INTRODUCTION

“The Constitution and the Chapter”
(Reprinted from THE SINFONIAN; November 1923)

The true strength of the individual chapter is determined by its obedience to the Constitution of the national fraternity. Wisdom has been shown in making our Constitution sufficiently plastic and progressive to meet the changing conditions inherent in the growth and expanse of a young fraternity and the increasing problems of the chapters.

Yet even at the present stage of adaptation and development it is not always easy for a chapter to be persistent and prompt in meeting all the requirements found in the SINFONIA law. Whenever such a time comes in the life of a chapter—it should *sacrifice*, and it will, if the chapter realizes itself to be a vital part of the organic whole, and not an isolated unity.

Brotherhood stands for mutual obligations and common duties. In the performance of them, inviolate should be respect for an observance of all the laws to each chapter and every member have voluntarily subscribed. Phi Mu Alpha is only as strong as the combined strength—and weakness—of all her chapters, no less, no more. She is a Federation of Chapters, united that she may grow the stronger in the bonds of brotherhood. Therefore, it behooves each chapter and every member to study and know the SINFONIA Constitution made for all, to be reverenced and obeyed by all—that all may remain united in fraternity law and fraternal love.

– Percy Jewett Burrell, Supreme President (1907-13)

Section 2. Use of name.
Affiliates may use the name of this Fraternity, or any part or derivative, only in connection with official activities. The National Executive Committee (NEC) may grant special permission for the use of the name of the Fraternity for other purposes.

ARTICLE II. OBJECT

The Object of this Fraternity shall be for the development of the best and truest fraternal spirit; the mutual welfare and brotherhood of musical students; the advancement of music in America, and a loyalty to the Alma Mater.

ARTICLE III. MEMBERSHIP

Section I. Classes of membership.
The four classes of membership are probationary, collegiate, alumni, and honorary.

Section 2. Authority to confer membership.
Chapters, the National Assembly, or the NEC may confer collegiate membership. The NEC confers national honorary membership. Chapters confer honorary membership.

Section 3. Initiation Ritual requirement.
A man must participate in the role of candidate for initiation in the most current revision of the national Initiation Ritual to become a collegiate or honorary member.

ARTICLE IV. AFFILIATES

Section I. Chapter formation.
The Fraternity may form chapters by granting charters to petitioning groups in universities, colleges, or schools of music.

Section 2. Alumni association formation.
The Fraternity may form alumni associations by granting charters to petitioning groups.
Section 3. Transfer of charter.
A chapter charter or name may be transferred to an institution or group that is the legitimate successor of the institution or group to which the chapter charter or name was originally granted.

ARTICLE V. OFFICERS AND NATIONAL EXECUTIVE COMMITTEE

Section 1. Names of Officers and NEC members.
The officers of the Fraternity are the National President, National Vice President, National Secretary-Treasurer, and National Historian. The NEC consists of the National President, the National Vice President, two Committeemen-at-Large, the National Collegiate Representative (NCR), the Province Governor (PG) Council Chairman, and the Collegiate Province Representative (CPR) Council Chairman.

Section 2. Indemnification.
Subject to any restrictions of applicable law, the Fraternity shall by action of the NEC indemnify any officer or NEC member or former officer or NEC member of the Fraternity against liabilities and expenses, including attorneys’ fees, actually and necessarily incurred by him in connection with the defense of any action, suit or proceeding in which he was made a party by reason of being or having been such officer or NEC member, except in relation to matters after which he shall be adjudged in such action, suit or proceeding, to have acted in bad faith or to have been liable or guilty by reason of willful misconduct in the performance of duty. The Fraternity by action of the NEC may provide at the expense of the Fraternity insurance protection to the Fraternity and its directors, officers, or NEC members against any liability asserted against any one of them by reason of their acting as or status as directors, officers, or NEC members of the Fraternity. The amount paid to any officer or member of the NEC by way of indemnification may not exceed his actual, reasonable and necessary expenses incurred in connection with the matter involved. This indemnification is not exclusive of other rights to which the officer or member of the NEC may be entitled as a matter of law.

ARTICLE VI. PARLIAMENTARY AUTHORITY

If a parliamentary authority is requested, then the rules contained in the current edition of Robert’s Rules of Order Newly Revised govern a Fraternity meeting in all cases in which they are applicable and are not inconsistent with this constitution, bylaws, or any special rules of order.
ARTICLE VII. DISSOLUTION

Upon the dissolution of the Fraternity and after paying or making provisions for the payment of all the liabilities of the Fraternity, the NEC shall appropriately dispose of all exclusive assets of the Fraternity as set forth herein.

Assets transferred to the Fraternity shall be returned to said organization if they are then an exempt organization under Sections 501(c)(3), 170(c), or 501(c)(7) of the code or corresponding provisions of any United States Internal Revenue law. All other assets shall be distributed in the following manner:

A. To the Sinfonia Educational Foundation;

B. To any other local, regional or national 501(c)(7) fraternal organization with a mission similar to that of the Fraternity;

C. To a nonprofit fund, foundation, or corporation which is organized as a 501(c)(3) corporation and operated exclusively for charitable, educational, religious and/or scientific purposes and which agrees to administer the assets of this Corporation in accordance with its goals and purposes.

The motion for disposition of the assets of the Fraternity must be approved by an affirmative vote of at least five (5) members of the NEC.

ARTICLE VIII. AMENDMENTS

Section 1. Process for amending the Constitution.
The National Assembly may amend the Constitution with a vote of at least three-fourths in the affirmative with previous notice. The Fraternity publishes anticipated amendments to be considered by the National Assembly to chapters and delegates by March 1 preceding a National Convention.

The National Secretary-Treasurer may make article and section designation, punctuation, cross reference, spelling, grammatical, and typographical changes to the Constitution as necessary, subject to approval by the NEC.
BYLAWS, TITLE I. NATIONAL

ARTICLE I. MEMBERSHIP

Section 1. Non-discrimination policy.
Phi Mu Alpha Sinfonia offers membership to as many men as possible regardless of race, ethnicity, national origin, sexual orientation, disability or religion.

Section 2. Membership eligibility.
A male student, faculty member, or staff member of a chapter’s sheltering institution is eligible for any class of membership, including probationary, if he is eighteen (18) years of age or older, and, through a love for music, can assist in the fulfillment of the Fraternity’s Object and ideals either by adopting music as a profession, or by working to advance the cause of music in America. Membership is restricted to males, as permitted under 20 U.S.C. 1681(a)(6)(A) and as evidenced by the letter of exemption from Title IX provided by the United States Department of Education received December 21, 1983.

A student of a chapter’s sheltering institution is eligible for membership if he meets the minimum academic performance standards for successful continuation as a student in good standing as defined by the sheltering institution. Students in their first academic term are eligible for membership. A student not majoring in music is eligible for membership.

A man who has been expelled from the Fraternity is not eligible for initiation into any class of membership.

Section 3. Process for initiating men who are not affiliated with a chapter’s sheltering institution.
The PG, with good reason, may authorize a chapter to initiate up to two men per year into collegiate membership who are eligible but not affiliated with the chapter’s sheltering institution as students, faculty members, or staff members.

Section 4. Membership exclusivity.
A chapter may not pledge or initiate a man who is a member of any other secret national fraternal society in music. A member agrees not to join any other secret national fraternal society in music.

Section 5. Duties of membership.
A member becomes acquainted with the governing documents and history of the Fraternity and supports the efforts and objectives of the Fraternity. A collegiate member attends meetings as required by his chapter, promptly pays all financial obligations to the chapter and the Fraternity, and maintains the minimum academic performance standards for successful continuation as a student in good standing as defined by his chapter’s sheltering institution.

Section 6. Membership standings.
Membership standings include good standing and suspended. A member is in good standing if he fulfills all the duties of membership as defined in Section 5 of this article.
Section 7. Term of membership.
Except as a result of disciplinary action, an initiated member retains his membership in the Fraternity for life. An initiated member may not resign his membership. A PM may resign his membership, and a chapter may dismiss a PM.

Section 8. Arbitration.
A member submits to binding arbitration in the event of a legal dispute with the Fraternity.

Before election to collegiate membership, a PM completes a PM program and passes the most current revision of the national examination with 100% accuracy. 100% accuracy refers only to the content and spelling of the PM's answers (i.e. capitalization and punctuation errors do not count against the score). A PM may repeat the examination until he achieves 100% accuracy. A chapter may not require an entire PM class to repeat the examination due to the errors of an individual PM. A chapter may not alter or delete questions from the national examination. The Faculty Advisor certifies the results of the national examination by signing the initiation report.

Section 10. Initiation fee.
Before election to collegiate membership, a PM pays an initiation fee of $100.00 plus a materials fee which covers, at cost, his membership certificate, membership card, songbook, governing documents, and official membership pin. A member may purchase an upgraded official membership pin for an additional fee.

Section 11. Status of a PM who does not complete a PM program.
A PM who is dismissed from probationary membership or who resigns his membership voluntarily is no longer affiliated with the Fraternity. A chapter may reconsider him for probationary membership during any succeeding terms in which he is enrolled at the chapter's sheltering institution.

Section 12. Reimbursement for late withdrawal of a PM.
If an initiation fee is submitted to the National Headquarters for a PM who is not initiated, the National Staff issues credit to the chapter or former PM for the national initiation fee. Upon receipt of the former PM's unused initiation materials, the National Staff issues credit to the chapter or former PM for the cost of the materials returned minus the cost of the membership shingle and card.

Section 13. Honorary membership eligibility.
A male who is a distinguished musician or patron of music is eligible for honorary membership.

The NEC confers national honorary membership. The Fraternity initiates national honorary members into the honorary Alpha Alpha Chapter. A national honorary member has the same rights, duties, and privileges as an alumni member.
Section 15. Transferring from collegiate to alumni membership.
A collegiate member in good standing is transferred to alumni membership when he terminates his academic affiliation with his chapter's sheltering institution. A member terminates his academic affiliation with an institution when he is not enrolled in classes during a regular full-length academic term at the institution or when he graduates from the institution with a degree even though he may remain enrolled as a student at the institution. A member does not terminate his academic affiliation with an institution by choosing not to enroll for a shortened academic term offered between full-length terms or choosing not to enroll for any summer term.

A collegiate member in good standing may transfer to alumni membership if he has paid eight semesters of per capita taxes. A collegiate member may transfer to alumni membership after having paid per capita taxes for future semesters only with PG approval after the member submits a formal written request to both his chapter and the PG. The chapter may offer a written response to the PG within thirty (30) days.

A collegiate member in good standing may temporarily transfer to alumni membership if he leaves campus for one or more professional semesters (e.g. student teaching, internship, study abroad). A student who temporarily transfers to alumni membership while on a professional semester resumes collegiate membership when he returns to campus for classes.

The Commission on Standards (COS) may transfer a collegiate member in good standing to alumni membership.

Section 16. Transferring from alumni to collegiate membership.
An alumni member may affiliate with a chapter by majority vote of the chapter, provided that the member resides within a reasonable distance of the chapter to allow his full participation as a collegiate member. Upon acceptance, the member is entitled to all privileges and assumes all obligations and responsibilities of collegiate membership.

ARTICLE II. STATUS OF AFFILIATES

Section 1. Active status.
Active status indicates that an affiliate is fulfilling all of its operational responsibilities and is in good standing with the Fraternity. A chapter or alumni association is on active status if it is not on reorganizational status, inactive status, probation, or suspension and has not had its charter revoked.

Section 2. Reorganizational status.
Reorganizational status is a chapter rehabilitative status that lasts no longer than 365 days. During the period of reorganization, the PG or Commission on Standards in consultation with the National Staff may modify the normal rights, privileges, duties, and obligations of the chapter. In addition, the chapter undertakes activities prescribed by the PG or COS that are intended to help the chapter overcome organizational difficulties.

Section 3. Reasons for reorganizational status.
The PG or COS may place a chapter on reorganizational status when it is having difficulty maintaining a minimum standard of viability. The COS considers placing a chapter on reorganizational status if it fails to submit chapter reports twice in succession or reports no initiations for 365 days.
Section 4. Consequences of a failure to respond to reorganizational status.
The COS in consultation with the PG may place a chapter on inactive status or probation if the chapter does not accomplish the activities prescribed by the PG or COS during reorganizational status or return to good health.

Section 5. Inactive status.
A chapter or alumni association that is on inactive status is closed and may no longer function as an affiliate of the Fraternity. The National Staff takes appropriate measures to reclaim the charter and any other property of a chapter or alumni association that is placed on inactive status. The Fraternity retains inactive charters. An inactive chapter may be reactivated through the colony program. An inactive alumni association may be reactivated through the same petition process as for a new alumni association.

When a chapter is placed on inactive status, the Fraternity transfers collegiate members in good standing to alumni membership. The Fraternity transfers collegiate members who are suspended due to nonpayment of national per capita taxes to alumni membership if they pay all outstanding financial obligations to the Fraternity within 30 days. If such a member does not pay his outstanding balance in full within 30 days, the Fraternity expels him. The Fraternity transfers collegiate members who have been suspended by the COS to alumni membership, but the terms of their suspensions remain in effect. The Fraternity expels collegiate members who have been suspended by vote of the chapter.

Section 6. Reasons for inactive status.
The COS may place a chapter or alumni association on inactive status if it is organizationally unable to function effectively, if its sheltering institution is no longer able to support a chapter, or if, in the judgment of the COS in consultation with the PG, it seems desirable as an aid to the amelioration of difficulties.

Collegiate members initiated between February 16 and September 15 pay national per capita tax effective October 15 of that year. Collegiate members initiated between September 16 and December 31 pay national per capita tax effective March 15 of the following year.

Section 2. Insurance fees.
The NEC annually determines a pro rata insurance fee which is added to the national per capita tax of collegiate members. The NEC may assess additional liability insurance fees to chapters with increased risk exposure, including but not limited to chapter house ownership and past loss history. If the combined amount of chapter insurance fees and member insurance fees collected by the Fraternity exceeds 110% of the cost of the corresponding year’s liability insurance premium, the NEC applies funds in excess of 110% of the cost to the next year’s premium prior to the determination of the member insurance fee.

ARTICLE XI. INDIVIDUAL MEMBER DISCIPLINE

Section 1. Reasons for individual member discipline.
For conduct which is harmful to the best interests or good name of the Fraternity, the COS may expel a
member from the Fraternity. If such conduct does not warrant expulsion, the COS may place a member on
suspension.

Section 2. Process for individual member discipline.
The Fraternity sends written notification to any member being considered for suspension or expulsion by the
COS informing him of his right to an interview with the COS or a group dispatched to a chapter in the
course of a disciplinary review. The member may waive such an interview. The written notification states the
reasons for the proposed action, the time and place of the proposed interview, and the member’s right of
appeal to the NEC if the COS approves the suspension or expulsion. The COS makes a final decision after
the interview and notifies the member in writing of its decision.

Section 3. Conditions of individual member suspension.
The COS determines the length and conditions of the period of suspension, and may extend or alter the
length and conditions of the period of suspension as necessary. Members who have been suspended are no
longer in “good standing” with the Fraternity. A suspended member has no voting rights, cannot be elected
to any office, is prohibited from purchasing fraternal merchandise, cannot act as a big brother or mentor, and
is prohibited from wearing or otherwise displaying the Greek letters ΦMA or the Fraternity’s Coat-of-Arms.
If a chapter officer is suspended, the office is vacated. The chapter may fill the vacated office by election, or
the PG, with the approval of the National President, may fill the vacated office by appointment. A collegiate
member suspended by the COS is exempt from the assessment of per capita tax during the period of
suspension.

Section 4. Resolution of individual member suspension.
The COS may restore a collegiate member placed on suspension to good standing, transfer him to alumni
membership, or consider him for expulsion. The COS may restore an alumni member placed on suspension
to alumni membership or consider him for expulsion. If a collegiate member suspended by the COS
terminates his academic affiliation with his chapter's sheltering institution or leaves campus for one or more
professional semesters during the period of his suspension, or if the COS places his chapter on inactive status
during the period of his suspension, the Fraternity transfers him to alumni membership, but the terms of his
suspension remain in effect.
Section 5. Insignia of an expelled member.
A collegiate member who has been expelled must return all emblems and insignia of membership to the chapter. The chapter forwards these materials to the National Headquarters. An alumni member who has been expelled must return all emblems and insignia of membership to the National Headquarters. All money paid to the chapter and the National Headquarters is nonrefundable.

ARTICLE XII. CHAPTER AND ALUMNI ASSOCIATION DISCIPLINE

Section 1. Reasons for chapter or alumni association discipline.
For conduct which is harmful to the best interests or good name of the Fraternity, the COS in consultation with the PG may revoke the charter of a chapter or alumni association. If such conduct does not warrant charter revocation, the COS in consultation with the PG may suspend a chapter or alumni association. For a failure to respond to previously defined disciplinary actions, the COS may revoke the charter of a chapter or alumni association. For delinquency in any operational or financial obligations to the national Fraternity or if a chapter or alumni association is suspected of unbecoming conduct, the PG or COS in consultation with the PG may place a chapter or alumni association on probation. For delinquency in filing chapter initiation reports, the PG may place a chapter on probation during which the chapter may not initiate members.

Section 2. Automatic chapter or alumni association probation and suspension.
The Fraternity automatically places a chapter that is delinquent in filing chapter reports on probation on November 1 (in the case of the fall report) or April 1 (in the case of the spring report). The Fraternity automatically places an alumni association that is delinquent in filing its alumni association report on probation on August 15. The Fraternity automatically suspends a chapter that continues to be delinquent on November 15 (in the case of the fall report) or April 15 (in the case of the spring report). The Fraternity automatically suspends an alumni association that continues to be delinquent on August 31.

The Fraternity automatically suspends a chapter or alumni association that is financially delinquent to the National Headquarters for any reason, including nonpayment of convention tax or a check returned for insufficient funds, 14 days from the date of initial notification by the National Headquarters to the chapter.

Section 3. Conditions of chapter or alumni association probation.
While on probation, a chapter or alumni association may continue to meet and function, even though the conditions of probation may include suspension of the right of a chapter to initiate members, forfeiture of chapter reimbursement for Province Workshop expenses, or such other reasonable and appropriate conditions.
Section 4. Conditions of chapter or alumni association suspension.

While on suspension for unbecoming conduct, a chapter or alumni association may not meet, function, or conduct chapter probationary membership activities. The period of suspension may last up to 60 days, or 120 days with documentation of just cause, during which time the COS decides any further action. Days spent on suspension during a summer session, an academic break, or other official closure as defined by the chapter’s sheltering institution are not counted in the total number of days suspended for a chapter.

While on suspension for reporting or financial delinquency, a chapter or alumni association may not meet, function, or conduct chapter probationary membership activities except as essentially necessary to resolve the delinquency.

Section 5. Resolution of chapter or alumni association probation or suspension.

The Fraternity automatically restores to good standing a chapter or alumni association that has been placed on probation or suspension for a reporting or financial delinquency as soon as the delinquency is resolved.

The COS in consultation with the PG may restore to good standing or consider for suspension or charter revocation a chapter or alumni association that has been placed on probation for suspected unbecoming conduct, or the COS in consultation with the PG may place such a chapter on reorganizational status.

The COS in consultation with the PG may restore to good standing, place on probation, or consider for charter revocation a chapter or alumni association placed on suspension for conduct which is harmful to the best interests or good name of the Fraternity, or the COS in consultation with the PG may place such a chapter on reorganizational status.

Section 6. Chapter or alumni association charter revocation.

When a chapter or alumni association charter is revoked, the National Staff takes appropriate measures to reclaim the charter and any other chapter or alumni association property. Any remaining collegiate members of a chapter not transferred to alumni membership by the COS are automatically expelled when its charter is revoked. The Fraternity retains a revoked chapter charter, which may be reinstated if the chapter is reactivated through the colony program. However, the COS may not approve the formation of a colony at that chapter’s sheltering institution unless at least seven (7) years have passed from the date the charter was revoked. The Fraternity retains a revoked alumni association charter, which may be reinstated through the same petition process as for a new alumni association.

Article XIII. Appeals

Section I. Appeal requirements and process.

Any individual, chapter, or alumni association may exercise the right of appeal to the NEC. The appeal must be typewritten and sent to the National Headquarters. Documents supporting the appeal must be submitted at the same time. Individual member appeals involving disciplinary action decided by the COS must be submitted within 365 days of the initial decision. Chapter and alumni association appeals involving disciplinary action decided by the COS must be submitted within 270 days of the initial decision. Appeals involving discipline due to financial delinquency may be submitted at any time. The National Staff provides copies of the appeal and supporting documentation to the NEC. The NEC notifies all parties involved in writing of its decision within twenty days of their deliberation. NEC decisions are final.
Section 2. Administrative fee for certain appeals.
For appeals of disciplinary action, the NEC may assess a reasonable administrative fee not to exceed $35.00 to offset the costs of material duplication and National Staff time associated with the appeal. The NEC will set the fee on an annual basis. For appeals involving discipline due to financial delinquency the NEC does not assess a fee.

Section 3. Filing initiation reports with the Fraternity.
At least 14 days prior to the date of initiation, the chapter President, or his designee, submits an initiation report to the National Headquarters. The probationary membership period lasts between four weeks and twelve weeks, exclusive academic breaks and within the same academic year, or under the policies of the chapter's sheltering institution in consultation with the National Staff. The probationary period consists of productive projects and programs which educate the PM on the Object and traditions of Phi Mu Alpha Sinfonia. The program should prepare the PM to assume collegiate membership.

Section 5. Prohibition of hazing.
A member may not haze. A member may not harass a PM, publicly or privately, in a way that is personally degrading, embarrasing, or destractive of life, limb, or property, or which might discredit the reputation of the Fraternity. A member or chapter that violates this provision is subject to disciplinary action.

Section 6. Fair consideration regardless of disability.
A chapter gives all PMs fair consideration regardless of disability. If the content of the probationary period or requirements for initiation might discriminate unfairly, the PG may determine an alternate requirement. The NEC may review the PG’s decision on appeal.

Section 7. Reconsideration of probationary membership.
A chapter may reconsider the status of any PM for legitimate cause, including but not limited to a failure to fulfill the duties of probationary membership, conduct harmful to the best interests of the Fraternity, or failure to meet financial obligations. The chapter retains a PM brought up for review with the affirmative vote of at least three-fourths of members in good standing who are present and voting. A PM brought up for review who does not receive the necessary vote to be retained is dismissed from probationary membership.

Candidates for honorary membership are not required to take part in probationary membership activities or take the national examination. They should, however, receive the publication Themes for Brotherhood and be encouraged to read it before being initiated. For each honorary membership candidate, the initiating chapter submits $100.00 plus a materials fee to the National Headquarters. Honorary members are not required to pay initiation fees, dues, assessments, or money to the Fraternity or to the initiating chapter. A chapter honorary member has the same rights, duties, and privileges as an alumni member.

A majority of members in good standing who are present and voting at a subsequent regular meeting may elect an officer to fill the vacancy.

Section 6. President duties.
The President presides at chapter meetings, guides the conduct of the affairs of the chapter, and performs other duties the chapter specifies. He acts for the chapter in all matters affecting the national organization and approves all correspondence between the chapter and the national officers. With the chapter Secretary, he prepares the chapter report twice each year. He sees that the chapter report, with the required convention tax, any additional liability insurance fees assessed by the NEC, and all per capita taxes and late fees collected by the chapter from its members, is submitted to the National Headquarters at the proper time. The President, or his designee, is responsible for delivering formal invitations to membership to men elected to membership and filing initiation reports with the National Headquarters.

He notifies the National Headquarters of changes in the addresses, as well as chapters or associations in other localities of his own chapter’s alumni moving into their geographic areas. He is responsible for creating and distributing an annual alumni newsletter. He helps in coordinating chapter alumni functions, and informs and invites local and chapter alumni to chapter events. He is a liaison between the chapter and any alumni associations in his locality. He performs other local duties as his chapter may designate but may not hold another chapter office.

Section 14. Faculty Advisor duties.
The Faculty Advisor acts in an advisory role, and is a liaison between the chapter and the local college authorities. He may hold collegiate membership in the chapter, in which case he has all privileges and assumes all obligations, including financial obligations, of collegiate membership. Should he keep or elect alumni membership, he may not vote, nor is he responsible for per capita tax or local dues. The Faculty Advisor certifies the content of chapter reports and the results of the national examination with his signature.
ARTICLE V. MEETINGS

Section 1. Regular and special meetings.
A chapter holds regular meetings at least twice each month during the academic year. The Fraternity recommends weekly meetings. A chapter decides the dates and hour of its regular meetings as a special order of the first meeting of the academic year. The chapter President or one-third of the membership may call special meetings provided due notice has been given to each member.

Section 2. Quorum.
A majority of collegiate members of the chapter in good standing make up a quorum. Without a quorum, adjournment is the only business in order.

Section 3. Voting.
Only collegiate members of the chapter who are in good standing may vote in chapter business. A chapter may vote by show of hands, by voice vote, or by secret ballot, as desirable, unless otherwise specified. A member may not vote absentee or by proxy.

ARTICLE VI. COMMITTEES

Section 1. Executive committee.
The chapter executive committee includes the President as its chairman, the Vice President, the Secretary, the Treasurer, and other elected officers as the chapter considers suitable. The Faculty Advisor is an ex-officio member without vote.

The chapter executive committee acts in an advisory role to the chapter President. The executive committee may approve expenses, recommend more expenses, and perform other duties as the President may direct. A quorum of the chapter executive committee is a majority of all voting members of the committee.

At the opening of the year, the chapter executive committee arranges for regular meeting days which, whenever possible, should precede regular chapter business meetings by no more than two days.

Section 2. Standing committees.
The Executive Committee may create a standing committee with continuing responsibilities. The standing committee works until the Executive Committee dissolves it. The President appoints the members of standing committees.

**ARTICLE VIII. CHAPTER DISCIPLINE OF MEMBERS**

**Section 1. Reasons for discipline.**
For conduct which is harmful to the best interests or good name of the Fraternity, the chapter may expel any of its collegiate members from the Fraternity. If such conduct does not warrant expulsion, the chapter may place any of its collegiate members on suspension.

Reasons for suspension include:

A. failure to pay a chapter financial obligation;
B. failure to meet the minimum academic performance standards for successful continuation as a student in good standing as defined by his chapter’s sheltering institution;
C. persistent unexcused absences from chapter meetings;
D. disregard for chapter welfare; and
E. other reasonable causes.

**Section 2. Automatic suspension.**
On the chapter report, a chapter reports the name of a member who fails to pay national per capita tax before the date on which the chapter report is submitted to the National Headquarters. The member is suspended automatically without a chapter vote.

**Section 3. Disciplinary process.**
The chapter sends at least one week’s written notification to any member being considered for suspension or expulsion by the chapter informing him of his right to an interview with the Chapter Executive Committee and the Faculty Advisor. The member may waive such interviews. The written notification states the reasons for the proposed action, the time and place of the proposed interviews, and the member’s right of appeal to the NEC if the chapter approves the suspension or expulsion.

Three-fourths of the members in good standing who are present and voting may place a member on suspension or expel him from the Fraternity.
Section 4. Procedures after member suspension.
When a chapter places a member on suspension, it gives the member written notification of this action immediately. The Secretary, through the chapter President, reports the name of a suspended member to the National Headquarters when placed on suspension and again when suspension is removed. During the period of suspension, the chapter does not collect per capita tax for the suspended member. Before reinstatement, however, the member must pay the tax for the period of suspension to the chapter or to the National Headquarters. The chapter authorizes and notifies the National Headquarters of any suspension removals, and forwards all payments received.

Section 5. Conditions of suspension.
A member who has been suspended is no longer in good standing with the Fraternity. While a chapter may choose to allow a suspended member to participate in meetings and activities, he has no voting rights, cannot be elected to any office, cannot act as a big brother or mentor, is prohibited from purchasing fraternal merchandise, and is prohibited from wearing or otherwise displaying the Greek letters ΦMA or the Fraternity’s Coat-of-Arms. If an officer is suspended, the office is vacated.

Section 6. Resolution of member suspension.
A chapter may restore a member placed on suspension to membership in good standing by majority vote or may consider him for expulsion from the Fraternity. If suspended for failure to pay per capita tax, a member is reinstated automatically on payment of his indebtedness to the national Fraternity. If a member is suspended for failure to pay national per capita tax and the per capita tax in arrears is not paid within 30 days of the date of suspension, the chapter considers the suspended member for expulsion from the Fraternity. In cases of emergency, a member may appeal to the Chapter Executive Committee for an extension of time.

If a suspended member is not reinstated before he terminates his academic affiliation with his chapter’s sheltering institution, he is automatically expelled from the Fraternity.

Section 7. Procedures after member expulsion.
When a chapter expels a member from the Fraternity or when a member is automatically expelled, the chapter gives the member written notification of this action immediately. The Secretary, through the chapter President, reports the name of anyone who has been expelled to National Headquarters within 30 days. The expelled member surrenders all emblems and insignia of membership to the chapter, and the chapter forwards them to the National Headquarters. All money paid to the chapter and the National Headquarters is nonrefundable.

The Fraternity publishes proposed amendments to be considered by the National Council to all members of the National Council at least 60 days prior to the dissemination of ballots. Votes must be cast within 30 days of the dissemination of ballots. The National Staff collects and counts votes on issues submitted to the National Council and reports the results as soon as possible to all members of the National Council. A valid National Council vote is a majority return of all disseminated ballots.

Section 3. Process for making technical, editorial, and conforming changes.
The National Secretary-Treasurer may make article and section designation, punctuation, cross reference, spelling, grammatical, and typographical changes to Title III of the Bylaws as necessary, subject to approval by the NEC.
