If a member engages in behavior that is detrimental to advancing the purpose of this organization, violates the organization's constitution or by-laws, or violates the Code of Student Conduct, university policy, or federal, state, or local law, the member may be removed through a majority vote of the officers in consultation with the organization's advisor.

Cause for removal includes, but isn't limited to: violation of the constitution or by-laws, failure to perform duties, or any behavior that is detrimental to advancing the purpose of this organization, including violations of the Student Code of Conduct, university policy, or federal, state, or local laws.
