“1 Day for the KIA” Constitution

2019-2020

ARTICLE I – NAME & CONTACT

The name of this organization shall be “1 Day for the KIA”. The organization may be contacted by email at info@1dayforthekia.org, or by mail at 2121 Tuttle Park Place, 3rd Floor, Columbus, OH, 43210, Attn. “1 Day for the KIA”.

ARTICLE II – PURPOSE

Section A: Mission

The “1 Day for the KIA” mission is to commemorate fallen military service members, especially those connected to The Ohio State University and the local Columbus area. The mission, as of the 2019-2020 school year, primarily manifests itself in three ways: scholarship funding via the fall 5K and spring 24-hour endurance run, hosting awareness events, and team growth in leadership and service.

Section B: Vision

The “1 Day for the KIA” vision is to grow nationwide and have a “1 Day for the KIA” team at every major university campus. As it is reasonable to expect that every major university has had an alumni or student killed in action as some point in its history, every campus has the marketable potential to host and aid in this cause.

Section C: 2019-2020 Academic Year Goals

The first primary goal is to engage the university population more in our cause. This is important in spreading awareness and knowledge of our cause. Without university participation, in the form of student, student organization, or faculty involvement, our cause and organization does not have the ability to grow substantially. The second primary goal of the 2019-2020 school year is to engage the wider Columbus community and grow corporate sponsorship. This is also integral in maintaining and ensuring the longevity of “1 Day for the KIA” as an organization and scholarship-funding vehicle.

ARTICLE III – MEMBERSHIP

Section A: New Membership

New membership of the “1 Day for the KIA” organization can occur in two ways:

- Application-Interview process followed by approval/denial by CC and VC.
 - If an individual should wish to become part of the elected staff of the team, this route is appropriate. An email can be sent to the CC (pultz.10@osu.edu) and VC (polk.83@osu.edu) to express interest in the team and a potential position. The CC and VC will schedule an interview or invite the applicant to a team meeting to discuss further involvement.
- Volunteer-Integration process.
 - If an individual should wish to be a part of the organization but the position they are wishing to fulfill is not available, they will be invited to serve as part of a team within “1 Day for the KIA” and be asked to volunteer at events throughout the year. After that academic year has passed, they are welcome to apply for a more senior position within the team for the following academic year.

Section B: Officer Rotation and Continuity

The next rotation of officers is selected by the current CC and VC through an application and interview process done at the end of the school year. New officers are selected when a current officer is graduating or at the discretion of the CC and VC.

Section C: Membership Status

The status of the member shall be one of the following:

- Active
- Alumni
- Board Member

Section D: Distribution of Responsibility

A member must be able to dedicate time to accomplish the tasks assigned to them. This comes with the understanding that all members are OSU students and have responsibilities outside of “1 Day for the KIA”. However, this group and the group’s mission is of utmost importance and high priority. The member’s participation and self-discipline directly affect the success of ‘1 Day for the KIA’. Failure to be self-sufficient and disciplined in one’s time may result in the initiation of procedures outlined in Article VI, Section C.

Other issues deemed as egregious infringement to the “1 Day for the KIA” bylaws and constitution and its amendments will also initiate the procedures outlined in Article VI. Examples of issues deemed as egregious infringement include but are not limited to: insubordination, demonstration of lack of moral character, repeated attendance offenses, repeated missed deadlines.

ARTICLE VI – INFRACTION SYSTEM

Section A: Actions Deemed Egregious Infringement

Actions deemed as egregious infringement to the mission and cause of “1 Day for the KIA” include, but are not limited to, the following:

- Insubordination towards Key Staff
- Demonstration of a lack of moral character that is unbecoming of a member of “1 Day for the KIA”
- Repeated attendance offenses
 - o Attendance is mandatory at bi-weekly meetings for Key Staff, if applicable
 - o Attendance is strongly encouraged for all other officers
 - o If there is a probable or known schedule conflict, the conflict and meeting date should be detailed in an email to the HRCC explaining the lack of absence *before* the meeting in question.
- Repeated missed deadlines

Section B: Explanation of the Infraction System

The infraction system is supplied below. Upon an infraction, defined by the guidelines in Article VI, Section A, the team member’s supervisor, CC, and VC will initiate the system to their discretion, dependent upon the severity of the infraction.

- 1) Verbal warning upon the first infraction (may be skipped at the discretion of the team supervisor, CC, and VC).
- 2) Official counseling and documentation between team member and immediate supervisor including documentation sent to CC and VC, followed by step 3.
- 3) Official counseling and documentation between team member, immediate supervisor, CC, and VC.
- 4) Continued official counseling and documentation at any level (2 or 3) subjects the team member in question to possible demotion and/or official dismissal as a member of “1 Day for the KIA”; demotion and/or dismissal will be decided by the CC, VC, followed by an official report authored by the CC, VC, given to the Board of Directors outlining the infraction, and actions that garnered the demotion/dismissal.

Section C: Conditions of the Infraction System

Depending upon the severity of the infraction, the steps outlined in the infraction system may be skipped and immediate demotion or dismissal may be rendered to a member. If the steps of the infraction system are being followed, the supervisor must administer counseling within one week of the committed infraction. If the infraction is not dealt with within one week, the supervisor has then committed an infraction and is subject to the actions of the infraction system. Documentation of all official counseling must be submitted to and kept by the CC and VC.

ARTICLE VII – NOTICE OF AND ATTENDANCE TO

MEETINGS Section A: Notice of Scheduled Meetings

The CC will announce the meeting schedule, which includes the date, time, and location, of each semester by the first Monday of the active semester via email. The HRCC will announce by email on the Thursday prior to a scheduled meeting a reminder of said meeting and the appropriate way to communicate an absence from the scheduled meeting.

Section B: Notice of Supplemental Meetings

At certain points throughout the semester, supplemental meetings may be necessary. Only the CC may declare supplemental meetings. However, any member may request and provide reasoning for a supplemental meeting. This request can be sent via email to the CC, or be given verbally, in person to the CC. In order for the commander to declare a mandatory supplemental meeting, he/she must officially announce the meeting's date, time, and location at least seven days prior to the meeting in question. All meetings scheduled inside of the seven-day window cannot be considered mandatory but explaining the necessity of the meeting can be used to persuade members to attend.

Section C: Notice of Lack of Attendance

If a member cannot attend a mandatory meeting due to an accepted excuse, their appeal must be submitted within 24 hours prior to the start of the scheduled mandatory meeting. Appeals are to be submitted to the HRCC. The HRCC will notify the CC and VC of accepted attendance appeals prior to or at the beginning of the meeting. Accepted excuses for a lack of absence to a meeting include, but are not limited to, the following: illness, pre-arranged travel, one-time work excuse, two-time study excuse. If an emergency occurs, the 24-hour excuse appeal is waived, but notification to the HRCC and/or the CC and VC after the event occurs is requested at the discretion of the member. Failure to notify the HRCC of an attendance appeal will result in an infraction and trigger the infraction system, outlined in Article VI, Section B.

Section D: Expectation of Scheduled Meetings

Meetings will start promptly at their scheduled start time, designated by the CC. Waiting to start a meeting for those who are late is disrespectful and unfair to those who are on time. Those who chose to show up tardy are subject to the infraction system at the discretion of their direct supervisor and/or the CC and VC.

ARTICLE VIII – ZERO-TOLERANCE POLICY

Section A: Policy Definition

There will be zero-tolerance concerning the use/abuse, intent to sell and/or warehouse, and supply of illegal and controlled substances. No member of “1 Day for the KIA” is authorized to use such substances in any form unless prescribed by a certified physician.

Section B: Violation of Policy

The use of such substances is in violation of Federal and State laws and will be punishable as such. The violation of this policy defined in Article VIII, Section A will result in direct dismissal of membership from “1 Day for the KIA”; the infraction system will be bypassed.

Section C: Rules/Laws set forth by AFROTC and OSU

The rules and laws set forth by AFROTC and OSU concerning Drug and Alcohol use for student organizations will be strictly enforced by all personnel. Infractions to these rules are punishable by the systems set forth by AFROTC and OSU.

Section D: Considerations for “1 Day for the KIA” Concerning Zero-Tolerance

Due to the differing ages and dispositions towards drugs and alcohol within the “1 Day for the KIA” members, the zero-tolerance policy is of utmost importance. Therefore, alcohol and drugs are to never be brought to a scheduled meeting, mandatory or not. Alcohol and drugs will not be sold or provided at sanctioned “1 Day for the KIA” events. Members are advised to conduct themselves in an appropriate manner when around alcohol or drugs, or under the influence of such substances. In specific consideration to the growing popularity and legalization of marijuana, it is still considered illegal to recreationally use marijuana in the state of Ohio, although medical use is legal. The Key Staff of “1 Day for the KIA” is asking all members to refrain from using medical marijuana during or at scheduled meetings, mandatory or not, regardless of a certified physician’s prescription.

ARTICLE XI – NON-DISCRIMINATION POLICY

Section A: Policy Definition

It is the policy of “1 Day for the KIA” to create and maintain an environment free from all forms of unlawful discrimination so as to provide all with an equal opportunity to join and excel in the organization.

Section B: Prohibited Types of Discrimination

This organization and its members will not discriminate on the basis of age, ancestry, color, disability, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, race, religion, sex, sexual orientation, protested veteran status, or any other bases under the law, in its activities, programs, admission, and employment. Demonstration of any of these types of discrimination or other types will trigger the actions of the infraction system, defined in Article VI, Section B, but are not limited to those actions.

ARTICLE X – RATIFICATION AND AMENDMENT OF THE CONSTITUTION

Section A: Ratification Process

This document and its contents are considered the Constitution of “1 Day for the KIA” organization for the 2019-2020 academic year at The Ohio State University, Columbus, OH, 43210. The Constitution is considered active when all Key Staff have received and agreed with its contents. This Constitution will be active from 1 September 2019 until 31 August 2020.

Section B: Amendment Process

Amendments to this Constitution may be proposed by any member of the “1 Day for the KIA” organization. Amendments must be authored by the CC, VC, and the proposing member, and sent to the Board of Directors within two weeks of authorship. Amendments will be added to this document at the discretion of a 2/3 vote in favor of the amendment by the Board of Directors, and agreement among Key Staff. If the Board of Directors votes in 2/3 majority in favor of the amendment, the CC and VC will add the amendment to the constitution and all members will be notified of the amendment. If the Board of Directors does not vote at least 2/3 in favor of the amendment, the amendment will be sent back to
