Revised 09/18/2025

This document includes everything not in the Constitution

Article I - Parliamentary Authority

The rules contained in Robert's Rules of Order shall govern the organization in all cases to which they are applicable, and in which they are not inconsistent with the by-laws of this organization.

Article II - National Leadership

The NSLS national office consists of an executive leadership team of paid individuals who keep the program running at the national level. Each chapter gets a national chapter advisor for their chapter. Ours is Maryanna Laferriere and can be reached at mlaferriere@nsls.org.

Article III - Meeting & Event Requirements

In order to become an inducted member, one must attend Orientation, Leadership Training Day, three SNT meetings, and three speaker broadcasts. These will be either online, live-online, or in-person events. The organization may also host social events and community service opportunities for members of the chapter. Attendance at the latter is not required but recommended to foster the sense of community with members.

Executive meetings are required to attend by all executive officers. If there is a conflict, another way for one to participate will be figured out. Meetings with our university advisor are not required but recommended to be attended by the President. Meetings with our national advisor are required to be attended by the President. Another officer may attend these meetings in place of the President if needed.

Article VII - Method of Amending By-Laws

By-laws may be amended by proposing in writing and reading the change at a general meeting of the membership and then bringing the proposed change up for a vote at the next general meeting with a 2/3 majority vote of the membership present.
