, Personal Exploration and Wellness.

Sessions will be offered in both virtual and in-person formats. Please visit the Leadership Week website at go.osu.edu/LeadershipWeek for session descriptions, how to register and more information.
