

VSA Constitution

Article I: Name

The name of the organization shall be VSA est. 1991 (Vietnamese Student Association) at The Ohio State University.

Article II: Purpose

The Vietnamese Student Association (VSA) is a cultural, non-profit organization dedicated to preserving and promoting Vietnamese culture and working towards the general development of the student body. Like other chapters worldwide, one of its purposes is to preserve and promote Vietnamese tradition and culture amongst the young generation. VSA strives to bring students together who share Vietnamese heritage and/or interest in Vietnamese culture and to create a safe atmosphere for these students to feel welcome and comfortable. Even though we are an organization for Vietnamese culture, we advocate for inclusiveness of the entire campus and Columbus community. Furthermore, another major goal of VSA is to create awareness and raise money for our Collective Philanthropy Project (CPP) alongside other VSAs under the Union of North American Vietnamese Student Associations (UNAVSA). Overall, VSA strives to garner support for our CPP and create opportunities for students to discover their identity, find their niche at OSU, assist each other, make lifelong friendships, and build leadership skills throughout their college career.

By-Law I: Election

Ballot elections **MUST** be held for the above officer positions; if needed new positions can be proposed and fulfilled. The President(s), Vice President(s), and Treasurer must be full-time OSU students in good standing, per university requirements. President(s) and Vice-President(s) must have served on The Ohio State University's Vietnamese Student Association executive board for at least one year to be considered. All other officer positions are open to anyone. Election of positions will require a majority vote by the officers, excluding the position nominee. In order to run for a position the VSA member must attend at least two meetings in one semester.

By-Law II: General Events/Eboard Meetings

Size of membership, feedback from members, and difficulty of schedule between officers and members will determine the number and content of events held. General E-board Meetings are open to any general member, and mandatory for all executive board officers. General members who would like to speak at an Eboard meeting must inform the President(s) and Vice President(s) at least 24 hours in advance, so they can be properly scheduled into the meeting. The President(s) and

Vice President(s) have the right to ask any non-E-board members to leave after they have spoken and participated in relevant discussion. Executive board meetings are conducted weekly in efforts to update the executive board on events and will be posted on both of our Facebook pages and website so that members are up to date with upcoming events.

By-Law III: Officers Responsibilities

Any meetings to be missed leave an email to President(s) or all officers. Officers are allowed to miss **two events and one meeting per semester** however an explanation must be notified to the **PVP**. If the officer is absent for **more than two events and one meeting**, the officer is at risk of being impeached. In case of emergency, notify 24 hours ahead, before the scheduled meeting or event. Deadlines are to be met no matter what; talk to move deadline before deadline if you cannot make it in time prior to deadline.

By-Law IV: Removal of Officers

The legislation committee has a right to remove any officer, due to conflict or inability to follow responsibilities, with a two-third (2/3) vote and President(s) or Vice-President(s) with a four-fifth (4/5) vote. Three Strike Rule: If an officer is seen as slacking off their position by either the President(s) or Vice-President(s) and is needed to be reminded of the same job multiple times for tardy performance, then said officer receives one strike. If an officer does not show up to a meeting/event without a reasonable excuse or without notice then he or she also receives one strike. After 3 strikes, the President(s) and Vice-President(s) will convene to decide whether or not to impeach the convicted officer. The convicted officer will face a trial in front of the entire executive board where they will have a chance to defend themselves.

By-Law V: Removal of General Members

If a member conducts themselves in such a manner deemed detrimental to advancing the purpose of this organization such as lack of communication during important times, behaving inappropriately at internal or external events or is in violation of the OSU Student Code of Conduct, they can be removed through a majority vote of the election committee or unanimous vote of the officers, with the consultation of the advisor. Members at risk of removal will receive 1 warning and a maximum of 3 strikes afterwards before official removal.
