III, Preamble

Out of a necessity for the governance of this chapter's affairs and its members, to manage its internal operations and external relationships, to establish its general direction and goals, to plan each year's activities, and to in all ways further realize its mission, vision, and values, the Executive Board of the Ohio Gamma chapter is hereby established.

- b. No resolution shall be passed which contradicts state or federal law, or the rules of the University, or a contract the chapter has entered into, such as the house lease.
- c. Once adopted, resolutions are automatically effective and binding upon the membership and the leadership, enforceable by the Standards Board or the Executive Board, according to their provisions. The only exemption is those resolutions which mandate attendance at events, which must provide 30 days' notice, except when deemed to be an emergency.

- d. The Vice President of Communication shall announce and disseminate the text of any adopted resolution. He shall add the adopted resolutions to the appendices of these bylaws, if it is intended for long-term usage.
- e. Executive Board shall draft Special Motions to adopt, repeal, or amend resolutions and require six positive votes of its officers to place it before the chapter to discuss and vote on it. In addition, any member may also draft and present a motion to adopt, repeal, or amend a resolution by Special Motion so long as they meet the requirements. (See Article VII, Section 7 for information about Special Motions). Deeming an action to be non controversial, particularly urgent, or for whatever reason, the Executive Board may also unilaterally adopt, repeal, or amend a resolution with eight positive votes of its officers.

Article IV Standards Board

IV, Preamble

In an effort to preserve and sustain consistency between this chapter's values and the behavior of the individual members, and to personalize these ideals in our daily experience; to exist as the judicial arm of the chapter in settling controversies between and regarding members and in addressing comprehensively any situation in which members fail to live up to the expectations outlined in the section of these bylaws entitled "Rights and Responsibilities of Brotherhood"; to ensure fidelity to these Ohio Gamma Bylaws and to the Grand Chapter Policies and Administrative Policies and Procedures, and to safeguard the Ritual of the Sigma Phi Epsilon fraternity; the Standards Board of the Ohio Gamma chapter is hereby established.

IV, Section One

The Standards Board shall consist of the Chaplain, Senior Marshall, Junior Marshall, Guard, and Guide. Additionally, the chapter shall elect at least one alternate to serve in the event that any member of the Standards Board is unable to fulfill his responsibility due to his involvement or another conflict of interest.

IV, Section Two

The Chaplain shall serve as chairman of the Standards Board. He shall convene the Standards Board as needed to conduct hearings, to receive testimony, to deliberate, to issue and enforce sanctions, and to manage the business of the Board. The Standards Board shall meet in secret, open only to its officers and those individuals invited by the Chaplain.

IV, Section Three

The Standards Board shall have sole jurisdiction over the discipline of members and the administration of justice. The Standards Board shall provide a speedy and impartial hearing to members alleged to be in violation of the Rights and Responsibilities of Brotherhood, issue fair and just rulings as appropriate, and impose fair and just sanctions. They shall have the right to enforce their own sanctions through means they deem appropriate, to further sanction non-compliance with them, and to punish any disrespect or contempt of the Standards Board and the values it exists to protect.

IV, Section Four

The Standards Board shall use the Grand Chapter Trial & Appeal Procedures in the performance of their business. They are summarized below:

- a. A member who believes his brother is in violation of the Rights and Responsibilities of Brotherhood shall submit the complaint or referral to the Chaplain in writing. On an infrequent basis, for unique circumstances, he shall be provided anonymity from the brother if he so requests, but shall still be required to give witness or written testimony to the violation in question. Complaints or referrals may also be submitted by groups of brothers.
- b. The Standards Board is obligated to investigate the alleged violation. In doing so, they may compel the cooperation of the member(s) who submitted the complaint, or of any other member(s) who may have witnessed the alleged violation or otherwise possesses knowledge of it, to answer questions in writing or appear in person.
- c. The member alleged to be in violation will be given the opportunity to state his position. The Chaplain will provide an abbreviated written complaint to the member alleged to be in violation at least 24 hours prior to the Standards Board meeting in which he is asked to appear.
- d. The Standards Board will decide first as to whether or not a violation has occurred, and if so, shall decide the sanctions to be imposed. A vote of the majority of the Board members shall constitute the decision of the Board, but consensus is the preferred method of resolution. The Chaplain shall participate in full discussion, but shall vote only as is necessary to break a tie.
- e. The Chaplain shall communicate the decision of the Standards Board in writing to the member in violation, as well as to any officers of the chapter necessary to enforce the sanctions.

IV, Section Five

The Standards Board shall have the power to issue sanctions of the following types:

- a. Reprimand or censure, in a private or public setting.
- b. Imposition of a fine up to \$500, or up to 150% of the cost of damage.
- c. Revocation of chapter office, after consultation with the President.
- d. Eviction from the chapter facility, after consultation with the President.
- e. Imposition of specific educational or corrective actions.
- f. Loss of good standing.
- g. Probation – Probation is defined to be the denial of specific privileges.
 - a. Social probation, for example, is the state of members being prohibited from attending social events, while still being required to attend chapter meetings and other events.
 - b. “Academic probation” is a special form of probation for members that do not meet the academic requirements of the Rights and Responsibilities of Brotherhood. For this form of probation, members are not denied specific privileges, but are rather under enhanced scrutiny by the Standards Board to perform better. It may be combined with other sanctions.
- h. Suspension – Suspension is defined to be the denial for a definite period, of the privileges and benefits of membership, including wearing or displaying the Fraternity insignia, attending undergraduate chapter functions and meetings, use of chapter facilities and otherwise identifying himself as a member of the Fraternity (APP, E, 36).
- i. Expulsion – Expulsion is defined to be the permanent denial of all privileges and benefits of membership, including those specifically enumerated in the preceding section (APP, E, 37).

IV, Section Six

The Chaplain must announce at weekly Chapter meetings any actions of the Standards Board that have resulted in revocation of chapter office, eviction from chapter facility, loss of good standing, non-academic probation, suspension or expulsion of members. At the discretion of the Standards Board, The Chaplain may announce additional violations and sanctions as necessary to ensure they are enforced or for the purposes of censure, denunciation, or deterrence. He may also make announcements to exonerate members alleged to be in violation.

IV, Section Seven

The Chapter President has the right to be informed of all Standards Board complaints, proceedings, and sanctions, and share his opinion on an issue, though he may not be present during any part of a hearing, vote on decisions, or otherwise influence the business of the Board.

IV, Section Eight

The Standards Board may omit a full hearing with questioning of the member in violation and simply impose a sanction in the following circumstances:

- a. On routine matters where the sanctions will not result in revocation of chapter office, eviction from chapter facility, loss of good standing, non-academic probation, suspension or expulsion of members, the Standards Board may automatically impose sanctions according to existing resolution, bylaw, or the

Rights and Responsibilities of Brotherhood.

- b. Also, in cases of emergency to protect the chapter's reputation or resources, such as when a brother is facing criminal charges, the Standards Board may automatically suspend a brother from membership and/or suspend an officer from his position. He may be suspended for a period no longer than fourteen days, or until the conclusion of his hearing. This action requires the agreement of the Chaplain as well as three out of the Senior Marshall, Junior Marshall, Guard, and Guide. The Chaplain shall notify the brother of his suspension via writing, and will include the duration of his suspension and the nature of the circumstances. He shall communicate at a later date, within the 14 day maximum, regarding the brother's hearing.

IV, Section Nine

The Chaplain may charge other officers of the fraternity in assisting him with tracking the progress of the chapter's members in meeting the Rights and Responsibilities of Brotherhood or create a common reporting mechanism.

IV, Section Ten

Should the Chaplain or a Standards Board officer be alleged to be in violation or suffer a conflict of interest that prevents him from performing his duties, in his or in the President's opinion, the member shall temporarily remove himself from the Standards Board, or the President shall temporarily suspend him from it, for the purposes of the single relevant hearing.

IV, Section Eleven

In the event that the Chaplain is unable to fulfill his responsibility due to his involvement or another conflict of interest, the Senior Marshal shall serve as acting Chaplain for the purposes of said trial. The elected alternate shall serve in place of the Senior Marshal.

IV, Section Twelve

In the event that a member of the Standards Board other than the chaplain is unable to fulfill his responsibility due to his involvement or another conflict of interest, the elected alternate shall serve in his place.

IV, Section Thirteen

A vacancy occurring in the office of any member of the Standards Board by resignation, expulsion, suspension, or otherwise shall be filled by the elected alternate.

IV, Section Fourteen

There does not exist an absolute right to a Standards Board appeal. The only occasion in which a brother may exercise an appeal is when he is suspended due to finances or has been expelled for any reason. Appeals shall follow the following process from Grand Chapter Trial & Appeal Procedures:

- a. A brother who has received an eligible sanction may appeal the decision by notifying the Chapter President in writing; once he does so, his membership

- privileges shall stand suspended until the vote of the membership on his appeal. He must do so within 10 days of being expelled.
- b. The Chapter President shall notify the Chaplain and furnish a copy of these procedures to both him and to the member found in violation.
 - c. At the first available chapter meeting, either regular or special, occurring at least 96 hours after the appealing member notifies the Chapter President, at which a quorum of two-thirds of the members in good standing are present, the chapter shall hear the appeal. The Chaplain will present the Standards Board's report of the member's specific violation of membership obligations, as well as a report of the commission's justification for expelling the member, in no more than 15 minutes. Following the Chaplain's report, the appealing member will also be given 15 minutes to present his appeal. He can represent himself or designate a representative, as long as that representative is a current undergraduate member in good standing of the same chapter. The member is not entitled to an attorney.
 - d. When the Chaplain and the appealing member have made their reports, the Chapter President will call for a vote without debate by secret ballot as to whether the appealing member is expelled.
 - e. If two-thirds of the chapter's total membership in good standing vote to overturn the decision of expulsion, then the member is not expelled and his violations are referred back to the Standards Board for a decision of appropriate penalty other than expulsion. If two-thirds of the members in good standing do not vote to overturn the decision for expulsion, then the member is expelled, effective immediately.
 - f. It shall be the duty of the President: to keep a complete record of the proceedings, including the voting; to direct such record to become part of the records of the chapter and to promptly notify in writing the member found in violation and the Executive Director of the outcome of the proceedings.
 - a. In the event an expelled member wishes to appeal to the National Board of Directors, then this right is automatically granted to the National Board of Directors by the chapter. Such appeal must be filed in writing within seven days of the chapter vote for expulsion.

After the conclusion of each election's discussion, voting by secret ballot shall occur:

- a. For executive officers, members may vote only for one candidate; for Standards Board elections, members may vote for four candidates. Should there continue to be a lack of eligible or worthy candidates after that second holding of an election, the outgoing President shall, with the advice and consent of his executive board, appoint a successor who will take office after the transition as though he were duly elected.

VII, Section Seven

Special Motions (main motions) are those that introduce new items into consideration. The Chair shall provide for the announcement, discussion, and vote on Special Motion in the business of the soonest available chapter meeting, with no need for second. Two parties can submit them: the Executive Board or any active member:

- a. To submit a Special Motion, an active member must submit to the President at least 48 hours in advance of the chapter meeting the text of the motion as well as the signatures of 20% of the total active membership in concurrence with the idea that the motion ought to be submitted (not necessarily approved). The signatures may be public or anonymous, as intended by the motion's sponsor. At his discretion, the President may waive the 48-hour and 20% requirements. However, a motion meeting these requirements may not be denied, only delayed to the next available chapter meeting within two weeks.
- b. Special motions include
 - a. Resolutions. Whether originating from the Executive Board or an active member, a Special Motion to adopt, repeal, or amend a resolution requires a simple majority vote to pass, the ability of the Executive Board to adopt resolutions through eight positive votes notwithstanding. (See Article III, Section Three for more about resolutions.)
 - b. Amendments of the bylaws. A Special Motion to amend the bylaws must be read, discussed, and voted on at two separate chapter meetings. An amendment requires a two-thirds majority to pass.
 - c. No Confidence in officers. (See Article V, Section Five for more about Votes of No Confidence). The officer must be given three minutes to respond to the allegations in the text of the motion. It requires a two-thirds majority to pass.

VII, Section Eight

Regular motions (subsidiary motions) are those that pertain to an item being considered. They are made on the floor after recognition by the presiding Chair and require a second. Year	2014-15	2015-16	2016-17	2017-18	2018-19
Dues Cap	\$470.00	\$488.80	\$508.35	\$528.69	\$549.83

VIII, Section Four

The President, acting through the Standards Board, Vice President of Finance, or any other officer to whom he delegates, shall fine members for their violations of bylaws or resolutions. Unless otherwise noted, fines shall be assessed and paid through the online financial collection system (LegFi.com), , monitored by the Vice President of Finance.

monies they have paid or are already scheduled to pay to the chapter. However, at the mutual determination of the President and the Chaplain, the member may be returned his semester dues and/or rent, pro-rated, in exchange for the member returning his membership card, badges and pins, and attire signifying connection to the fraternity. Parlor fees may not be reimbursed.

VIII, Section Nine

Any member who is on leave for one semester (such as internship or study abroad) shall pay the insurance to Headquarters and Inter Fraternity Council dues which is currently set at \$150 for Autumn and \$161 for Spring. IX, Section Three

When space becomes available in the house at a time at uncommon times due to any reason, all brothers will be given an opportunity to submit their name for interest in living in the room (including those brothers current living in the house). The VP RLC shall use his judgment to determine room assignment, guided by both use of the house points and chapter finances.***IX, Section four***

If the circumstance arises that the house has not been filled for the following year, brothers will be chosen to live in the house to fulfill the house capacity requirement. The Vice President of Residential Learning Community will be responsible for filling the house with chapter members until the house has reached capacity. This is outlined in the membership agreement signed by all members of the chapter. If desired, brothers will be allowed to appeal this live in requirement and be given 1 minute to present their case before the chapter. This appeal will only be overturned by a 2/3 Chapter vote.

1. Brothers chosen to live in the house will be rising sophomores. This is group is chosen due to the following rationale:

a. The house is STEP certified and university managed, meaning that the chapter house can uphold the sophomore live-on requirement

b. The house has a lower cost of living than on campus housing does, so there is not financial burden put on these individuals

c. Older brothers will not be put in risk of legal situations due to breaking leases, and we cannot guarantee not acquiring financial burden on those individuals

d. The house is a place where new members can see the chapter and experience it on a large scale, and also be in a learning community environment. This helps to reinforce our values deeper in members earlier, and helps to create higher exposure to engage in leadership opportunities, relationship building, and high academic excellence

e. Having a higher number of sophomore members living in the house can help to guarantee the Ohio Gamma Step program, due to its minimum number capacity requirement

2. This VPRLC will choose members before the deadline for housing contracts are due in Spring semester each year.

3. Members will be selected based off cumulating house points for all members, and then pulling in individuals with the lowest scores.

Article X Rights and Responsibilities of Brotherhood

X, Preamble

The Rights and Responsibilities of Brotherhood is a summation of the fraternity and chapter's expectations of all members. It is an uplifting statement of the standards to which our members hold themselves and their brothers. While the Standards Board plays the most direct role in ensuring the adherence of brothers to this article, members fulfill the most regular responsibility for correcting the wayward course of their brothers – as

stated in the Creed of Sigma Phi Epsilon, “I believe I should be generous with the faults of a Brother, as I should wish him to be with mine.” As such, brotherly love is not mere affection, but it is furthermore the act of loving one another enough to hold a fellow man to a higher standard. Members should endeavor to know and understand the ideals expressed in the Creed of Sigma Phi Epsilon and the Ritual of Sigma Phi Epsilon, especially the Oath of Obligation, and will try to incorporate the principles of Virtue, Diligence, and Brotherly Love into their daily lives.

All members should sign and return this document to the Chaplain upon receiving membership, thus signifying his understanding and acknowledgement of the high requirements of a Lifetime Responsibility of Brotherhood. This article should be reaffirmed, and amended if preferred, on an annual basis, by the brotherhood.

X, Section One

Because the fraternity exists to uphold, develop, and strengthen the character of its members according to the values of Virtue, Diligence, and Brotherly Love, and because personal actions reflect not only on individuals, but upon the entire chapter and Greek-letter community as well, members shall exhibit responsible and respectful conduct at all times, at no times exhibiting “conduct unbecoming of a Sigma Phi Epsilon.”

- a. There is to be no division between individual actions and actions taken in the capacity of a fraternity brother: every man is said to wear his letters as visibly and constantly as though they were emblazoned upon his own chest.
- b. Members acknowledge they are responsible for actions taken under the influence of alcohol or other substances, and that the misuse of those substances may well constitute improper conduct.
- c. Members shall not act in a manner that reflects poorly upon or brings disgrace to the chapter by the standards of the University or the larger community.
- d. Members shall be especially cognizant of their responsibilities when hosting an event or a guest, and shall recognize a special responsibility to act as gentlemen to females at all times.
- e. Members shall recognize that they differ from each other only in their knowledge and experience of the fraternity and will treat each other with respect. There shall be no physical, emotional, or mental hazing among members
- f. Members shall honor their Oath of Obligation, especially those clauses which pertain to keeping the secrecy of the fraternity’s ritual and not bringing dishonor to the fraternity.

X, Section Two

Consistent with the Creed of Sigma Phi Epsilon that that “group rights and privileges are based on individual rights and privileges” and that “obedience to the laws of my community and my country is essential to good citizenship”, members shall not violate with impunity the risk management rules or policies of the chapter, fraternity, University, or community, especially those outlined in the “Statement on Chapter & Individual Responsibility.”

X, Section Three

Subject to the procedures and protections outlined in Article IV and others within these bylaws, members acknowledge the legitimacy and authority of the independent chapter Standards Board in making findings of fact regarding their actions and in issuing fair and just sanctions. Members agree to participate and abide by the processes and outcomes of its proceedings, or they may be subject to further sanction. Any member found being dishonest or disingenuous to the Standards Board in written or oral communication or omission shall be sanctioned accordingly.

X, Section Four

Congruent with the Balanced Man ideal of Sound Mind, members shall strive for academic achievement and will practice academic integrity.

- a. Members must achieve a grade-point average above the chapter minimum during the most recent full-time academic semester enrolled (not including summer semester), or he shall be placed on “Academic Probation” and thus subject to the provisions of the Standards Board Academic Plan.

- c. Should a member’s grade-point average in a single semester fall below a 2.0, or should he achieve a grade-point average below 2.8 for two out of three consecutive semesters, he shall be subject to expulsion by the Standards Board, unless three officers of the Standards Board vote to sanction him in another way.
- d. Elected officers of the fraternity must maintain a minimum cumulative chapter grade-point average of a 3.2.

X, Section Five

Congruent with the Balanced Man ideal of Sound Body, members shall strive to have a Sound Body.

- b. Members must also complete one additional Sound Body-related event each semester for the purpose of bettering one’s health and fitness alongside brothers. The Vice President of Member Development shall offer guidelines on approved events, make available opportunities for meeting this expectation, and arrange special circumstances for brothers with unique circumstances or to meet chapter goals. Brothers seeking to use participation on a chapter intramural team to meet this requirement must not have missed more than one game per season.
- c. Members who are not excused by the Senior Marshall or Sound Body Chairman will be fined \$20 for nonparticipation per event. Those not meeting the aggregate score of 33 on the Sound Body test, calculated by rubric attached to the bylaws,

X, Section Six

As stated by the Creed that “Believing that my fraternity can be no greater than any of its members, I shall strive to make it so high and so worthy that men will consider it an honor and privilege to belong to it and will strive to be admitted to it” and that “to be a good member I must be loyal to my Fraternity. In order to be loyal to it, I must love it. In order to love it, I must strive constantly to make it worthy of my love,” the chapter will require the contribution of the time and energy of its members for the effective operation of its events and programs. Members must engage in weekly chapter meetings, Ritual, and other activities.

- a. Attendance at weekly chapter meeting is mandatory, but brothers may petition the Senior Marshall of the Standards Board to excuse an absence with at least 24-hour notice. Members requesting multiple or chronic absences must include documentation.
- b. Each semester, members may miss three chapter meetings per semester, which are automatically excused, for brothers to use for work, studying, last-minute emergencies, personal reasons, professional development, co-curricular obligations, etc. This does not extend to weekly chapter meetings where Rites of Passage are being performed (those absences must be specifically excused).
- c. The first two unexcused absences after the first excused three shall earn a \$20 fine each. The third unexcused absence shall result in a hearing with the Standards Board. They may levy a sanction for him to perform a task laid out for him by the Chaplain as a means of contributing to the chapter that time and energy which he failed to do previously, or render a more serious sanction if he is found lacking in commitment to the fraternity.
- d. The Senior Marshall must specifically excuse absences at the Epsilon Rite of Passage seven days in advance; unexcused absences carry a \$75 fine.
- e. From time to time, the executive board may make attendance mandatory at certain events to meet university or fraternity requirements or for individual or chapter development. In these cases, they may mandate attendance at certain events, or offer brothers a choice from multiple events. In all cases, at least 30 days’ notice must be given to the chapter from the time of the events, and the fine per event for an unexcused absence shall be \$20.
- f. Once a semester, each brother may be called upon to attend an event in a support capacity. At the beginning of the semester or at midpoints within it, the Vice President of Programming will distribute an events calendar. Beginning with seniors and proceeding downward by rank, each brother will be asked to select one volunteer slot to serve as a sober monitor, as clean-up or set-up crew, or in another work-related role. At the end of the volunteering period, the remaining volunteer positions will be randomly assigned to the brothers that have not volunteered, beginning with the lowest rank. The Vice President of Programming may move or reassign members between events to ensure social events are well staffed with brothers of mature age.

- g. Per this chapter's adoption of the Balanced Man Program, all members must engage with the Challenges of membership. For Sigmas, attendance shall be considered mandatory at events according to the discretion of the Sigma Coordinators, who determine passage to the Phi Challenge, but no fines will be levied (rather, members deemed not to have participated enough shall not pass to Phi). This must attend at least two Phi Challenge events of their choice per semester, as determined by the Phi Coordinators, or face a \$20 fine per event missed. Epsilons will be expected to attend 3 events per semester based on the pillars of development (accountability, servant leadership, and preparation for life after college) per semester or face a \$20 fine that semester, per event missed. Attendance of programmed epsilon challenge events can fulfill all required events, and attendance of at least one challenge event is required. A maximum of 1 event per semester may be substituted by attendance of at least one epsilon interview. A maximum of 1 event per semester may be substituted by attendance of at least one of the following: executive board meeting, sigma meeting/event, or phi meeting/event. The challenge coordinators will determine attendance at the appropriate challenge events. The Vice President of Member Development or the conductor of interviews will determine attendance at interviews.

X, Section Seven

Consistent with the Creed's statement "that a man will be made better for having been a member of my Fraternity," and with the charter of the first Sigma Phi Epsilon chapter which stated the fraternity's purpose shall be "to intensify and perpetuate friendship and promote happiness among its members, to encourage literature and education, and to create such sentiments, mold such opinions, and perform such deeds as shall conduce to the building of a noble and pure manhood," Sigma Phi Epsilon sets forth the multi-stage Balanced Man Program as the foundation of the chapter.

- a. Upon acceptance of a bid of membership, a man shall be inducted into the Sigma Rite of Passage. The Sigma Challenge shall serve to orient the new member to campus, to the Greek Community, and to Sigma Phi Epsilon. The Sigma shall learn the customs, operations, language, history, values, and dynamics of the Ohio Gamma chapter, the national fraternity, and the Greek Community as a whole. The Sigma shall also engage in any skill-building necessary to thrive in the challenging environment of fraternal life and shall build relationships with his fellow brothers. To complete the challenge, he shall pass an interview with the Sigma Coordinators, who shall examine his knowledge of the chapter, the fraternity, and the Greek Community, his relationship with his brothers, his successful integration with the chapter (selection of a mentor and demonstrated involvement) and plan for further involvement, and his familiarity with the Creed of Sigma Phi Epsilon.
- b. Upon passage of the Phi discussion and performance of the Phi Rite of Passage, a man shall be entered into the Phi Challenge.

To complete the Phi Challenge, a brother shall complete an Epsilon Discussion conducted by the VP of Member Development which must be attended by at least six brothers in the Epsilon or Brother Mentor Challenge excluding the discussion facilitator.

If the circumstance should arise where the VP of Member Development is not available to facilitate the discussion, the facilitator for the discussion will be chosen by soliciting the following groups in this order: previous VP of Member Development, current Phi Coordinators, previous Phi Coordinators, Brother Mentors, Epsilons. All facilitators must be active brothers in the Epsilon or Brother Mentor Challenge and must have attended at least five Epsilon discussions in order to be eligible to facilitate any Epsilon discussion. The brother having his discussion shall be examined based on the pillars of the Phi program, which are understanding of self, understanding of mentorship, and understanding of Sigma Phi Epsilon's values according to the ritual. These pillars are to be exemplified by the significant contributions he has made to the chapter through chapter operations and mentorship/guideship. He shall also be examined upon how he has involved himself in the co-curriculum of campus and the community, his deep understanding of himself, his beliefs, his journey of personal development, his professional aspirations and ambitions, and his understanding of and familiarity with the Oath of Obligation of Sigma Phi Epsilon. With the decision of the discussion facilitator that the brother shall advance to the Epsilon Challenge, the Epsilon Rite of Passage shall be performed.

If a brother is not deemed ready to progress into the Epsilon Challenge, he must abstain from the next round of Epsilon Discussions for time to reflect and properly implement the feedback gained from his Epsilon Discussion. In the event that the brother believes he is ready for the next round of discussions, he may participate if given approval by the VP of Member Development.

Lastly, each Epsilon must attend three Epsilon discussions per semester. In the event that a brother joined the Epsilon Challenge during that semester, he is exempt from the requirement of attending three discussions in the same semester. Failure to attend at least three discussions per semester will result in a \$20 fine. If a brother in the Epsilon Challenge cannot attend at least three discussions, he shall submit a valid excuse to the VP of Member Development to avoid paying the fine.

- c. Upon passage of the Epsilon Interview and performance of the Epsilon Rite of Passage, a man shall be initiated into the Epsilon Challenge. The Epsilon Challenge shall be an outlet for service to the chapter, the campus, and the community and shall serve to prepare a man for success after graduation, bridging the gap between college and the "real world." Brothers in Epsilon can be measured by the pillars of the epsilon challenge, which are accountability, servant leadership, and preparation for life after college. Accountability is to be vocal about one's concerns at fraternity events and in personal relationships. Servant leadership is to be active in one's pursuit to give back to the chapter and leave a legacy to benefit those who will come after him. An epsilon is expected take guiding roles in his area of greatest skill to improve the chapter. Lastly, a brother in Epsilon is only beginning to develop professionally and to define his lifelong legacy. Epsilons are expected to pursue this development wholesomely at epsilon events and by putting themselves out of their comfort zones. Brothers in Epsilon are expected to be living role models of the loftiest interpretation of the values and principles of Sigma Phi Epsilon.

- d. The Brother Mentors for entrance into their challenge may select those who best exemplify the ideals of the Ritual and forge a compelling and right path through the fraternity without disruption. Upon selection by the existing Brother Mentors, and performance of the Brother Mentor Rite of Passage, a man shall be elevated into this challenge. Brother Mentors are charged with the task of guiding the chapter in some way that the individual sees fit. They each undertake one specific goal that serves the purpose of helping their brothers adapt, grow, learn, or experience life in a way they would otherwise not have been able to do. The Brother Mentors may, when called upon, advise the Standards and Executive Boards in times of need.
 1. To be taken into consideration for admission to the Brother Mentor Challenge, a brother of the Epsilon Challenge must submit a portfolio of sorts outlining his accomplishments both within and outside of the chapter. There are no rigid requirements to become a Brother Mentor, such as holding an Executive Board position, however, it is upon the candidate to make a compelling case for his acceptance into the Brother Mentor Challenge.
 2. Once the portfolio has been submitted, the Brother Mentors will convene to discuss and evaluate the candidate's proposal. In order for the proposal to pass, it must achieve $\frac{2}{3}$ (two-thirds) vote of all Brother Mentors present.
 3. A Brother Mentor coordinator will be chosen to serve as a liaison between the Brother Mentors, the VP Member Development, and the Chapter. The Brother Mentor coordinator is not required to be a Brother Mentor. Among the duties of the coordinator are: scheduling 1-2 BM meetings per semester, scheduling time frames for portfolios to be submitted for selection, and scheduling ritual dates.
- e. No member may progress from one Challenge to another if he did not meet or was not properly excused from the Sound Body standard, or if he was on academic probation, in that semester (or, if interviews precede the determination of Sound Mind and Sound Body standards, then the previous semester).
- f. The Vice President of Membership shall be responsible for enforcing the "membership lapsing policy": a member has one semester (given two chances to interview) to complete the Sigma Challenge and enter the Phi Challenge, or he shall meet with a member of the Standards Board to work out a plan for completion; if found unwilling or unable to do so, he shall face departure from the chapter upon his own volition or by order of the full Standards Board. A Phi shall have a maximum of four semesters to complete the Phi Challenge, or he shall endure a Standards Board hearing to determine adequate progress, inquire as to the cause of his tardiness, and decide as to his worthiness to continue as a member.

X, Section Eight

Fraternity membership being a privilege which endows its sons with many benefits, it is the obligation of members to use the chapter for the promotion of the good of the community and campus. Members must thus engage in community service and

philanthropic activities.

- a. Members must attend three community service events each semester, either in coordination with the chapter and campus or on one's own. The Vice President of Campus Engagement shall offer guidelines on approved events, make available opportunities for meeting this expectation, and arrange special circumstances for brothers with unique circumstances or to meet chapter goals.
- b. Members who are not excused by the Senior Marshall or Vice President of Campus Engagement will be fined \$20 for nonparticipation, per event. Members who do not complete any of the three events shall incur a hearing with the Standards Board. They may levy a sanction for him to perform a task laid out for him by the Chaplain as a means of contributing to the campus and community that time and energy which he failed to do previously, or render a more serious sanction if he is found lacking in commitment to the fraternity.

X, Section Nine

The right of the chapter Vice President of Finance to work out individual payment plans notwithstanding, members must pay all financial obligations promptly, including, but not limited to: member dues, parlor fees, fines, rent, meal plan costs, elected purchases, and any others agreed to and assessed in accordance with these bylaws and the chapter.

- a. Members are responsible for up to 150% of damage caused by their actions. They are also responsible for the actions of their guests.
- b. Members may not use or bring illegal drugs onto the premises. Doing so shall be grounds for suspension or expulsion by the Standards Board.
